James Joyce and Modern Literature W. J.

McCormack, Alistair Stead, 2015-12-22 This collection first published in 1982 brings together thirteen writers from a wide variety of critical traditions to take a fresh look at Joyce and his crucial position not only in English literature but in modern literature as a whole Comparative views of his work include reflections on his relations to Shakespeare Blake MacDiarmid and the Anglo Irish revival Essays story and poems all combine to celebrate the major constituents of Joyce's work his imagination and comedy his exuberant use of language his relation to the history of his country and his age and his passionate commitment to a more veritably human tradition This title will be of interest to students of literature [Chicorel Index to Poetry in Anthologies and Collections in Print](#) Marietta Chicorel, 1975 [Articulate Flesh](#) Gregory Woods, 1987-01-01 Discusses the themes of the male body war and homosexual love in poetry and analyzes the poetry of D H Lawrence Hart Crane W H Auden Allen Ginsberg and Thom Gunn

Chicorel Index to Poetry in Anthologies and Collections in Print, 1975-1977 Marietta Chicorel, 1978 [Multicultural Writers from Antiquity to 1945](#) Alba Amoia, Bettina L. Knapp, 2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer's critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world **Attachment and Loss in the Works of James Joyce**

Linda Horsnell, 2021-11-04 Using John Bowlby's Attachment Theory as a frame of reference Attachment and Loss in the Works of James Joyce critically analyzes James Joyce's representation of grief Based on cognitive emotional and behavioral elements Attachment Theory allows for new and innovative readings to emerge which differ from those offered by Freudian Lacanian and Jungian paradigms Acknowledging the importance of the Theory of Mind and Reader Response this book uses the concept of internal working models to elucidate how the childhood experiences with which Joyce has endowed his protagonists ultimately leads to how they respond to loss The texts of Dubliners Portrait of the Artist and Ulysses show how central separation and loss were to Joyce's work It provides examples of such experiences in different age groups under

differing circumstances and at different stages in the grief process Attachment Theory highlights the complexity of human relationships throughout the life cycle not only how they can affect the grief process but how grief affects them

The Celtic Unconscious Richard

Barlow, 2017-03-30 The Celtic Unconscious offers a vital new interpretation of modernist literature through an examination of James Joyce's employment of Scottish literature and philosophy as well as a commentary on his portrayal of shared Irish and Scottish histories and cultures Barlow also offers an innovative look at the strong influences that Joyce's predecessors had on his work including James Macpherson James Hogg David Hume Robert Burns and Robert Louis Stevenson The book draws upon all of Joyce's major texts but focuses mainly on Finnegans Wake in making three main interrelated arguments that Joyce applies what he sees as a specifically Celtic viewpoint to create the atmosphere of instability and skepticism of Finnegans Wake that this reasoning is divided into contrasting elements which reflect the deep religious and national divide of post 1922 Ireland but which have their basis in Scottish literature and finally that despite the illustration of the contrasts and divisions of Scottish and Irish history Scottish literature and philosophy are commissioned by Joyce as part of a program of artistic decolonization which is enacted in Finnegans Wake The Celtic Unconscious is the first book length study of the role of Scottish literature in Joyce's work and is a vital contribution to the fields of Irish and Scottish studies This book will appeal to scholars and students of Joyce and to students interested in Irish studies Scottish studies and English literature

Missed Understandings José Lanthers, 2022-07-04

James Joyce's Manuscripts and Letters at the University of

Buffalo, 1962-06-30 The approximately 20 000 pages of Joyce manuscripts and letters in the Lockwood Memorial Library of the University of Buffalo here catalogued by Dr Spielberg offer scholars and critics much unpublished and unsifted material for the explication and examination of Joyce's individual works as well as the raw material necessary for a detailed exploration of James Joyce's creative process The scope of the Buffalo Joyce Collection is vast spanning the full range of Joyce's writing career from 1900 to 1940 from his Epiphanies to possible revisions for Finnegans Wake Dr Spielberg's work in compiling the present catalogue of Joyce's own writings and letters in the collection now provides for Joyceans a guide to what up until now has been mainly uncharted territory The manuscripts workbooks notebooks sketches schemas notes early and late drafts fair copies typescripts galley and page proofs errata translations and letters have been divided into ten major categories Epiphanies A Portrait of the Artist as a Young Man Exiles Verses Ulysses Finnegans Wake Criticism Notebooks Miscellaneous Manuscripts and Letters from Joyce Each item has been described and identified following a uniform format for the pertaining facts title collation pagination contents other markings dating publication and notes In his introduction to the catalogue the author describes the Buffalo Joyce Collection itself giving the history of its growth its extent and holdings In discussing the manuscripts he calls particular attention to the Finnegans Wake Workbooks MSS VI A B C and D which he comments are probably the strangest manuscripts in existence even for so strange a book as Finnegans Wake The apparent disorder and lack of organization of these workbooks is a false impression Where the reader of the workbooks stumbles and bombinates through what seems to be utter blackness Joyce danced and skipped with ease What to us seems chaos was

neatness and method to Joyce It is Dr Spielberg's hope that the manuscripts he has catalogued will when examined in detail offer a key to the better understanding of the hides and hints and misses in prints in the writings of the most controversial figure of twentieth century literature

James Joyce and After Katarzyna Bazarnik, Bożena Kucała, 2010-05-11 James Joyce and After Writer and Time is a volume of essays examining various aspects of time in literature starting with the modernist revolution in fictional time initiated among others by Joyce up until the present In Part One James Joyce and Commodious Vicus of Recirculation the largest group of essays offers new and insightful readings of Finnegans Wake Ulysses Dubliners and Pomes Penyeach reflecting a variety of Joyce's experiments with time as well as demonstrating patterns and cross references in his lifelong artistic explorations Part Two Writer and Private Time focuses on selected literary responses to subjective experience of time The articles analyse Joyce's epiphanies Elizabeth Bishop's rendition of a lyrical moment in her poetry as well as the interplay of fiction and autobiography in the writings of Joseph Conrad and J M Coetzee Another article in this section uses the Bakhtinian concept of chronotope to emphasise simultaneity of reading and writing in the newly defined genre of liberature At the other end of the temporal spectrum the articles in Part Three Writer and Public Time devoted to recent fiction testify to the constant need for seeking new ways of recording the temporal dimension of collective experience It is argued that the engagement with Victorianism in contemporary fiction has resulted in a special treatment of time involving duality of temporal levels while the emerging post 9/11 genre takes account of the new audiovisual media in order to respond to one of the most traumatic experiences in contemporary history

Poems and Exiles James Joyce, 1992-01-02 It is only James Joyce's towering genius as a novelist that has led to the comparative neglect of his poetry and sole surviving play And yet argues Mays in his stimulating and informative introduction several of these works not only occupy a pivotal position in Joyce's career they are also magnificently assured achievements in their own right Chamber Music is an extraordinary d but fusing the styles of the nineties and the Irish Revival with irony and characteristic verbal exuberance Pomes Penyeach and Exiles highly acclaimed in Harold Pinter's 1970 staging were written when Joyce had published Dubliners and was completing A Portrait of the Artist as a Young Man Both confront painfully personal issues of adultery jealousy and betrayal and so pave the way for the more detached and fully realized treatment in Ulysses Joyce's occasional verse includes Ecce Puer for his new born grandson juvenilia satires translations limericks and a parody of Samuel Taylor Coleridge All are brought together in this scholarly fully annotated yet accessible new edition

The Cambridge Companion to James Joyce Derek Attridge, 2004-06-17 This second edition of The Cambridge Companion to Joyce contains several revised essays reflecting increasing emphasis on Joyce's politics a fresh sense of the importance of his engagement with Ireland and the changes wrought by gender studies on criticism of his work This Companion gathers an international team of leading scholars who shed light on Joyce's work and life The contributions are informative stimulating and full of rich and accessible insights which will provoke thought and discussion in and out of the classroom The Companion's reading lists

and extended bibliography offer readers the necessary tools for further informed exploration of Joyce studies This volume is designed primarily as a students reference work although it is organised so that it can also be read from cover to cover and will deepen and extend the enjoyment and understanding of Joyce for the new reader *James Joyce A to Z* A. Nicholas Fargnoli, Michael Patrick Gillespie, 1996 series copy These encyclopedic companions are browsable invaluable individual guides to authors and their works Useful for students but written with the general reader in mind they are clear concise accessible and supply the basic cultural historical biographical and critical information so crucial to an appreciation and enjoyment of the primary works Each is arranged in an A Z fashion and presents and explains the terms people places and concepts encountered in the literary worlds of James Joyce Mark Twain and Virginia Woolf As a keen explorer of the mundane material of everyday life James Joyce ranks high in the canon of modernist writers He is arguably the most influential writer of the twentieth century and may be the most read studied and taught of all modern writers The James Joyce A Z is the ideal companion to Joyce s life and work Over 800 concise entries relating to all aspects of Joyce are gathered here in one easy to use volume of impressive scope *Ezra Pound's Cantos* Peter Makin, 2006 Publisher description **Parallaxes** Marco Canani, Sara Sullam, 2014-04-11 Borrowed from optics the concept of parallax identifies the apparently relative position of objects according to the lines of sight determined by the viewer s standpoint This concept proves particularly useful in opening new insights into the work of two major authors of Modernist literature although coincidentally born and deceased in the same years 1882 1941 James Joyce and Virginia Woolf are seldom the object of a joint outlook Such a watertight separation is witnessed by the scarcity of scholarly work concerned with the relationship between two authors who on the other hand often feature together in studies and anthologies on Modernism *Parallaxes* fills this void by tackling the many implications of Woolf and Joyce s difficult if not failed encounter and provides new perspectives on the connections between their respective work The essays in the volume investigate the works of the two writers seven decades after their death from a variety of angles both singularly and jointly stimulating dialogue between scholars in both Woolf and Joyce studies
