wing that he began to entertain audiences with his stories and charm growing to like the attention In fact to crave it He wanted to be somebody and for the first time his dreams didn t seem quite so out of reach As he got older and his asthma became more manageable he began forging his path of destiny First through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium Then it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion celebrity and even murder But it was his one unanswerable question that repeatedly seemed to leave his life in shambles Can his fantasy life be his reality became the albatross that hung over the man and the boy Somewhere along the way he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder Looking back he had gone all in on his quest to be somebody but now as a middle aged man left with nothing and no one it was time to reconnect with little Jimmy and go all in on himself to go all in with love Within their story of reconnection lies the gateway to reclaim your inner child and live your best most authentic life
