Politics And Social Work:

Practical Politics Maryann Mahaffey, John W. Hanks, 1982

Politics for Social Workers Stephen Pimpare, 2021-11-23

The social work profession calls on its members to strive for social justice. It asks aspiring and practicing social workers to advocate for political change and take part in political action on behalf of marginalized people and groups. Yet this macro goal is often left on the back burner as the day to day struggles of working directly with clients take precedence. And while most social workers have firsthand knowledge of how public policy neglects or outright harms society's most vulnerable, too few have training in the political processes that created these policies. This book is a concise, accessible guide to help social workers understand how politics and policy making really work and what they can do to help their clients and their communities. Helping readers develop sustainable strategies at the micro, meso, and macro levels, this book is a hands-on manual to contemporary American politics showing social workers and social work students how to engage in effective activism. Stephen Pimpare, a political scientist with extensive experience as a social work practitioner and instructor, offers informed practical grounding in the mechanics of policy making and the tools that activists and outsiders can use to take on an entrenched system. He distills key research and insights from political science and related disciplines into a practical resource for social work students, instructors, and practitioners looking to deepen their policy knowledge and capacity to achieve change.

Political Social Work Shannon R. Lane, Suzanne Pritzker, 2017-12-16 This social work book is the first of its kind describing practical steps that social workers can take to shape and influence both policy and politics. It prepares social workers and social work students to impact political action and subsequent policy with a detailed real-world framework for turning ideas into concrete goals and strategies for effecting change. Tracing the roots of social work in response to systemic social inequality, it clearly relates the tenets of social work to the challenges and opportunities of modern social change. The book identifies the core domains of political social work, including engaging individuals and communities in voting, influencing policy agendas, and seeking and holding elected office. Chapters elaborate on the necessary skills for political social work, featuring discussion examples and critical thinking exercises in such vital areas as power, empowerment, and conflict; engaging effectively with power in political settings; getting on the agenda; assessing the political context and developing political strategy; planning the political intervention; advocacy and electoral campaigns; empowering voters; persuasive political communication; budgeting and allocating resources; evaluating political social work efforts; making ethical decisions in political social work. *Political Social Work* is a potent reference for social work professionals, practitioners, and students seeking core political knowledge and skills to practically advance their work. For specialists and generalists alike, it solidifies political action as vital for the evolution of the field.

The Oxford Handbook of Power, Politics, and Social Work Rajendra Baikady, Jaroslaw Przeperski, Sajid S.M., M. Rezaul Islam, 2024 This Handbook examines the impetus for the development, growth, and relevance of social work as a profession in different political, social, and cultural contexts.

Contributions align with overarching contemporary themes such as changing governance structures around the world digitalization and globalization and decolonization The book is also in line with the advancement of global agendas for social work and social development led by the IASSW ICSW IFSW This contemporary text engages comprehensively with diverse political systems across the world and explores the interactions with and implications for social work policy practice and education in these countries and globally *The New Politics of Social Work* Mel Gray, Stephen A. Webb, 2017-09-16 With contributions from those at the forefront of modern social work thought this edited volume reflects the growing eminence of critical social work in the 21st Century Taking a truly global outlook this text advocates the promotion of equality through a range of radical perspectives and provides a blueprint for the future of practice Core Themes In Social Work: Power, Poverty, Politics And Values Sheedy, Martin, 2013-01-01 This book sheds a very bright light on poverty as a central experience of the people social workers work with Research and theories of power politics and values are thoroughly discussed and provide the basis for a sustained commitment to social justice The book is a supportive read as it skilfully appreciates the personal challenges that critical and assertive practice entails It is a book for students professionals and service leads to keep re read and savour Dr Tillie Curran Senior Lecturer in Social Work University of the West of England UK By identifying power poverty politics and values as core themes in social work this text offers us a refreshing perspective which will challenge students and practitioners alike to re evaluate their practice in the light of its wider social political and philosophical contexts Through an exploration of issues of power and an interrogation of the real meaning of social work ethics and values Sheedy motivates and encourages us to reflect on our practice and to ensure that it is truly person centred Dr Sue Taplin University of Nottingham UK This book offers a concise and coherent discussion of what should be core themes in thoughtful and careful social work practice It offers a journey towards rethinking and embracing effective critical practice which engages with human rights and social justice as much as with empowerment and with individual and interpersonal change Occasional student accounts coupled with use of key points and questions for discussion make for accessibility The book synthesises summarises and critiques ideas about how to understand and resolve social issues enabling readers to question how they might work creatively alongside service users It is a book which invites reflection on policy and practice Professor Michael Preston Shoot Dean Faculty of Health and Social Sciences University of Bedfordshire UK This excellent text is essential reading for all social workers and students and a key resource for academics It highlights with concern and conviction the importance of developing an effective critical practice that challenges enhances and broadens the task of conventional social work in ways that have the potential to improve outcomes for service users It calls for a social work practice based on an understanding of the issues of power politics and ideology and the values and world view held by the worker linked with concerns raised by the people that social workers regularly encounter and work with The issues of poverty and disadvantage and their structural causes run throughout this text issues that have been too long

neglected in social work In this text Martin Sheedy corrects that neglect by outlining in some detail the impact of poverty on people's lives and life chances whilst at the same time describing how critical practice can be used by social workers to promote social justice and empowerment practices Dr Pamela Trevithick Visiting Professor in Social Work Buckinghamshire New University UK This engaging book introduces the core themes in social work and encourages students and practitioners to connect with the important debates surrounding these themes and challenges them to revisit the direction social work is and should be going in The key contexts of social work are explored using knowledge from the disciplines of social theory politics sociology psychology and ethics The content is enlivened by The voices of students service users and practitioners Current and topical content on social work poverty politics power and values A discussion style format to help readers engage with the topics An extensive range of sources of knowledge and theory Key summary points at the end of each chapter Group discussion questions at the end of each chapter This book will contribute to social work students and practitioners thinking about the world in which they live and operate as professionals *Affecting Change* Karen S. Haynes, James S. Mickelson, 2010 Updated to reflect advances in a changing political arena of Obama's administration this revision shows students how to develop political action skills and to take advantage of the opportunity of change This practical step by step guide focuses on advocacy as the central mission of social work practice New material and 17 new personal scenarios involving social workers who have made a difference senators representatives and officials in the political arena serve to inspire students Revised chapters show how social work skills can be most effective whether by impacting the political arena as a social worker or running for office **Social Work, Politics and Society** Kenneth McLaughlin, 2008-07 Kenneth McLaughlin highlights the need for a new approach to social work that has a more optimistic view of both individuals and society and of their capacity to overcome problems **Policy Analysis for Social Workers** Richard K. Caputo, 2013-09-17 Policy Analysis for Social Workers offers a comprehensive step by step guide to understanding the process of policy development and analysis for effective advocacy This user friendly model helps students get excited about understanding policy as a product a process and as performance a unique 3 P approach to policy analysis as competing texts often just focus on one of these areas Author Richard K Caputo efficiently teaches the purpose of policy and its relation to social work values discusses the field of policy studies and the various kinds of analysis and highlights the necessary criteria effectiveness efficiency equity political feasibility social acceptability administrative and technical feasibility for evaluating public policy The Politics of Social Services Jeffry H. Galper, 1975 A critical analysis of the political roles and impact of social services in the United States assessing their influence on the values structures and human behaviors underlying the present social order **Social Work in Post-War and Political Conflict Areas** Kristin Sonnenberg, Cinur Ghaderi, 2021-04-29 The book offers unique access to theoretical approaches and practical examples of international social work in the context of war and conflicts The reader gains knowledge about the competences and role of social work which

contributes to mitigating the effects of war and conflict The book raises the question of how to connect international social work with local approaches and offers suggestions for a development of social work with respect to exchanging knowledge and experiences between the West and the East the Global North and the Global South It furthermore discusses the role of social work in reducing the problem of gender based violence and in the methods of peacebuilding processes in post war and post conflict societies

The Social Work Companion Neil Thompson,Sue Thompson,2017-09-16 This new and fully updated edition of a hugely popular textbook is a practical and user friendly guide that lets students know what to expect from their course and will be there every step of the way as a reference tool Written by experts in the field the book guides the reader through from their academic study on social work courses to entering the field as a practitioner The Social Work Companion is the essential survival guide for students on qualifying courses in social work and a helpful resource for experienced practitioners New to this Edition A indispensable wide ranging yet accessible coverage of the core areas of theory and practice studied on a typical social work degree course A wealth of guidance on study skills advice about possible career directions and extensive signposting to sources of further information

Social Work and Social Theory Paul Michael Garrett,2013 In order to work effectively social workers need to understand theoretical concepts and develop critical theory In *Social Work and Social Theory* Paul Michael Garrett seeks to bring the profession into dialogue with the anticapitalist movement and encourages a new engagement with theorists such as Antonio Gramsci Pierre Bourdieu and Nancy Fraser It provides an accessible and exhilarating introduction for practitioners students and social work academics interested in social theory and critical social policy It will be a vital resource aiding anyone intent on creating a more radical social work and a useful teaching tool to spark lively classroom discussion

Social Work and Legislation in Sweden Sweden.

Socialstyrelsen,1928 Towards a New Social Work Howard Jones,2023-07-21 In the 1970s social work in Britain was in crisis A process of self searching had begun stimulated by changes in the organization of social services departments by the growth of the radical movement in social work and by the emergence of new techniques in social work All this might have seemed a confusing and depressing prospect but Professor Howard Jones the editor of this collection of essays originally published in 1975 felt on the contrary that this new situation in social work presented an opportunity for a potentially rewarding debate He believed that the old unsatisfactory mould had been broken and that it was now possible for the first time for many years to look at the basic issues in social work without preconceptions The contributors to this book were all actively involved in the teaching and practice of social work at the time and they came together to initiate a debate on the leading issues of the day They were all concerned to find a right course for social work in this crucial period and among the topics they cover are social work training social workers and political action community participation and making use of research

Decolonizing Social Work Mel Gray,John Coates,Michael Yellow Bird,Tiani Hetherington,2016-05-13 Riding on the success of *Indigenous Social Work Around the World* this book provides case studies to further scholarship on

decolonization a major analytical and activist paradigm among many of the world's Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA

Basic Income Guarantee and Politics R. Caputo, 2012-08-06 This exciting and timely collection brings together international and national scholars and advocates to provide historical overviews of efforts to pass basic income guarantee legislation in their respective countries and or across regions of the globe

The Johns Hopkins University Studies in Historical and Political Science John Martin Vincent, 1902 *Working with Class* Daniel J. Walkowitz, 2003-07-11 Polls tell us that most Americans whether they earn 20 000 or 200 000 a year think of themselves as middle class As this phenomenon suggests middle class is a category whose definition is not necessarily self evident In this book historian Daniel Walkowitz approaches the question of what it means to be middle class from an innovative angle Focusing on the history of social workers who daily patrol the boundaries of class he examines the changed and contested meaning of the term over the last one hundred years Walkowitz uses the study of social workers to explore the interplay of race ethnicity and gender with class He examines the trade union movement within the mostly female field of social work and looks at how a paradigmatic conflict between blacks and Jews in New York City during the 1960s shaped late twentieth century social policy concerning work opportunity and entitlements In all this is a story about the ways race and gender divisions in American society have underlain the confusion about the identity and role of the middle class

Probation and Politics Maurice Vanstone, Philip Priestley, 2016-12-30 This book is a collection of essays by a unique group of authors about the political destruction of the probation service in England and Wales All of them are probation officers turned academics with a collective scholarly output that is both

prodigious and distinguished They address the history of probation its underlying values and working methods and the way it has been systematically dismantled by successive political administrations The book offers essential reading for those interested in broadening their understanding of the probation service and its vital role in rehabilitation In addition it makes a compelling case for the reinstatement of an evidence based probation service as the primary criminal justice agency concerned with helping people who come before the courts to become contributing citizens A lively and engrossing read it is destined to be invaluable to policy makers social science theorists and commentators as well as scholars of criminology and the justice system and all those who work in it

Getting the books **Politics And Social Work** now is not type of inspiring means. Politics And Social Work Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics And Social Work has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics And Social Work has opened up a world of possibilities. Downloading Politics And Social Work provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics And Social Work has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics And Social Work. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics And Social Work. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics And Social Work, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics And Social Work has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics And Social Work Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics And Social Work is one of the best book in our library for free trial. We provide copy of Politics And Social Work in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics And Social Work. Where to download Politics And Social Work online for free? Are you looking for Politics And Social Work PDF? This is definitely going to save you time and cash in something you should think about.
