Politics Of War

Stephen J. Cimbala

Politics Of War:

The Politics of War Gabriel Kolko, 1968 **The Politics of War** Michael A. McDonnell, 2012-12-01 War often unites a society behind a common cause but the notion of diverse populations all rallying together to fight on the same side disguises the complex social forces that come into play in the midst of perceived unity Michael A McDonnell uses the Revolution in Virginia to examine the political and social struggles of a revolutionary society at war with itself as much as with Great Britain McDonnell documents the numerous contests within Virginia over mobilizing for war struggles between ordinary Virginians and patriot leaders between the lower and middle classes and between blacks and whites From these conflicts emerged a republican polity rife with racial and class tensions Looking at the Revolution in Virginia from the bottom up The Politics of War demonstrates how contests over waging war in turn shaped society and the emerging new political settlement With its insights into the mobilization of popular support the exposure of social rifts and the inversion of power relations McDonnell s analysis is relevant to any society at war **The Politics of War Commemoration in the UK and Russia** Nataliya Danilova, 2016-01-13 This book analyses contemporary war commemoration in Britain and Russia Focusing on the political aspects of remembrance it explores the instrumentalisation of memory for managing civil military relations and garnering public support for conflicts It explains the nexus between remembrance militarisation and nationalism in modern societies **The Politics of War Memory and Commemoration** T.G. Ashplant, Graham Dawson, Michael Roper, 2013-01-11 International in scope presents a range of case studies from a diverse range of national contexts War memory and commemoration has had an increasingly high profile in public and academic debates in recent years The Politics of Warfare Stephen J. Cimbala, 1997 The twentieth century is often described as a century of total war ranging from the two World Wars to countless civil wars and terrorist conflicts As the century draws to a close Stephen J Cimbala wonders how the nature of warfare has changed over the years His starting point is a simple observation by Carl von Clausewitz the great Prussian philosopher of war that wars are inseparable from politics The Politics of Warfare explores how Clausewitz stands up against the historic experience of our century and anticipates what we might expect as we enter the next Cimbala admits that wars are still political creatures but he argues that they are often politicized in ways that Clausewitz did not foresee Among the wars Cimbala singles out for study are the two World Wars the Cold War Vietnam and the Gulf War He considers the roles of intelligence special operations and military persuasion He draws mainly though not entirely on U S experience Overall The Politics of Warfare suggests that wars of the largest and smallest kind are the most subject to political and military distortion wars of intermediate scope and stake are more likely to be fought within a proper frame of civil and military reference Written by a seasoned observer of military strategy The Politics of Warfare questions many assumptions about the nature of war Cimbala s conclusions gain added significance in the confused terrain of our post Cold War world **War and the Politics of Ethics** Maja Zehfuss, 2018-02-02 Contemporary Western war is represented as

enacting the West's ability and responsibility to help make the world a better place for others in particular to protect them from oppression and serious human rights abuses That is war has become permissible again indeed even required as ethical war At the same time however Western war kills and destroys This creates a paradox Western war risks killing those it proposes to protect This book examines how we have responded to this dilemma and challenges the vision of ethical war itself exploring how the commitment to ethics shapes the practice of war and indeed how practices come in turn to shape what is considered ethical in war The book closely examines particular practices of warfare such as targeting the use of cultural knowledge and ethics training for soldiers What emerges is that instead of constraining violence the commitment to ethics enables and enhances it The book argues that the production of ethical war relies on an impossible but obscured separation between ethics and politics that is the problematic politics of ethics and reflects on the need to make decisions at the limit of ethics

The Politics of the First World War Scott Welford, 2019-02-21 This analytical history of World War I offers a rigorous yet accessible training in game theory and a survey of modern political science research

The Politics of War Memory in Japan Kamila Szczepanska, 2014-05-09 Since the 1990s questions of Japanese wartime conduct apologies for aggression and compensation to former victims of the country's imperial policies have been brought to the fore of national and regional politics The state is undoubtedly the most important actor in the process of memory production and along with conservative legislators and the grass root revisionist movement there has been a consistent trend towards denying or undermining the existing acknowledgments of responsibility for Japan's wartime past However to fully comprehend war memory in Japan due attention must be paid to competing discourses that demand an alternative view and only then can the complexity of Japanese war memory and attitudes towards the legacies of the Asia Pacific war be understood The Politics of War Memory in Japan examines the involvement of five civil society actors in the struggle over remembering and addressing the wartime past in Japan today In studying progressive war memory activists it quickly becomes clear that the apologia by conservative politicians cannot be treated as representative of the opinion of the majority of the Japanese public Indeed this book seeks to remedy the disparity between studies devoted to the official level of addressing the history issue and the grass root historical revisionist movement on the one side and progressive activism on the other Furthermore it contributes to scholarly debates on the state of civil society in Japan challenging the characterisation of Japanese civil society as a depoliticised space by demonstrating a more contentious side of civil society activism Drawing important new empirical research this book will be of huge interest to students and scholars of Japanese civil society Japanese politics Japanese history and memory in Japan

The Politics of Artists in War Zones Kit Messham-Muir, Uroš Cvorović, Monika Lukowska-Appel, 2023-12-14 What exactly is contemporary war art in the West today This book considers the place of contemporary war art in the 2020s a whole generation after 9/11 and long past the War on Terror Exploring the role contemporary art plays within conversations around war and imperialism the book brings together

chapters from international contemporary artists theorists and curators alongside the voices of contemporary war artists through original edited interviews It addresses newly emerged contexts in which war is found not only sites of contemporary conflicts such as Ukraine Yemen and Syria but everywhere in western culture from social media to culture wars With interviews from official war artists working in the UK the US and Australia such as eX de Medici Australia and David Cotterrell UK as well as those working in post colonial contexts such as Baptist Coelho India the editors reflect on contemporary processes of memorialisation and the impact of British colonisation in Australia India and its relation to historical conflicts It focuses on three overlapping themes firstly the role of memory and amnesia in colonial contexts secondly the complex role of official war art and thirdly questions of testimony and knowing in relation to alleged war crimes torture and genocide Richly illustrated and featuring three substantial interview chapters The Politics of Artists in War Zones is a hands on exploration of the complexities and challenges faced by war artists that contextualises the tensions between the contemporary art world and the portrayal of war It is essential reading for researchers of fine art curatorial studies museum studies conflict studies and photojournalism

War, Memory, and the Politics of Humor Allen Douglas, 2002-05-31 War Memory and the Politics of Humor features carnage and cannibalism gender and cross dressing drunks and heroes militarism and memory all set against the background of World War I France Allen Douglas shows how a new satiric weekly the Canard Enchaîné exploited these topics and others to become one of France's most influential voices of reaction to the Great War The Canard still published today is France's leading satiric newspaper and the most successful periodical of the twentieth century and Douglas colorfully illuminates the mechanisms of its unique style Following the Canard from its birth in 1915 to the eve of the Great Depression the narrative reveals a heady mix of word play word games and cartoons Over the years the journal generally leftist specifically antimilitarist and anti imperialist aimed its shots in all directions using some stereotypes the twenty first century might find unacceptable But Douglas calls its humor an affirmation of life and as such the most effective antidote to war

War, Communication, and the Politics of Culture in Early Modern Venice Anastasia Stouraiti, 2023-01-05 Weaving together cultural history and critical imperial studies this book shows how war and colonial expansion shaped seventeenth century Venetian culture and society Anastasia Stouraiti tests conventional assumptions about republicanism commercial peace and cross cultural exchange and offers a novel approach to the study of the Republic of Venice Her extensive research brings the history of communication in dialogue with conquest and empire building in the Mediterranean to provide an original interpretation of the politics of knowledge in wartime Venice The book argues that the Venetian Ottoman War of the Morea 1684 1699 was mediated through a diverse range of cultural mechanisms of patrician elite domination that orchestrated the production of popular consent It sheds new light on the militarisation of the Venetian public sphere and exposes the connections between bellicose foreign policies and domestic power politics in a state celebrated as the most serene republic of merchants

Re-Imagining a Politics of Life Leonie Ansems de Vries, 2014-10-30 The

prominence and variety of global movements of resistance indicates that the idea of politics as governance is contested. However, the political canon continues to reinforce a narrow definition of politics according to liberal principles and practices. This book develops a new theory of political life that includes and highlights the interconnectedness of forces of order, disorder, governance, resistance, violence, and difference. Using the concept of the milieu, both a mechanism of governance and a force of difference and transformation, this book stages an encounter between the modern political and international thought of Thomas Hobbes and Immanuel Kant and the contemporary philosophy of Michel Foucault and Gilles Deleuze. The writings of Foucault and Deleuze will serve to explore and contextualize the milieu and will function to highlight the complex mobility and relationality of notions of politics, life, governance, and resistance.

The Politics of War

Walter Karp, Mary-Ellen Ross, 1995-10-01 The Politics of Post-War Demobilisation and Reintegration in Nigeria Dr Olukunle Ojeleye, 2013-03-28 With an increasing international interest in post civil war demobilisation and reintegration especially in Africa, Ojeleye presents a well-timed body of knowledge on the Nigerian civil war. Moreover, this book provides an in-depth study of the modalities and processes of the demobilisation and reintegration exercises carried out at the end of the Nigerian civil war and assesses their implications for national politics in the West African nation. The author identifies the political, socio-economic, and cultural background to the Nigerian civil war and discusses the central theme of demobilisation, disarmament, and reintegration (DDR) in Nigeria against the backdrop of the country's post-war reconstruction, reconciliation, and rehabilitation exercises (the 3Rs). Though the central theme is Nigeria, it compares the demobilisation and reintegration exercise in Nigeria with other attempts in Sub-Saharan Africa by highlighting the important deviations and drawing some conclusions on the Nigerian experience. It also touches on issues relating to international involvement and intervention in civil wars and the roles of the African Union, the Commonwealth of Nations, and the United Nations.

The Politics of War and Peace Abbott A. Brayton, Stephana J. Landwehr, 1981 *Hunting and the Politics of Violence Before the English Civil War* Daniel C. Beaver, 2008-04-24

This book is a study of English forests and hunting in early modern England. *The Politics of Penance* Michael Griffin, 2016-08-02 Bless me, Father, for I have sinned, says the penitent to open the dialogue in Catholic confessionals across the globe and throughout the ages. Along with the priest's words, "For your penance, this encounter is an icon of Catholic life. But does the script and the practices it signifies have any relevance beyond the confessional?" In *The Politics of Penance*, Michael Griffin responds, "yes." He explores great figures of the Christian tradition, the early Irish monks, St. Thomas Aquinas, and Pope St. John Paul II, to offer surprising insights for social repair. The result is a new ethic which Griffin applies to contemporary crises in criminal justice, truth and reconciliation, and the treatment of soldiers returning from war.

Emmanuel Levinas and the Politics of Non-Violence

Victoria Tahmasebi-Birgani, 2014-01-01 In this book, Victoria Tahmasebi Birgani provides the first examination of the applicability of Emmanuel Levinas' work to social and political movements. **Advanced Introduction to the Politics of International**

Human Rights David P. Forsythe, 2021-01-29 David P Forsythe presents a compelling introduction to international human rights in a political context He stresses the difficulties of interjecting human rights into foreign policy and international politics while recognising the considerable progress that has been made over time Focusing on international organizations states corporations and private advocacy groups Forsythe addresses key themes including war migration climate change and slavery

The Politics of Atrocity and Reconciliation Michael Humphrey, 2013-04-15 The Politics of Atrocity and Reconciliation examines contemporary political violence and atrocity in the context of the crisis of the nation state It explores the way violence is used to unmake the social world and how its product suffering is used to try to remake the social world Humphrey considers both the unmaking of the world through torture war urbicide and ethnic cleansing and the resultant remaking of the world through testimony and witnessing in the forums of truth commissions and trials The discussion thus moves from terror to trauma

Politics Of War: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Politics Of War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Politics Of War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Politics Of War has opened up a world of possibilities. Downloading Politics Of War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Politics Of War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Politics Of War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Politics Of War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Politics Of War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Politics Of War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Politics Of War Books

1. Where can I buy Politics Of War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
