**Horda Angel-cynnan: Or a Compleat View of the Manners, Customs ... of the Inhabitants of England, from the Arrival of the Saxons, Till the Reign of Henry the Eighth (etc.)** Joseph Strutt, 1776      Official Stud Book and Registry of the American Quarter Horse Association American Quarter Horse Association, 1985      **Look Homeward, Angel** Thomas Wolfe, 2025-07-17

Look Homeward Angel published in 1929 is the debut novel of American author Thomas Clayton Wolfe and is widely regarded as one of the most significant works of 20th century American literature. Subtitled *A Story of the Buried Life*, the novel is a semi-autobiographical coming-of-age story that captures the tumultuous journey of its protagonist Eugene Gant as he navigates the complexities of family identity and the search for meaning in a rapidly changing world. Set in the fictional town of Altamont, North Carolina, based on Wolfe's hometown of Asheville, the novel paints a vivid and deeply personal portrait of early 20th-century America. At its core, *Look Homeward Angel* is a sprawling lyrical exploration of Eugene Gant's life from childhood to young adulthood. The novel delves into his relationships with his larger-than-life family, particularly his father Oliver Gant, a stonecutter with a volatile temperament, and his mother Eliza, a pragmatic and ambitious woman who runs a boarding house. Wolfe's richly detailed prose brings the Gant family to life, capturing their passions, struggles, and contradictions with both tenderness and unflinching honesty. Through Eugene's eyes, readers witness the joys and sorrows of growing up in a family marked by both love and dysfunction. Wolfe's writing is characterized by its poetic intensity and emotional depth. His descriptions of the American South, with its rolling hills, bustling towns, and vibrant characters, are both nostalgic and critical, reflecting a deep connection to his roots while also grappling with the limitations of small-town life. The novel's episodic structure mirrors the fragmented nature of memory as Eugene reflects on key moments that shaped his understanding of himself and the world around him. Themes of longing, ambition, and the search for identity permeate the narrative as Eugene yearns to break free from the confines of his upbringing and discover his place in the wider world. One of the most striking aspects of *Look Homeward Angel* is its autobiographical nature. Wolfe drew heavily from his own life, infusing the novel with a raw, almost confessional quality. This authenticity resonates with readers, making Eugene's struggles and triumphs feel deeply personal and universal. At the same time, the novel's broader social and historical context, its depiction of post-World War I America, the tensions between tradition and modernity, and the impact of industrialization, adds layers of complexity to the story. Despite its initial controversial reception in Wolfe's hometown, where some residents recognized themselves in the characters, *Look Homeward Angel* has since been celebrated as a masterpiece of American literature. Its influence can be seen in the works of later writers such as Jack Kerouac and William Styron, who were inspired by Wolfe's bold, expansive style and his ability to capture the essence of the human experience. *Look Homeward Angel* is more than just a novel; it is a profound meditation on family, memory, and the eternal quest for self-discovery. Thomas Wolfe's passionate, evocative prose and his unflinching portrayal of life's joys and sorrows make this book a timeless classic offering

readers a deeply moving and unforgettable journey into the heart of America and the soul of one young man **Look Homeward, Angel. Moresby's literary context, coupled with her distinctive voice, crafts a world that feels at once timeless and sharply reflective of the societal norms of her era. The delicacy with which she handles themes of chastity and self-actualization is a testament to the book's enduring appeal as a work of classic literature, meriting its republication by DigiCat Publishing for contemporary audiences to appreciate anew.
