**Register of the University of Oxford (1449-63, 1505-71)** C. W. Boase, 1884 *Register of the University of Oxford* University of Oxford, 1887 **Register of the University of Oxford, Vol. 1** C. W. Boase, 2016-08-23 Excerpt from Register of the University of Oxford Vol 1 1449 63 1505 71 The printed Catalogue of Oxford Graduates only begins with the year 1659 but the materials exist from which a continuous list of degrees since 1505 may be made out These materials are to be found in the Registers of Congregation and there is a mutilated Register of even earlier date containing the years from 1449 to 1463 Unfortunately we cannot go back as far as the time of Pope Alexander V who was b d Of Oxford and db Of Paris more than half a century previously In some foreign universities still earlier registers are preserved Heidelberg<sup>2</sup> has just published a roll of members which begins in 1386 We could do something more by consulting the documents preserved in the Col leges<sup>3</sup> thus the list of fellows at Exeter College begins in 1318 at New College in 1386 The Present volume gives all the names contained in the four earliest Registers and a part of the fifth so far as the year 1570 71 Here we stop for the present as the Lists of Matriculations begin about this date for some Colleges a little earlier and for some a little later<sup>3</sup> The next volume will combine the matriculations and degrees together and be especially valuable for the literary history of the Elizabethan and early Stuart age These five Registers are preserved in the Archives of the University and may be described as follows 1 5 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Register of the University of Oxford* University of Oxford, 1885 **History of Oxford University Press: Volume I** Ian Anders Gadd, Simon Eliot, William Roger Louis, Keith Robbins, 2013-11 The story of Oxford University Press spans five centuries of printing and publishing This first volume traces the beginnings of the University Press its relationship with the University and developments in printing and the book trade as well as the growing influence of the Press on the city of Oxford **Register of the University of Oxford** University Of Oxford, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy [Register of the University of Oxford](#) University of Oxford, 1885 *The Register of the Goldsmiths' Company, Volume I* Lisa Jefferson, 2022-05-20 Vol 1 of a three volume edition provides translations of the Goldsmiths Company Register of Deeds with

full explicatory annotation and with a clear introduction to both the manuscript and the legal texts contained in it The Worshipful Company of Goldsmiths commonly known as the Goldsmiths Company is one of the twelve Great Livery Companies of the City of London This three volume edition provides translations of the company s Register of Deeds with full explicatory annotation and with a clear introduction to both the manuscript and the legal texts contained within Additionally the volumes contain detailed name and subject indexes The company s Register of Deeds has never been fully utilised by historians but it contains a record copy made from the fifteenth century onwards of the original deeds of the company s acquisitions of property from the reign of King Richard I to the seventeenth century These deeds reveal much about the precise location of properties and their inhabitants Wills often appearing in the Register help to piece together a social history of the time Charitable purposes were often the reason for monies or property bequeathed to the Goldsmiths sometimes of an educational nature or of almsgiving to the poor or for the training and support of young goldsmiths and silversmiths Many documents also concern women either acting solely in their own name or jointly with a husband sometimes also appearing as daughters or sisters providing evidence regarding their legal position during the medieval and early modern period The editing and translation of these documents from Latin and French into modern day English will be of great use to historians interested in the buildings of medieval and Tudor London and their use as personal or business premises But beyond these obvious confines these so far hidden sources will help to rewrite a social legal and economic history of medieval and Tudor London

**Oxf. Hist. Soc**, 1894      **Catalogue of the Printed Books in the Library of the Society of Writers to H.M. Signet in Scotland**, 1891      Printed Books in the Library of the Society of Antiquaries of London Society of Antiquaries of London. Library, 1899      A History of the University in Europe: Volume 1, Universities in the Middle Ages Hilde de Ridder-Symoens, 1991-11-07 This the first in the series is also the first volume on the medieval University as a whole to be published in over a century It provides a synthesis of the intellectual social political and religious life of the early University and gives serious attention to the development of classroom studies and how they changed with the coming of the Renaissance and the Reformation Following the first stirrings of the University in the thirteenth century the evolution of the University is traced from the original Corporation of masters and Scholars through the early development of the colleges The second half of the book focuses on the century from the 1440s to 1540s which saw the flowering of the University under Tudor patronage In the decades preceding the Reformation many colleges were founded the teaching structures reorganised and the curriculum made more humanistic The place of Cambridge at the forefront of northern European universities was eventually assured when Henry VIII founded Trinity College in 1546 in the face of changes and difficulties experienced during the course of the Reformation

**Collected Wisdom of the Early Modern Scholar** Anna Marie Roos, Gideon Manning, 2023-01-01 This book brings together leading scholars in the history of science history of universities intellectual history and the history of the Royal Society to honor Professor Mordechai Feingold The essays

collected here reflect the impact Feingold's scholarship has had on a range of fields and address several topics including the dynamic pedagogical techniques employed in early modern universities networks of communication through which scientific knowledge was shared experimental techniques and knowledge production the life and times of Isaac Newton Newton's reception and the scientific culture of the Royal Society Modeling the interdisciplinary approaches championed by Feingold as well as the essential role of archival studies the volume attests to the enduring value of his scholarship and sets a benchmark for future work in the history of science and its allied fields

**Jane Austen: Daddy's Girl** Zöe Wheddon, 2024-05-16 Jane Austen Daddy's Girl The Life and Influence of the Revd George Austen is a poignant and pertinent examination of a relationship which became the cornerstone of Jane's life the bedrock of family and faith as she knew them Our epic journey through the life and times of the Reverend George Austen will lead us from his early childhood and humble beginnings as an orphan through his schooldays and on to Oxford University and beyond We will follow his career in the Church of England and as master of his own boarding school as well as peek into his marriage and home life Dovetailed in with this revealing biography is a thorough interpretation of fatherhood as a theme as outlined in Jane's novels with scrutiny of the fathers of all her most beloved fictional families Chapter by chapter we will understand more about Jane's own view on fatherhood and how the Reverend Austen as her father colored and created that view As we draw George and Jane's relationship closer to us we understand anew the many layers of clever meaning that Jane Austen interlaced within her stories Through an examination of this unique father daughter bond Jane Austen fans everywhere can pull up a footstool in George's library and become further united in spirit with their beloved novelist

**Bent's Literary Advertiser and Register of Engravings, Works on the Fine Arts**, 1857 [The Nation](#), 1888 **A Supplement to Allibone's Critical Dictionary of English Literature and British and American Authors** John Foster Kirk, 1891 [Bishop Richard Fox of Winchester](#) Clayton J. Drees, 2014-07-18 Bishop Richard Fox of Winchester 1448-1528 was an important early modern English prelate whose tireless service to his church to his king and to humanist studies single him out as one of the great shapers of the Tudor age This book explores the life and career of Bishop Fox as an architect of his world not only literally physically designing chapels and colleges but also figuratively building the careers of other important Tudor personalities such as Thomas Wolsey and John Fisher Fox also laid the foundation for humanist learning in England by establishing Corpus Christi College at Oxford and he negotiated the treaties and marriages that in time produced the Tudor and Stuart successions
