**Simon Reid-Henry**

## **Regis Debray And The Latin American Revolution A Collection Of Essays:**

**Regis Debray and the Latin American Revolution** Leo Huberman, Paul Marlor Sweezy, 1969      Regis Debray and the Latin American Revolution Leo Huberman, Paul Marlor Sweezy, 1968      **Regis Debray and the Latin American**

**revolution: a collection of essays** ed Leo Huberman, Paul Marlor Sweezy,      *Political Violence, Crises and Revolutions (Routledge Revivals)* Ekkart Zimmermann, 2013-04-15 First published in 1983 this extraordinary study provides a comprehensive systematic evaluation of cross national theorizing and quantitative empirical evidence on four interrelated phenomena Political violence Crises Military Coups D tat Revolutions Findings from social psychological research on aggression are integrated in this outstanding study as well as results reported in social historical studies of revolution The focus of the book is always on analytical perspectives and corresponding empirical evidence The author continually highlights the sociostructural and political conditions of political violence crises and revolutions This exceptionally detailed and systematic inventory of theories and research on a classic triad of political science political violence crises and revolutions also includes a remarkable bibliography encompassing over 3000 items      *The Age of Monopoly Capital* Paul A. Baran, Paul M. Sweezy, 2017-07-24 The rich correspondence that preceded the publication of *Monopoly Capital* Paul A. Baran and Paul M. Sweezy were two of the leading Marxist economists of the twentieth century Their seminal work *Monopoly Capital An Essay on the American Economic and Social Order* published in 1966 two years after Baran's death was in many respects the culmination of fifteen years of correspondence between the two from 1949 to 1964 During those years Baran a professor of economics at Stanford and Sweezy a former professor of economics at Harvard then co editing *Monthly Review* in New York City were separated by three thousand miles Their intellectual collaboration required that they write letters to one another frequently and in the years closer to 1964 almost daily Their surviving correspondence consists of some one thousand letters The letters selected for this volume illuminate not only the development of the political economy that was to form the basis of *Monopoly Capital* but also the historical context the McCarthy Era the Cold War the Cuban Missile Crisis in which these thinkers were forced to struggle Not since Marx and Engels carried on their epistolary correspondence has there been a collection of letters offering such a detailed look at the making of a prescient critique of political economy and at the historical conditions from which that critique was formed      **Newsletter** United States. Department of State, 1976

*Political Terrorism* A.J. Jongman, 2017-07-28 While there is no easy way to define terrorism it may generally be viewed as a method of violence in which civilians are targeted with the objective of forcing a perceived enemy into submission by creating fear demoralization and political friction in the population under attack At one time a marginal field of study in the social sciences terrorism is now very much in center stage The 1970s terrorist attacks by the PLO the Provisional Irish Republican Army the Popular Front for the Liberation of Palestine the Japanese Red Army the Unabomber Aum Shinrikyo Timothy McVeigh the World Trade Center attacks the assault on a school in Russia and suicide bombers have all made the

term terrorism an all too common part of our vocabulary This edition of Political Terrorism was originally published in the 1980s well before some of the horrific events noted above This monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources is being reissued in paperback now as a resource for the expanding community of researchers on the subject of terrorism This is a carefully constructed guide to one of the most urgent issues of the world today When the first edition was originally published Choice noted This extremely useful reference tool should be part of any serious social science collection Chronicles of Culture called it a tremendously comprehensive book about a subject that any who have anything to lose from property to liberty life to limbs should be forewarned against

**The Caribbean** Denis Benn, 2004 The study is concerned mainly with the growth and development of political ideas in the Caribbean since the latter half of the eighteenth century It attempts an analysis of the more significant intellectual formulations which have emerged in the region during the period it includes reference to some of the major economic theories which have shaped the Caribbean reality over the years Introduction p xi

**Latin America and the Caribbean** United States. Department of the Army, 1969

**Guerrilla Warfare** Anthony J. Joes, 1996-08-13 From the Carolina Swamp Fox to the Afghan Mujahideen this book analyzes 40 guerrilla struggles across five continents profiles important figures and gives extensive bibliographical information With an emphasis on causes and effects Part I surveys and analyzes all major guerrilla struggles and many less well known wars from the American Revolution to 20th century post colonial conflicts Drawing a distinction between guerrilla warfare and terrorism the author focuses on guerrilla activity He seeks to answer such questions as the genesis and context of an insurgency its resemblance to other guerrilla conflicts what factors contributed to victory or defeat which factors are unique to a conflict and what factors are common to many conflicts Part II profiles individuals who are important to the subject including guerrilla chieftains military commanders government officials party leaders theorists and instructors who exerted notable influence Part III surveys the major English language literature on guerrilla warfare providing a a wide ranging representative and intensive collection of works

**Fidel and Che** Simon Reid-Henry, 2011-01-15 Che Guevara has been dead for more than forty years and long ago renounced by Fidel Castro and yet they are forever linked their coming to prominence together captivated a generation For many their romantic struggle for freedom still resonates for others they simply represent the last of a dying breed of rebel warriors Yet while much has been written about them both surprisingly little is known about their personalities and even less about the 12 years of their unique and highly consequential relationship during which they linked arms in one of the world s greatest revolutionary movements Fidel and Che follows them on their dramatic journey from the safe houses of Mexico s political underground in the 1950s where they began hatching their plan for revolution to the theatre of war in the Cuban mountains to the paneled offices of a new government the Bay of Pigs and Cuban Missile crises happened on their watch and to the eventual rupture of their friendship as Che left Cuba to pursue his revolutionary dreams only to be assassinated by the CIA in 1966 Reid Henry also

reveals the more personal world of their inner lives as friends husbands lovers fathers What began as an association of convenience became the most profound relationship of their lives It shaped their political ambitions and their personal attitudes compelling them further than either had previously dared imagine But if their times inspired a revolutionary friendship they also destroyed it for the tragic irony was that the more historical circumstance bound them together the more personal ambitions pulled them apart At a momentous turning point in Cuban history Simon Reid Henry has crafted a fascinating and original chronicle of two of the most powerful personalities in recent memory *Newsletter* ,1976

**Leading Contemporary Economists** Steven Pressman,2008-10-01 This book describes the important contributions of several contemporary economic figures including recent Nobel Laureates Describing their work and putting it into an historical perspective these chapters explain how their work constitutes a major contribution to the discipline of economics and how it has broadened economic science Co Editor of *Hispanic Foundation Bibliographical Series* Library of Congress.

Hispanic Foundation,1942 **Department of State News Letter** United States. Department of State,1976 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1972 Letters from Attica Sam Melville,Joshua Melville,2022-01-18 Now presented with a son s thirty years of research to provide new context In June 1970 Sam Melville pleaded guilty to a series of politically motivated bombings in New York City and was sentenced to thirteen to eighteen years in jail His imprisonment took him to Attica where he helped lead the massive rebellion of September 9 1971 and where four days later he was shot to death by state police During nearly two years in prison Melville wrote letters to his friends his attorneys his former wife and his young son To read them is to eavesdrop on a man s soul Determinedly honest and deeply moving they reveal much about Sam and evoke the suffering of prisoners in America Collected after his death the letters were originally published with material by Jane Alpert who was living with Sam when both were arrested on bombing charges and John Cohen a close friend who visited Sam in jail Sam s letters begin with despair but end in hope and defiance He became a leader of the prisoners struggle for justice and humane treatment At Attica he fought against and was a victim of the state s brutality Those who knew Sam found him a man of extraordinary courage and determination who rather than accede or submit to injustice and racism chose to fight against them **The Last Day of Oppression, and the First Day of the Same** Jeffery R. Webber,2017-02-15 Throughout the 2000s Latin America transformed itself into the leading edge of anti neoliberal resistance in the world What is left of the Pink Tide today What is their relationship to the explosive social movements that propelled them to power As China s demand slackens for Latin American commodities will governments continue to rely on natural resource extraction In an accessible and penetrating volume Jeffery Webber examines the most important questions facing the Latin American left today News Letter United States. Department of State,1976

*Revolutionary Change in Cuba* Carmelo Mesa-Lago,1972-01-15 Cuba has been transformed more radically within one decade than almost any society in recent history Yet the Cuban Revolution is poorly understood abroad because of its

physical and political isolation the controversies between adherents of the old and new regimes and the murky skirmishes of the cold war This collection of essays is a comprehensive and authoritative study of almost all major aspects of socialist Cuba It draws together the talents of the ablest group of Cuban specialists ever represented in a single volume
