Pontmain Prophecy And Protest A Cultural Historical Study Of A Nineteenth Century Apparition:

Pontmain, Prophecy, and Protest Cheryl A. Porte, 2005 Pontmain Prophecy and Protest considers the appearance of Mary in Pontmain France in its concrete historical and cultural dimensions and demonstrates that an apparition's context dramatically affects how it is both perceived and promoted Highlighting how a private religious experience became a tool of the Roman Catholic Church which used it for affirmation and promoted it as a kind of protest against contemporary evils this book offers a new perspective on the processes at work when people turn to religion to shape their perception of reality

Pontmain, Prophecy and Protest Cheryl Ann Porte (Sr.), 1999 *The Juggler of Notre Dame and the Medievalizing of Modernity*. Jan M. Ziolkowski, 2018-07-24 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today Volume 2 Medieval Meets Medievalism deals with the influence of the tale in nineteenth and early twentieth century Europe and America and the development of literary medievalism at this time The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski's work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

Apparition Fever Tine Van Osselaer, 2025-05-13 In the early 1930s a wave of Marian apparitions cases in which visionaries reported seeing and receiving messages from the Virgin Mary swept over Belgium With over forty apparition sites and hundreds of visionaries the Belgian apparitions often attended by crowds of onlookers were unrivalled in scope and complexity and they confronted Catholics and others with a question How do you decide what you believe Apparition Fever explores the Belgian apparitions from initial reports to the eventual recognition of two episodes in the 1940s It shows how knowledge was formed at all levels among the bystanders attending the sites to the medical experts who studied the visionaries and the clerical authorities who evaluated the authenticity of the apparitions Tine Van Osselaer

examines how these different perspectives converged and influenced each other whose authority was accepted or challenged and how the public character of the events affected their evaluation Apparition Fever reveals that the public setting of Marian apparitions and the religious enthusiasm they triggered are not novel challenges for the Catholic Church On the contrary they have heavily influenced the evaluation of apparitions since the early twentieth century

Spiritual Healing Sarah Coakley, 2020-10-15 Spiritual healing has been a cornerstone of Christian belief from its beginnings although there are various interpretations of what exactly it is and how it happens To address these questions the contributors to this volume come together to examine spiritual healing from a number of disciplinary perspectives How can such healing be explained through a scientific or medical lens What do biblical and historical instantiations of it tell us today And how are we to think of it as anthropologists philosophers or theologians Finally what does all this mean for those seeking spiritual healing for themselves or pastors walking alongside the afflicted Deftly edited by theologian Sarah Coakley Spiritual Healing offers a composite narrative that investigates the many intermingled factors at work in this intriguing phenomenon The result is a human story as much as it is a theological one satisfying discerning believers and skeptics alike in its rigorous pursuit of truth and meaning

Devociones políticas José Alberto Moreno Chávez, José Alberto Moreno Châavez, 2013-05-23 Esta historia es la de aquellos católicos que intentaron combatir una revolución por medio de oraciones Tal revolución antecedió al conflicto armado de 1910 y consistió en la instauración a finales de la década de 1850 de un Estado laico y liberal que se antepone a la continuidad de la vida religiosa en la esfera pública y como valorístico de una sociedad que centraba su existencia en parámetros dictados por la Iglesia Católica En respuesta a ello los fieles católicos de la Arquidiócesis de México respondieron a ese mundo adverso concibiendo un cuerpo de devociones en aras de mantener la sacralidad de la vida cotidiana y del espacio público pero sobre todo el de otorgarles un discurso político que les permitiera mantener su influencia en la vida cotidiana
