Pompilia And Her Poet:

Pompilia and Her Poet (Classic Reprint) Harriet Gaylord, 2017-01-07 Excerpt from *Pompilia and Her Poet* There is a story of Robert Browning which I have always liked It seems that once when he was attending an after noon reception an eager young lady approached him and gushed Oh Mr Browning I am happy to have met you at last For now you can explain to me a certain passage in Pippa Passes And she proceeded to quote the lines which had confused her Whereupon the great poet leaned down patted her on the head and said My dear young lady don t ask me ask the Browning Society Geniuses after all are human beings And it is as a human being that Miss Gaylord approaches one of the greatest poets of all time and so too she approaches Mrs Browning About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Pompilia and Her Poet* Harriet Gaylord, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Victorian Poets and the Changing Bible* Charles LaPorte, 2011-11-17 *Victorian Poets and the Changing Bible* charts the impact of post Enlightenment biblical criticism on English literary culture The eighteenth and nineteenth centuries saw a widespread reevaluation of biblical inspiration in which the Bible s poetic nature came to be seen as an integral part of its religious significance Understandably then many poets who followed this interpretative revolution including Alfred Lord Tennyson Robert Browning and Elizabeth Barrett Browning came to reconceive their highest vocational ambitions if the Bible is essentially poetry then modern poetry might perform a cultural role akin to that of scripture This context equally illuminates the aims and achievements of famous Victorian unbelievers such as Arthur Hugh Clough and George Eliot who also responded enthusiastically to the poetic ideal of an inspired text Building upon a recent and ongoing reevaluation of religion as a vital aspect of Victorian culture Charles LaPorte shows the enduring relevance of religion in a period usually associated with its decline In doing so he helps to delineate the midcentury shape of a literary dynamic that is generally

better understood in Romantic poetry of the earlier part of the century The poets he examines all wrestled with modern findings about the Bible's fortuitous historical composition yet they owed much of their extraordinary literary success to their ability to capitalize upon the progress of avant garde biblical interpretation This book's revisionary and provocative thesis speaks not only to the course of English poetics but also to the logic of nineteenth century literary hierarchies and to the continuing evolution of religion in the modern era Victorian Literature and Culture Series *The Poems of Robert Browning: Volume Five* John Woolford, Daniel Karlin, Joseph Phelan, 2022-06-30 The Ring and the Book published serially in 1868-9 is one of the most daring and innovative poems in the English language The story is based on the trial of an Italian nobleman Guido Franceschini for the murder of his wife Pompilia in Rome in 1698 Browning's discovery of the old yellow book a bundle of legal documents and letters relating to the trial on a second hand market stall in Florence sparked an imaginative engagement with this sordid tale of domestic cruelty adultery and greed which grew through four years of arduous labour into an epic peopled not by gods and warriors but by concrete recognisably human beings Fusing the technique of the dramatic monologue the form he had made his own with the grandeur of classical epic and the vivid realism of the modern novel Browning created a unique hybrid form that allowed him not only to bring to life an entire historical period but also to reflect on the process of artistic creation itself the forging of the golden ring of the poem from the pure crude fact of its historical original This edition comprising volumes 5 and 6 in the acclaimed Longman Annotated English Poets edition of Browning's poems does full justice to the scope and depth of Browning's achievement The headnote in volume 5 gives an authoritative account of the poem's composition publication sources and reception making use of hitherto unpublished letters and textual material In addition to giving readers help where needed with historical and linguistic comprehension the notes track Browning's formidable range of allusion from the most erudite to the most vulgar The appendices in volume 6 present a selection from the original sources a list of variants from extant proofs and key passages from Browning's fascinating and revealing correspondence with one of the earliest readers of the poem Julia Wedgwood The aim is to enable readers not just to understand the poem as an object of study but to take pleasure in its abounding intellectual and emotional energies **The Broadview Anthology of Victorian Poetry and Poetic Theory** Thomas J.
