Politics Of State Courts

Helena Silverstein

Politics Of State Courts:

Supreme Court State Politics Henry R. Glick, 1971-01-25 Conceptual blending say Fauconnier cognitive science U of California San Diego and Turner behavioral sciences U of Maryland is a great mental capacity that in its most advanced double scope form gave human ancestors superiority and allowed them to develop art science religion culture sophisticated tools and language They investigate its principles dynamics and role in human life Annotation copyrighted by Book News Inc Portland OR

The Politics of State Courts Harry P. Stumpf, John H. Culver, 1992 This text examines the American judicial process at the state and local levels and explains the effects of federalism on our legal system

The Judicial Branch of State Government Sean O. Hogan, 2006-08-23 Part of ABC CLIO's groundbreaking About State Government set this volume is the first comprehensive resource to focus exclusively on judicial politics at the state level covering all 50 states and demonstrating the profound influence state courts have on American life The Judicial Branch of State Government People Process and Politics reveals the workings of a network of courts that generate tremendous legal activity and yet have not previously been the focus of a comprehensive in depth reference Beginning with the origins of American law this volume examines the many different types of state court cases legal decision making processes court administration procedures and personnel and political issues such as judicial selection and funding A concluding section summarizes the structure and mechanisms of the court systems of each of the 50 states Filling a major reference need the titles in ABC CLIO's About State Government set offer comprehensive coverage of contemporary American politics at the state level Each of the three volumes focuses on a specific governmental branch providing both general information and comparative details of how that branch operates in each state

Judging Law and Policy Robert M. Howard, Amy Steigerwalt, 2012-03-22 To what extent do courts make social and public policy and influence policy change This innovative text analyzes this question generally and in seven distinct policy areas that play out in both federal and state courts tax policy environmental policy reproductive rights sex equality affirmative action school finance and same sex marriage The authors address these issues through the twin lenses of how state and federal courts must and do interact with the other branches of government and whether judicial policy making is a form of activist judging Each chapter uncovers the policymaking aspects of judicial process by investigating the current state of the law the extent of court involvement in policy change the responses of other governmental entities and outside actors and the factors which influenced the degree of implementation and impact of the relevant court decisions Throughout the book Howard and Steigerwalt examine and analyze the literature on judicial policy making as well as evaluate existing measures of judicial ideology judicial activism court and legal policy formation policy change and policy impact This unique text offers new insights and areas to research in this important field of American politics

Political Control of America's Courts Helena Silverstein, 2023-01-18 This volume explores the many ways in which politics shapes the allegedly nonpartisan judicial system in America ranging from how judges are selected to the bench to how they rule when they get there Each title

in the Contemporary Debates series examines the veracity of controversial claims or beliefs surrounding a major political cultural issue in the United States Each book gives readers a clear and unbiased understanding of current high interest issues by informing them about falsehoods half truths and misconceptions and confirming the factual validity of other assertions that have gained traction in America s cultural and political discourse This volume in the series provides a deeply researched and even handed account of the relationship between America s judicial branch which is supposed to view law through a nonpartisan lens and the sometimes poisonous partisanship that is such a notorious factor in the nation s other two branches of government Is political combat over judicial nominations worse than ever before What impact is the politicization of the courts having on public faith in the legitimacy of the courts and our wider political system Was former Supreme Court justice Sandra Day O'Connor right when she asserted that judicial independence is a bedrock principle of our court system and we are losing it This work will provide insights into all these questions and more

Courts, Law, and Politics in Comparative Perspective Herbert Jacob, Erhard Blankenburg, Herbert M. Kritzer, Doris Marie Provine, Joseph Sanders, 1996-01-01 This comprehensive book compares the intersection of political forces and legal practices in five industrial nations the United States England France Germany and Japan The authors eminent political scientists and legal scholars investigate how constitutional courts function in each country how the adjudication of criminal justice and the processing of civil disputes connect legal systems to politics and how both ordinary citizens and large corporations use the courts For each of the five countries the authors discuss the structure of courts and access to them the manner in which politics and law are differentiated or amalgamated whether judicial posts are political prizes or bureaucratic positions the ways in which courts are perceived as legitimate forms for addressing political conflicts the degree of legal consciousness among citizens the kinds of work lawyers do and the manner in which law and courts are used as social control mechanisms The authors find that although the extent to which courts participate in policymaking varies dramatically from country to country judicial responsiveness to perceived public problems is not a uniquely American phenomenon

Creating the Law Michael K. Romano, Todd A. Curry, 2019-08-30 Written opinions are the primary means by which judges communicate with external actors These sentiments include the parties to the case itself but also more broadly journalists public officials lawyers other judges and increasingly the mass public In Creating the Law Michael K Romano and Todd A Curry examine the extent to which judges tailor their language in order to avoid retribution during their retention and how institutional variations involving intra chamber dynamics may influence the written word of a legal opinion Using an extensive dataset that includes the text of all death penalty and education decisions issued by state supreme courts from 1995 2010 Romano and Curry are the first to examine the connection between retention incentives and language choices They utilize text analysis techniques developed in the field of communications and apply them to the text of judicial decisions In doing so they find that judges write with their audience in mind and emphasize duelling strategies of justification and persuasion in order to please diverse

audiences that may be paying attention Furthermore the process of drafting a majority opinion is a team exercise and when more individuals are involved in its crafting the product will reflect this complexity This book gives students the tools for understanding how institutional variation affects judicial outcomes and shows how language relates to decision making in the judiciary more specifically American Judicial Power Michael Buenger, Paul J. De Muniz, 2015-11-27 American Judicial Power The State Court Perspective is a welcome addition to the breadth of studies on the American legal system and provides an accessible and highly illuminating overview of the state courts and their functions The study of America's courts is overwhelmingly skewed toward the federal government and therefore often overlooks state courts and their importance Michael Buenger and Paul De Muniz fill this gap in the study of American constitutionalism as they examine the wide and distinctive powers these courts exercise and their role in administering the bulk of the nation's justice system This groundbreaking work covers many critical topics pertaining to the state courts including a comparison of the role of state and federal courts the history of America's state courts the judicial selection processes utilized in the states the unique roles assigned to state courts and the varying structure of those courts the relationship between state judicial power and state legislative power and the opportunities and challenges that are and will be facing the state courts With an insightful foreword from Sanford Levinson this revolutionary book will be of interest to students educators and researchers in the fields of law political science and government Constitutional law experts will also benefit from an analysis of the state courts and their powers

US Supreme Court Doctrine in the State High Courts Michael P. Fix, Benjamin J. Kassow, 2020-08-20 US Supreme Court Doctrine in the State High Courts challenges theoretical and empirical accounts about how state high courts use US Supreme Court doctrine and precedent Michael Fix and Benjamin Kassow argue that theories that do not account for the full range of ways in which state high courts can act are by definition incomplete Examining three important precedents *Atkins v Virginia* *Lemon v Kurtzman* and *DC v Heller* McDonald v Chicago Fix and Kassow find that state high courts commonly ignore Supreme Court precedent for reasons of political ideology path dependence and fact patterns in cases that may be of varying similarity to those found in relevant US Supreme Court doctrine This work which provides an important addition to the scholarly literature on the impact of Supreme Court decisions should be read by anyone interested in law and politics or traditional approaches to the study of legal decision making

Race, Gender, Sexuality, and the Politics of the American Judiciary Samantha L. Hernandez, Sharon A. Navarro, 2018-11-29 Makes a significant contribution to substantive representation and examines the various political identities of justices in the American political system

The Political Role of Law Courts in Modern Democracies Jerold Waltman, Kenneth M. Holland, 1988-02-23 No society can function without judicial institutions At a minimum conflict must be regulated and the criminal law enforced Ironically though modern political science has tended to ignore the role of courts in advanced industrial societies so much so that even basic information has often been unavailable This book covers three important bases First it provides for the first time up to date

material about the court systems their structures their personnel their jurisdictions of the major democratic nations Second it places the courts in their political context eschewing legalism and stressing their linkages with other institutions and their role in the policy process Third there is an attempt to assess the direction of contemporary change especially how it relates to broader themes of other types of political change

Removing Politics from the Administration of Justice United States. Congress. Senate. Committee on the Judiciary,1974

Supreme Court Cases on Political Representation, 1787-2001 Christopher A. Anzalone,2016-07-08 This book includes every Supreme Court case relevant to elections and political representation from the Court s beginnings to 2001 including the 2001 decision in Cook v Gralike that limited citizens rights to instruct Federal representatives It is a primary document reference book organized topically in sixteen chapters Every case is included either as a full edited opinion extensive excerpts of the opinion or a detailed description of the case As with the companion volume on gender and sexual equality using this single volume a researcher can see how American legal history on the topic played out in its entirety A Table of Cases relevant Federal statutes and an extensive bibliography further enhance the volume s usefulness

The Political Question Doctrine and the Supreme Court of the United States Nada Mourtada-Sabbah,Bruce E. Cain,2007-01-01 Historically the political question doctrine has held the courts from resolving constitutional issues that are better left to other departments of government as a way of maintaining the system of checks and balances However this book discusses the gradual changes in the parameters of the doctrine including its current position dealing with increasingly extraterritorial concerns

Cracking the AP U. S. Government and Politics Exam 2016, Premium Edition Princeton Review (Firm),2015-11-10 Everything you need to help score A perfect equip yourself to ace the AP U S government politics exam with The Princeton Review s comprehensive study guide including thorough content reviews targeted strategies for every questions and practice tests with complete answer explanations

Dred Scott and the Dangers of a Political Court Ethan Greenberg,2010-08-01 Dred Scott exemplifies neither originalism nor aspirationalism gone wrong as many modern critics now argue Rather the Dred Scott Court erred chiefly because the majority gave in to the still relevant temptation to subordinate honest legal reasoning to the pursuit of what the majority regarded as a noble and crucial political agenda_in this case to protect slavery and the political power of the slave holding South and thereby preserve the Union

Political Science Rohan Bhattacharya,2025-02-20 Political Science Modern Approaches offers a comprehensive and accessible exploration of political science We provide a thorough examination of key concepts theories and issues shaping contemporary politics on a global scale With a focus on relevance and applicability we delve into various aspects of political science ranging from governance and democracy to international relations and social justice Through engaging narratives case studies and real world examples readers gain insights into the workings of political systems the dynamics of power and the challenges facing societies in the 21st century Our interdisciplinary approach draws from diverse fields such as sociology economics and history offering a holistic understanding of political phenomena By

integrating these perspectives we highlight the interconnectedness of social economic and cultural factors in shaping political outcomes This lens enables readers to grasp the complexities of contemporary political issues from globalization and environmental sustainability to technological advancements and social movements We place a strong emphasis on critical thinking and analytical skills empowering readers to evaluate political phenomena with a discerning eye Thought provoking questions debates and exercises encourage readers to engage critically with political theories ideologies and policies fostering a deeper understanding of political processes Addressing pressing issues such as globalization inequality and technological change we examine how political theories and concepts play out in practice By connecting theory to practice we demonstrate the relevance of political science in everyday life and the broader global context Our global perspective recognizes the diversity of political systems cultures and experiences across different regions and countries By exploring the rich tapestry of political practices and institutions worldwide we ensure readers gain a nuanced understanding of politics that transcends national boundaries

New York State Government Robert B. Ward,2006-12-07 An expanded and updated edition of the 2002 book that has become required reading for policymakers students and active citizens

The Politics of Precedent on the U.S. Supreme Court Thomas G. Hansford,James F. Spriggs II,2018-06-05 The Politics of Precedent on the U S Supreme Court offers an insightful and provocative analysis of the Supreme Court s most important task shaping the law Thomas Hansford and James Spriggs analyze a key aspect of legal change the Court s interpretation or treatment of the precedents it has set in the past Court decisions do not just resolve immediate disputes they also set broader precedent The meaning and scope of a precedent however can change significantly as the Court revisits it in future cases The authors contend that these interpretations are driven by an interaction between policy goals and variations in the legal authoritativeness of precedent From this premise they build an explanation of the legal interpretation of precedent that yields novel predictions about the nature and timing of legal change Hansford and Spriggs test their hypotheses by examining how the Court has interpreted the precedents it set between 1946 and 1999 This analysis provides compelling support for their argument and demonstrates that the justices ideological goals and the role of precedent are inextricably linked The two prevailing yet contradictory views of precedent that it acts either solely as a constraint or as a cloak that never actually influences the Court are incorrect This book shows that while precedent can operate as a constraint on the justices decisions it also represents an opportunity to foster preferred societal outcomes

Encyclopedia of U.S. Political History Andrew Whitmore Robertson,2010 Annotation st1 behavior url ieooui Unparalleled coverage of U S political development through a unique chronological frameworkEncyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With

greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

Politics Of State Courts Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Of State Courts has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Of State Courts has opened up a world of possibilities. Downloading Politics Of State Courts provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Of State Courts has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Of State Courts. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Of State Courts. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Of State Courts, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics Of State Courts has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics Of State Courts Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
