Gilmore, Bryant Simon**

Politics Of Provincialism The Democratic Party In Transition 1918 1932:

The Politics of Provincialism David Burner, 1975 **Jumpin' Jim Crow** Jane Dailey, Glenda Elizabeth Gilmore, Bryant Simon, 2000-10-29 A collection of essays discussing politics in the south from the Civil War to the 1960s civil rights movement Focuses on specific people places and laws of the era **The United States in World War I** James T.

Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich's bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich's bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates photos maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American history

America's Three Regimes Morton Keller, 2009-03-11 Hailed in *The New York Times Book Review* as the single best book written in recent years on the sweep of American political history this groundbreaking work divides our nation's history into three regimes each of which lasts many many decades allowing us to appreciate as never before the slow steady evolution of American politics government and law The three regimes which mark longer periods of continuity than traditional eras reflect are Deferential and Republican from the colonial period to the 1820s Party and Democratic from the 1830s to the 1930s and Populist and Bureaucratic from the 1930s to the present Praised by *The Economist* as a feast to enjoy and by *Foreign Affairs* as a masterful and fresh account of U S politics here is a major contribution to the history of the United States an entirely new way to look at our past our present and our future packed with provocative and original observations about American public life *Guide to U.S. Elections* Deborah Kalb, 2015-12-24 *The CQ Press Guide to U S Elections* is a comprehensive two volume reference providing information on the U S electoral process in depth analysis on specific political eras and issues and everything in between Thoroughly revised and infused with new data analysis and discussion of issues relating to elections through 2014 the Guide will include chapters on Analysis of the campaigns for presidency from the primaries through the general election Data on the candidates winners losers and election returns Details on congressional and gubernatorial contests supplemented with vast historical data Key Features include Tables boxes and figures interspersed throughout each chapter Data on campaigns election methods and results Complete lists of

House and Senate leaders Links to election related websites A guide to party abbreviations *Discontented America* David J. Goldberg, 1999-02-08 from the foreword by Stanley I Kutler *Voices of Protest* Alan Brinkley, 1983-08-12 The study of two great demagogues in American history Huey P Long a first term United States Senator from the red clay piney woods country of northern Louisiana and Charles E Coughlin a Catholic priest from an industrial suburb near Detroit Award winning historian Alan Brinkley describes their modest origins and their parallel rise together in the early years of the Great Depression to become the two most successful leaders of national political dissidence of their era Winner of the American Book Award for History *The Best Candidate* Eugene D. Mazo, Michael R. Dimino, 2020-09-17 Leading scholars examine the law governing the American presidential nomination process and offer practical ideas for reform [Liberalism and Its Discontents](#) Alan Brinkley, 2000-04-14 Considering the role of alternate political traditions in liberalism's downfall *Liberalism and its Discontents* shows how historical interpretation has been a reflection of liberal assumptions *Attack Politics* Emmett H. Buell Jr., Lee Sigelman, 2009-09-01 This second edition of *Attack Politics* updates Emmett Buell and Lee Sigelman's highly regarded study of negativity in presidential campaigns since 1960 with a substantial new chapter on the 2008 contest between Barack Obama and John McCain That campaign the authors contend proved to be the least negative in the last half century and reinforces their central argument that these campaigns have actually not grown dirtier and more negative since the election of JFK In this new edition Buell and Sigelman address the same questions that guided their research in the original book Who attacked whom How frequently On what issues In what ways And at what point in the race They also update their analysis of whether presidential campaigns have gotten more negative since 1960 whether opposing sides addressed the same issues or avoided subjects owned by the other side and whether trailing candidates wage more negative campaigns than leading candidates The authors expand their analysis well beyond their original research base 17 000 campaign statements extracted from nearly 11 000 news items in the New York Times focusing on both presidential and vice presidential nominees as sources and targets of attacks and examining the actions of surrogate campaigners They also compare their findings with previously published accounts of these campaigns including firsthand accounts by candidates and their confidants Each chapter features echoes from the campaign trail that reflect the invective exchanged by rival campaigns Their new chapter shows that rather than neatly resembling either of their typology's extremes runaways or dead heats the 2008 race began as a dead heat in late summer but began to take on all the characteristics of a somewhat competitive affair by the end of September Campaign discourse that began with an anticipated focus on the Iraq War and other national security issues came to be dominated by concerns about the economic meltdown As the campaign headed toward the home stretch anxiety about the economy seemed to eclipse national security health care immigration and other concerns This shift of emphasis they argue doomed whatever chance McCain had of winning Like the first edition this update of *Attack Politics* systematically analyzes negative campaigning pinning down much that has previously been speculated on

but left unsubstantiated It offers the best overview yet of modern presidential races and remains must reading for anyone interested in the vagaries of those campaigns

Politics and Political Change Robert I. Rotberg, 2001 This collection shows how the study of past politics can be deepened by theory and practice from political science sociology and economics and how the application of quantitative methods to received assumptions can expand our understanding of all political history

Social Contracts Under Stress Olivier Zunz, Leonard Schoppa, Nobuhiro Hiwatari, 2002-03-14 The years following World War II saw a huge expansion of the middle classes in the world's industrialized nations with a significant part of the working class becoming absorbed into the middle class Although never explicitly formalized it was as though a new social contract called for government business and labor to work together to ensure greater political freedom and more broadly shared economic prosperity For the most part they succeeded In *Social Contracts Under Stress* eighteen experts from seven countries examine this historic transformation and look ahead to assess how the middle class might fare in the face of slowing economic growth and increasing globalization The first section of the book focuses on the differing experiences of Germany Britain France the United States and Japan as they became middle class societies The British working classes for example were slowest to consider themselves middle class while in Japan by the 1960s most workers had abandoned working class identity The French remain more fragmented among various middle classes and resist one homogenous entity Part II presents compelling evidence that the rise of a huge middle class was far from inclusive or free of social friction Some contributors discuss how the social contract reinforced long standing prejudices toward minorities and women In the United States Ira Katznelson writes Southern politicians used measures that should have promoted equality such as the GI bill to exclude blacks from full access to opportunity In her review of gender and family models Chiara Saraceno finds that Mediterranean countries have mobilized the power of the state to maintain a division of labor between men and women The final section examines what effect globalization might have on the middle class Leonard Schoppa's careful analysis of the relevant data shows how globalization has pushed less skilled workers down and more skilled workers up out of a middle class that had for a few decades been home to both Although Europe has resisted the rise of inequality more effectively than the United States or Japan several contributors wonder how long that resistance can last *Social Contracts Under Stress* argues convincingly that keeping the middle class open and inclusive in the face of current economic pressures will require a collective will extending across countries This book provides an invaluable guide for assessing the issues that must be considered in such an effort

The Literature of the Ozarks Phillip Douglas Howerton, 2019 This book surveys two centuries of Ozarks literature from an Osage creation story to contemporary poetry and fiction This anthology presents writings from more than forty authors and connects these works to major literary movements while exploring their regional themes and their contributions to the social construction of the Ozarks

The South in Modern America Dewey W. Grantham, 2001-07-01 *The South in Modern America* is a lively and illuminating account of the Southern experience since the

end of Reconstruction In the twentieth century as in the nineteenth the South has been the region most sharply at odds with the rest of the nation No other part of the country has as clear cut a sectional image The interplay between the South the North and the rest of the nation represents a rich and instructive part of the United States history illustrating much of the nation s conflict and tension the way it has tried to reconcile divergent issues and its struggles to realize its historical ideals In this new treatment of modern Southern history Dewey W Grantham illuminates the features that make the South a distinctive region while clarifying how it has converged socially and politically with the rest of the country during this century

Fiorello La Guardia Ronald H. Bayor,2017-07-11 Fiorello La Guardia was an ambitious man who wanted great success for himself but he also wanted to advocate on behalf of the poor and forgotten Through hard work and perseverance he managed to achieve both This work examines the life of the man who not only became one of New York s greatest and most renowned mayors but who brought about some of the most important changes in the history of the city This thoroughly revised second edition of Fiorello La Guardia Ethnicity Reform and Urban Development looks at the many events of the popular mayor s life his early beginnings as a politician the events surrounding his life and city his multiple terms as New York City s Mayor his personal and professional disappointments and his ultimate place in history It also examines the broader subject of cities during times of stress the ability of mayors to enhance urban life and the origins of federal aid to cities Connects the New York and urban story to that of the nation and to the subfields of Progressivism the Depression the New Deal and World War II Contains 16 new images of La Guardia his contemporaries and city shots spaced throughout the text Offers a timeline of principal dates in La Guardia s life keyed to significant events in the city s state s and nation s history Includes key terms and study questions for each chapter Features a completely updated bibliographical essay Comprehensive yet highly accessible Fiorello La Guardia Ethnicity Reform and Urban Development Second Edition makes ideal supplementary reading for survey courses in the history of New York or New York City as well as for general American History courses *A Century of Votes for Women* Christina Wolbrecht,J. Kevin Corder,2020-01-30 How have American women voted in the first 100 years since the ratification of the Nineteenth Amendment How have popular understandings of women as voters both persisted and changed over time In *A Century of Votes for Women* Christina Wolbrecht and J Kevin Corder offer an unprecedented account of women voters in American politics over the last ten decades Bringing together new and existing data the book provides unique insight into women s and men s voting behavior and traces how women s turnout and vote choice evolved across a century of enormous transformation overall and for women in particular Wolbrecht and Corder show that there is no such thing as the woman voter instead they reveal considerable variation in how different groups of women voted in response to changing political social and economic realities The book also demonstrates how assumptions about women as voters influenced politicians the press and scholars **The Democrats in Turmoil** Bradley C. Nahrstadt,2025-06-26 Recounting the Democratic National Conventions in 1896 1904 1912 1920 and 1924 this book details the bitter inner party struggles that

almost always led to Democratic losses in the fall The Democrats couldn't win an election around the turn of the 20th century not because they couldn't find good candidates but because of the infighting and bitter nomination battles that took place prior to and during their national conventions With the exception of 1912 when Woodrow Wilson won the presidency because of the rift between Theodore Roosevelt and William Howard Taft and 1916 when Wilson barely won reelection the Democrats lost six of the eight presidential elections that took place between 1896 and 1924 In 1896 1904 1920 and 1924 that loss was directly attributable to the bruising convention fights that preceded the November general election This book tells the story of each of these contentious conventions the issues facing the country heading into the conventions and the general election the background and personalities of the men who fought for the nomination and the tumultuous rivalries among Democratic factions in the face of the Republicans relative unity

Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash James Ciment, 2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating and widely studied periods in American history Extending from the end of World War I in 1918 to the great Wall Street crash in 1929 the Jazz age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture Encyclopedia of the Jazz Age provides information on the politics economics society and culture of the era in rich detail The entries cover themes personalities institutions ideas events trends and more and special features such as sidebars and photos help bring the era vividly to life

1968 Annual Supplement John B. Simeone, Alfred de Grazia, Carl E. Martinson, 2013-12-01

Revival: Why is there no Socialism in the United States? (1976) W Sombart, 2017-07-28 Why is the United States the only advanced capitalist country with no labor party This question is one of the great enduring puzzles of American political development and it lies at the heart of a fundamental debate about the nature of American society Tackling this debate head on Robin Archer puts forward a new explanation for why there is no American labor party an explanation that suggests that much of the conventional wisdom about American exceptionalism is untenable Conventional explanations rely on comparison with Europe Archer challenges these explanations by comparing the United States with its most similar New World counterpart Australia This comparison is particularly revealing not only because the United States and Australia share many fundamental historical political and social characteristics but also because Australian unions established a labor party in the late nineteenth century just when American unions against a common backdrop of industrial defeat and depression came closest to doing something similar Archer examines each of the factors that could help explain the American outcome and his systematic comparison yields unexpected conclusions He argues that prosperity democracy liberalism and racial hostility often promoted the very changes they are said to have obstructed And he shows that it was not these characteristics that left the United States without a labor party but rather the powerful impact of repression religion and political sectarianism

Politics Of Provincialism The Democratic Party In Transition 1918 1932 Introduction

In today's digital age, the availability of Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Politics Of Provincialism The Democratic Party In Transition 1918 1932 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics Of Provincialism The Democratic Party In Transition 1918 1932 books and manuals for download and embark on your journey of knowledge?
