Politics Of Literary Theory And Representation:

The Politics of Literary Theory, and Representation Pankaj K. Singh, Jaidev, 2003 Planned As A Tribute To The Memory Of Jaidev The Volume Includes Some Unpublished Essays By Him Interrogation Of Hegemonic Discourses Literary And Theoretical Remains A Central Concern In The Volume Other Contributors Are Mahasweta Devi Bhisham Sahni Ayyappa Paniker Meenakshi Mukherjee Arun Mukherjee Suzette Henke Jasbir Jain Bhim S Dahiya Amiya Dev Harish Narang E V Ramakrishnan And T S Gill **Encyclopedia of Feminist Literary Theory** Elizabeth Kowaleski Wallace, 2009-03-23 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company Hindi Dalit Literature and the Politics of Representation Sarah Beth Hunt, 2014-08-07 This study explores how Dalits in north India have used literature as a means of protest against caste oppression Including fresh ethnographic research and interviews it traces the trajectory of modern Dalit writing in Hindi and its pivotal role in the creation rise and reinforcement of a distinctive Dalit identity The book challenges the existing impression of Hindi Dalit literature as stemming from the Dalit political assertion of the 1980s and as being chiefly imitative of the Marathi Dalit literature model Arguing that Hindi Dalit literature has a much longer history in north India it examines two differing strands that have taken root in Dalit expression the early popular production of smaller literary pamphlets and journals at the beginning of the 20th century and more contemporary modes such as autobiographies short stories and literary criticism The author highlights the ways in which such various forms of literary works have supported the proliferation of an all encompassing identity for the so called untouchable castes She also underscores how these have contributed to their evolving political consciousness and consolidation of newer heterogeneous identities making a departure from their long perceived image The work will be important for those in Dalit studies subaltern history Hindi literature postcolonial studies political science and sociology as well as the informed general reader A Reader's Guide to Contemporary Literary Theory Raman Selden, 1993-06-08 Unsurpassed as a text for upper division and beginning graduate students Raman Selden s classic text is the liveliest most readable and most reliable guide to contemporary literary theory Includes applications of theory cross referenced to Selden s companion volume Practicing Theory and Reading Literature

Black Folklore and the Politics of Racial Representation Shirley Moody-Turner, 2013-10-17 An examination of how nineteenth century African American folklore studies became a site of national debate **Politics, Literature and Tertium Datur** Ivana Perica, 2025-08-21 Offers an alternate framing of the literary and political afterlives of revolution between 1928 1968 in Eastern and Western Europe Politics Literature and Tertium Datur combines the transfer of ideas between historical turning points with a comparative reading of political literatures in the European East and West to address the disparity between the abundance of scholarly accounts of 1968 and the simultaneous forgetting of developments in the interwar period that peaked around 1928 It deepens scholarly awareness of the transnational spaces of interwar literature and explores their afterlives in the post World War II period The book troubles and corrects Western European theories of 1968 by tracing the

post war afterlives of shared interwar experiences that point towards a socialist third way or Georg Lukács tertium datur and thus out of the conventionally understood East West binary It testifies to the existence of a literature that throughout the last century self consciously oscillated between the exigencies of organized politics and the aesthetic task of helping to shape the humanity of tomorrow Examining case studies of works by Bertolt Brecht Ivan Olbracht and August Cesarec among others Politics Literature and Tertium Datur excavates a series of problems optics and styles characteristic of the forgotten episodes of 20th century literary history It shows that the proverbial Iron Curtain was not impenetrable and that the walls and borders erected in the post war period could not completely suppress the reverberations and revival of projects that flourished in the political literary metropolises of the interwar period

Literary and Visual Representations of HIV/AIDS Aimee

Pozorski, Jennifer J. Lavoie, Christine J. Cynn, 2019-11-06 Literary and Visual Representations of HIV AIDS Forty Years Later depicts how film and literature about the HIV AIDS crisis expand upon the issues generated by the epidemic This collection fills an important gap in the scholarship on HIV AIDS by bringing together essays by both established and junior scholars on visual and literary representations of HIV AIDS Almost forty years after the first reported cases of what would later be defined as AIDS this book looks back across the decades at works of literature and film to discuss how the representation of HIV AIDS has shifted in media This book argues that literature constitutes a very powerful response to AIDS that ripples into film and politics driving the changes in past and contemporary representations of HIV AIDS The book also expands discussion of the issues generated and amplified by the epidemic to consider how HIV AIDS has been portrayed in the United States Western and Southern Africa Western Europe and East Asia

The Tragedy of European Civilization Harry

Redner, 2017-09-08 The tragedy of European civilization is a protracted historical event spanning the twentieth century and in many ways is ongoing During this time some of the greatest modern thinkers were active producing works that both reflected what was happening in history and contributed towards shaping it This work is a critique of their ideas Harry Redner establishes where and how they went wrong in some cases with apocalyptic consequences for Europe and the world The great intellectuals of the age at once philosophers sociologists political theorists historians and much else besides include Marx Weber Freud Elias Spengler Wittgenstein Heidegger Arendt Nietzsche and Foucault All of them had a historical impact even if only in molding academic disciplines and shaping of public opinion as was the case with the philosophers Wittgenstein and Arendt This book explores the close links between anti Semitism and cultural pessimism and the relation between psychology and sociology Other themes range from the history and theory of the state to the misconception of language and power Suitable for students of sociology philosophy political theory history and cultural studies this brilliant exploration of our civilization and its tragedies will also be of interest to intellectual general readers

Literary Theory and Criticism in the Later Middle Ages Ardis Butterfield, Ian Johnson, Andrew Kraebel, 2023-04-20 This collection makes a new profound and far reaching intervention into the rich yet little explored terrain between Latin scholastic theory and vernacular

literature Written by a multidisciplinary team of leading international authors the chapters honour and advance Alastair Minnis's field defining scholarship A wealth of expert essays refract the nuances of theory through the medium of authoritative Latin and vernacular medieval texts providing fresh interpretative treatment to known canonical works while also bringing unknown materials to light

The Politics of Aesthetics Marc Redfield, 2003 This book suggests that modern cultural and critical institutions have persistently associated questions of aesthetics and politics with literature theory technics and Romanticism Its first section examines aesthetic nationalism and the figure of the body focusing on writings by Benedict Anderson J G Fichte and Matthew Arnold and arguing that uneasy acts of aestheticization of media technology and abjection of the maternal body undergird the production of the national body as imagined community Subsequent chapters on Paul de Man Friedrich Schlegel and Percy Shelley explore the career of the gendered body in the aesthetic tradition and the relationship among aesthetics technics politics and figurative language The author accounts for the hysteria that has characterized media representations of theory explains why and how Romanticism has remained a locus of extravagant political hopes and anxieties and in a sequence of close readings uncovers the anaesthetic condition of possibility of the politics of aesthetics

Globalization, Cultural Identities, and Media Representations Natascha Gentz, Stefan Kramer, 2012-02-01 Globalization Cultural Identities and Media Representations provides a multidirectional approach for understanding the role of media in constructing cultural identities in a newly globalized media environment The contributors cover a wide range of topics from different geopolitical areas historical periods and media genres Case studies examined include the shift from print to Internet local representations of modern world cinema and global television narrative strategies in transnational literature and cultural economics of the

mediation of world music in India China Algeria Israel Europe and the United States This case study approach allows for deeper insights into the complexity of each cultural subsystem as part of the whole media culture system This book exemplifies a transcultural and transdisciplinary dialogue that maps out new relocalized territories and borders for mediated cultural identities and also reveals the complexity and connectedness of all of these discourses [Critical Theory Today](#) Lois Tyson,2014-10-10 This thoroughly updated third edition of Critical Theory Today offers an accessible introduction to contemporary critical theory providing in depth coverage of the most common approaches to literary analysis today including feminism psychoanalysis Marxism reader response theory New Criticism structuralism and semiotics deconstruction new historicism and cultural criticism lesbian gay and queer theory African American criticism and postcolonial criticism This new edition features a major expansion of the chapter on postcolonial criticism that includes topics such as Nordicism globalization and the end of postcolonial theory global tourism and global conservation an extended explanation of each theory using examples from everyday life popular culture and literary texts a list of specific questions critics ask about literary texts an interpretation of F Scott Fitzgerald s The Great Gatsby through the lens of each theory a list of questions for further practice to guide readers in applying each theory to different literary works updated and expanded bibliographies Both engaging and rigorous this is a how to book for undergraduate and graduate students new to critical theory and for college professors who want to broaden their repertoire of critical approaches to literature **Critical Theory and Film** Fabio Vighi,2012-05-03 Critical Theory and Film brings together critical theory and film to enhance the critical potential of both The book focuses on the Frankfurt School most notably the works of Adorno and Horkheimer as well as associated thinkers It seeks to demonstrate that cinema can help critical theory repoliticize culture and society and affirm the theoretical and political impact of cinematic knowledge After discussing how the Frankfurt School saw cinema as an instrument of capitalism use to promote the cultural and political regimentation of the masses Vighi then proceeds to demonstrate that critical theory can in fact suggest a different verdict on the progressive potential of cinema Each chapter focuses on a key critical theory concept that is explained and redefined through film analysis to unravel the hidden presuppositions and most radical consequences of critical theory A unique contribution to the literature this volume in the Critical Theory and Contemporary Society series offer an innovative reading of film as a critical tool drawing on the latest developments in Lacanian theory **Crosspaths in Literary Theory and Criticism** Gregory L. Lucente,1997 This book traces several of the most recent trends in both the Italian and the American critical traditions exploring the points at which the two traditions intersect or for specific reasons fail to intersect [Encyclopedia of Contemporary Literary Theory](#) Irene Rima Makaryk,1993-01-01 The last half of the twentieth century has seen the emergence of literary theory as a new discipline As with any body of scholarship various schools of thought exist and sometimes conflict within it I R Makaryk has compiled a welcome guide to the field Accessible and jargon free the Encyclopedia of Contemporary Literary Theory provides

lucid concise explanations of myriad approaches to literature that have arisen over the past forty years. Some 170 scholars from around the world have contributed their expertise to this volume. Their work is organized into three parts. In Part I, forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose. The essays also discuss the uses and limitations of the various schools and the key issues they address. Part II focuses on individual theorists. It provides a more detailed picture of the network of scholars, not always easily pigeonholed into the categories of Part I. This second section analyses the individual achievements as well as the influence of specific scholars and places them in a larger critical context. Part III deals with the vocabulary of literary theory. It identifies significant complex terms, places them in context, and explains their origins and use. Accessibility is a key feature of the work. By avoiding jargon, providing mini bibliographies, and cross referencing throughout, Makaryk has provided an indispensable tool for literary theorists and historians, and for all scholars and students of contemporary criticism and culture.

Ideological Messaging and the Role of Political Literature Çakırtaş, Önder, 2017-03-20. There are many avenues for displaying political agendas, with a prominent one being literature. Through literature, the voices of political parties and ideals can enlighten those in the present and can even be preserved for centuries to come. *Ideological Messaging and the Role of Political Literature* provides a detailed study of how contemporary political messages are portrayed and interpreted via the written word. Featuring relevant coverage on topics such as literary production, women in politics, identity, and travel politics, this publication is an in-depth analysis that is suitable for academicians, students, professionals, and researchers that are interested in discovering more about political messages and their effects on society.

Topicality and Representation Hammood Khalid Obaid, 2013-12-12. This book focuses on the importance of topical reading in understanding Islamic figures and themes and applies this approach to two landmark Elizabethan plays: George Peele's *Battle of Alcazar* and William Percy's *Mahomet and his Heaven*. The former is the first English play to present a Moor as a major character, while the latter is the first English play to be based on Quranic material and feature the Prophet of Islam as a major character. In both plays, the book argues, topical concerns played a major role in the formation of Islamic characters and themes, rendering the term 'representation' highly debatable. The book also briefly covers other Elizabethan plays that contained Islamic elements, such as Shakespeare's *Titus Andronicus* and *The Merchant of Venice*, and Marlowe's *Tamburlaine* and *Doctor Faustus*. Topical issues covered in the work include British-Muslim relations, the Spanish Armada, Elizabethan patriotism in literature, Catholic-Protestant tensions in the late 16th century, the gynaeocracy debate, and Elizabethan alchemy and magic.

The Ethics of Latin American Literary Criticism E. Zivin, 2007-08-20. This volume looks at the shifting role of aesthetics in Latin American literature and literary studies, focusing on the concept of ethical responsibility within these practices. The contributing authors examine the act of reading in its new globalized context of postcolonial theory and gender and performance studies.
