Poor Discipline:

Poor Discipline Jonathan Simon,1993 Reveals how modern strategies of punishment and their failure relate to political and economic transformations in society at large The author uses the practice of parole in California as a window to the changing historical understanding of what a corrections system does and how it works Poverty Proof Douglas Kruger,2019-08-01 Why is it that some people work hard yet remain poor How is it that others seem to rise out of poverty and become affluent in a short span of time If you want to know how to become rich relatively quickly and avoid spending years working back breakingly hard without ever breaking even then read on The answers to escaping poverty and becoming wealthy are actually well known and based on a number of powerful principles that have been tested by time and replicated in different countries by families and individuals who have become astonishingly rich So what are these ideas that genuinely lift people out of poverty and ensure their personal wealth Here are 50 They all work They will make you richer They remove the emotion the politics and the clutter from our thoughts about wealth and they go straight to the heart of one simple issue what it genuinely takes to become rich Prepare to train your brain for wealth Prepare to become poverty proof for life
