**Pontiac Moon** Jeffrey Brown, Finn Taylor, 1994      **Holstein-Friesian Herd-book, Containing a Record of All Holstein-Friesian Cattle ...** Holstein-Friesian Association of America, 1925      *Holstein-Friesian Herd-book* Holstein-Friesian Association of America, 1923      *The Hollywood Book of Breakups* James Robert Parish, 2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity's latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In *The Hollywood Book of Breakups* James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn't make this stuff up and James Robert Parish doesn't need to Hollywood writes its own drama when it comes to scandalous breakups      **Contemporary British and Irish Film Directors** Yoram Allon, Del Cullen, Hannah Patterson, 2001 The guide encompasses the careers of over 350 directors from the last 20 years A must for any film studies library it is a unique reference to the changing dynamics of these cinemas      *Home Front Heroes* Elizabeth Abele, 2013-12-04 This book traces the effects of the feminist and civil rights movements in the construction of Hollywood action heroes Starting in the late 1980s action blockbusters regularly have featured masculine figures who choose love and community over the path of the stoic loner committed solely to duty The American heroic quest of the past 25 years increasingly has involved a reclamation of home creating a place for the Hero at the hearth part of a more intimate community with less restrictive gender and racial boundaries The author presents pieces of contemporary popular culture that create the complex mosaic of the present day American heroic ideal Hollywood popular films are examined that best represent the often painful shift from traditional heroic masculinity to a masculinity that is less exceptional and more vulnerable There are also chapters on how issues of race and gender intersect with the new masculinity and on subgenres of 1990s films that also developed this postfeminist masculinity      **Coming Attractions** Lisa Kernan, 2009-07-21 Movie trailers those previews of coming attractions before the start of a feature film are routinely praised and reviled by moviegoers and film critics alike They give away too much of the movie They're better than the films They only show the

spectacular parts They lie They re the best part of going to the movies But whether you love them or hate them trailers always serve their purpose of offering free samples of a film to influence moviegoing decision making Indeed with their inclusion on videotapes DVDs and on the Internet trailers are more widely seen and influential now than at any time in their history Starting from the premise that movie trailers can be considered a film genre this pioneering book explores the genre s conventions and offers a primer for reading the rhetoric of movie trailers Lisa Kernan identifies three principal rhetorical strategies that structure trailers appeals to audience interest in film genres stories and or stars She also analyzes the trailers for twenty seven popular Hollywood films from the classical transitional and contemporary eras exploring what the rhetorical appeals within these trailers reveal about Hollywood s changing conceptions of the moviegoing audience Kernan argues that movie trailers constitute a long standing hybrid of advertising and cinema and as such are precursors to today s heavily commercialized cultural forms in which art and marketing become increasingly indistinguishable **British Film Directors**

Robert Shail,2007 This concise authoritative volume analyses critically the work of 100 British directors from the innovators of the silent period to contemporary auteurs *We Are so Loved* Jill Lambert,2017-09-22 When we hear stories of spontaneous healing assistance from angels and loved ones who've passed the laws of physics bending or even breaking to save someone and people using their divine creative power to claim what they desire despite appearances our beliefs change about what is possible for us *We Are So Loved* is about such miracles and more Many of these stories may seem too fantastic to be true but they are As you read them maybe you'll remember some of your own miracles that you discounted as just a coincidence luck or just your imagination The mystical miraculous experiences I've had since childhood the stories others have shared with me of divine assistance and moments of grace as well as the miraculous healings I witness as a Reconnective Healing Practitioner have changed my beliefs about what is possible and continue to transform my world for the better on every level of my being That's what I want for you and why I'm sharing them in this book I hope they inspire you to think and believe a little bigger and better than you did before you read them as you realize how Loved you are Who You Really Are and how possible the impossible really is The miraculous experiences in this book are what fuel my life's mission to share the truth of how Loved we are and how powerful we are when we align with the Love that is our Source of being I hope these stories remind you of the God Within you and all life on this planet that they awaken an awareness of the Love and well being that is constantly flowing to you and help you release the limiting beliefs that have kept you from allowing into your life all that your heart desires *We Are So Loved* is my first book and just the beginning of much more to come Jill Lambert
