Register Of Thomas Rotherham Archbishop Of York 14801500 I

**Stephanie Carter, Kirsten Gibson, Roz
Southey**

Register Of Thomas Rotherham Archbishop Of York 1480-1500 I:

The Register of Thomas Rotherham, Archbishop of York, 1480-1500 Eric Ernest Barker, 1976 *Calendar of Entries in the Papal Registers Relating to Great Britain and Ireland* Catholic Church. Pope, Great Britain. Public Record Office, 1986

The King's Felons Margaret McGlynn, 2023-03-03 The King's Felons examines the subtle but intentional development of criminal confinement as an alternative to capital punishment in early Tudor England. As the judicial establishment looked for ways to enhance law and order without provoking political opposition, they increasingly turned to two traditional mitigations of criminal punishment: benefit of clergy and sanctuary. Often reviled as corrupt clerical rights which served to undermine secular authority, the rule of law, benefit of clergy and sanctuary in fact provided the justices with room to manoeuvre, allowing them to punish a larger number of felons less harshly while avoiding political scrutiny. *The King's Felons* explores the evolution of this approach over a period of sixty years, allowing us to see not only the internal development of both law and process, but the ways in which the judicial system responded to external pressures. The dissolution of the monasteries between 1536 and 1540, together with the steady erosion of the wealth and power of the bishops, meant that the institutional and financial foundations on which the justices built this system began to crumble as it was reaching fruition. Over the next two decades, they scrambled with limited success to secure some small vestiges of the system they had built. The epilogue connects the state of the system in the aftermath of this collapse to our existing understanding of the system in the later part of the century. Providing the first detailed study of criminal justice in the early Tudor period, *The King's Felons* highlights the role of the Church in the administration of criminal justice and reframes our understanding of many significant acts of the Reformation parliament. This book is a must-read for students and scholars of Tudor history, legal historians, and those interested in the role of the church with regard to politics, law, and crime. *The Heads of Religious Houses* David M. Smith, Vera C. M. London, 2001-08-09 This book is a continuation of *The Heads of Religious Houses, England and Wales, 940-1216*, edited by David Knowles, C. N. L. Brooke, and Vera London, which itself is reissued with substantial addenda by Professor Brooke. This present volume continues the lists from 1216 to 1377. In this period, further record sources have been provided by episcopal registers, governmental enrolments, court records, and so on. Full references are given for establishing the dates and outline of the career of each abbot or prior, abbess or prioress, when known. The lists are arranged by order: the Benedictine houses, independent dependencies, and alien priories; the Cluniacs; the Grandmontines; the Cistercians; the Carthusians; the Augustinian canons; the Premonstratensians; the Gilbertine order; the Trinitarian houses; the Bonhommes; and the nuns. An introduction discusses the nature, use, and history of the lists and examines critically the sources on which they are based. **Music in North-east England, 1500-1800** Stephanie Carter, Kirsten Gibson, Roz Southey, 2020 This collection situates the North East within a developing nationwide account of British musical culture. **Christian Names in Local and Family History** George Redmonds, 2004-04-13 Surnames have always provided key links in historical research.

This groundbreaking new work shows that first names can also be highly significant for those tracing genealogies or studying communities. Standard works on first names have always concentrated on etymology. George Redmonds goes much further; he believes that every name has a precise origin and history of expansion which can be regional or even local up to c 1700. It may even have centred on one family. This text fully explores the implications of this belief for local and family history and challenges many published assumptions on the historical frequency of first names. **Seeking Sanctuary** Shannon

McSheffrey, 2017-06-30. *Seeking Sanctuary* explores a curious aspect of premodern English law: the right of felons to shelter in a church or ecclesiastical precinct, remaining safe from arrest and trial in the king's courts. This is the first volume in more than a century to examine sanctuary in England in the fifteenth and sixteenth centuries. Looking anew at this subject challenges the prevailing assumptions in the scholarship that this medieval practice had become outmoded and little used by the fifteenth and sixteenth centuries. Although for decades after 1400 sanctuary seeking was indeed fairly rare, the evidence in the legal records shows the numbers of felons seeking refuge in churches began to climb again in the late fifteenth century and reached its peak in the period between 1525 and 1535. Sanctuary was not so much a medieval practice accidentally surviving into the early modern era as it was an organism that had continued to evolve and adapt to new environments and indeed flourished in its adapted state. Sanctuary suited the early Tudor regime; it intersected with rapidly developing ideas about jurisdiction and provided a means of mitigating the harsh capital penalties of the English law of felony that was useful not only to felons but also to the crown and the political elite. Sanctuary's resurgence after 1480 means we need to rethink how sanctuary worked and to reconsider more broadly the intersections of culture, law, politics and religion in the years between 1400 and 1550. **Death and Burial in Medieval England 1066-1550** Christopher Daniell, 2005-06-20. Bringing

together knowledge accumulated from historical, archaeological and literary sources, Daniell paints a vivid picture of the entire phenomenon of medieval death and burial. A big contribution to medieval and early modern studies. **The English People at War in the Age of Henry VIII** Steven J. Gunn, 2018. War should be recognised as one of the defining features of life in the England of Henry VIII. Henry fought many wars throughout his reign and this book explores how this came to dominate English culture and shape attitudes to the king and to national history, with people talking and reading about war and spending money on weaponry and defence. **Love Spells and Lost Treasure** Tabitha Stanmore, 2022-12-22. A ground

breaking book which introduces the concept of service magic while re-evaluating magic in medieval and early modern English society. *Stoke Field* David Baldwin, 2006-09-19. The Battle of Stoke, the last and most neglected armed clash of the Wars of the Roses, is one of history's great might-have-beens. The forces of the first Tudor king, Henry VII, confronted the rebel army of the pretender Lambert Simnel and his commander, the Earl of Lincoln. Henry's victory over the Yorkists was decisive; it confirmed the crown to the House of Tudor for more than a century. David Baldwin's fascinating and meticulously researched study of the battle gives a keen insight into the opposing armies, their commanders and the bloody dynastic

politics of the period **Henry VII and the Tudor Pretenders** Nathen Amin,2021-04-15 New in paperback Explore a fascinating look at the three pretenders to the Tudor throne Simnel Warbeck and Warwick **The Lives of Tudor Women** Elizabeth Norton,2016-10-06 The turbulent Tudor age never fails to capture the imagination But what was it actually like to be a woman during this period This was a time when death in infancy or during childbirth was rife when marriage was usually a legal contract not a matter for love and the education of women was minimal at best Yet the Tudor century was also dominated by powerful and characterful women in a way that no era had been before Elizabeth Norton explores the seven ages of the Tudor woman from childhood to old age through the diverging examples of women such as Elizabeth Tudor Henry VIII s sister who died in infancy Cecily Burbage Elizabeth s wet nurse Mary Howard widowed but influential at court Elizabeth Boleyn mother of a controversial queen and Elizabeth Barton a peasant girl who would be lauded as a prophetess Their stories are interwoven with studies of topics ranging from Tudor toys to contraception to witchcraft painting a portrait of the lives of queens and serving maids nuns and harlots widows and chaperones **The Knights Hospitaller of the English Langu** **1460-1565** Gregory O'Malley,2005-09-22 The Knights of St John of Jerusalem also known as the Hospitallers were a military religious order subject to monastic vows and discipline but devoted to the active defence of the Holy Land After evacuating the Holy Land at the beginning of the fourteenth century they occupied Rhodes which they held into the sixteenth century when their headquarters moved to Malta Branches of the order existed throughout Europe and it is the English branch in the fifteenth and sixteenth centuries that is examined here Among the major subjects researched by O Malley are the recruitment of members of the Hospital and their family ties the operation of the order s career structure the administration of its estates its provision of spiritual and charitable services and the publicity and logistical support it provided for the holy war carried on by its headquarters against the Ottoman Turks It is argued that the English Hospitallers in particular took their military and financial duties to the order very seriously making a major contribution to the Hospital s operations in the Mediterranean as a result They were able to do so because they were wealthy had close family and other ties with gentle and mercantile society and above all because their activities had royal support Where this was lacking or ineffective as in Ireland the Hospital might become the plaything of local interests eager to exploit its estates and its wider functions might be neglected Consequently the heart of the book lies in an extended discussion of the relationship between senior Hospitaller officers and the governing authorities of Britain and Ireland It is concluded that rulers were generally supportive of the order s activities but within strict limits particularly in matters concerning appointments the size of payments to the east and the movement and foreign allegiances of senior brethren When these limits were breached or at times of political or religious sensitivity such as the 1460s and 1530s the Hospital s personnel and estates would suffer In addition more general areas of historical debate are illuminated such as those concerning the relationship between late medieval societies and the religious orders British attitudes to Christendom and holy war and the rights of rulers over their

subjects This is the first such book to be based on archival records in both Britain and Malta and will make a major contribution to understanding the order's European network its place in the ordering of Latin Christendom and in particular its role in late medieval British and Irish society England's Northern Frontier Jackson W. Armstrong, 2020-11-12 Explains the history of England's northern borderlands in the fifteenth century within a broader social political and European context

The Growth of English Schooling, 1340-1548 Jo Ann Hoeppner Moran, 2014-07-14 In contrast to the prevailing view this book reveals the educational revolution of the 1500s to have grown from an earlier expansion of elementary and grammar education in the fourteenth fifteenth and early sixteenth centuries Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Dependent Pories of Medieval English Monasteries Martin Heale, 2004 This study charts for the first time the history of the 140 or so daughter houses of English monasteries which have always been overshadowed by the French cells in England the so called alien priories The first part of the book examines the reasons for the foundation of these monasteries and the relations between dependent priories and their mother houses bishops and patrons The second part investigates everyday life in cells the priories interaction with their neighbours and their economic viability The unusual pattern of dissolution of these houses is also revealed Because of the tremendous bulk of material to survive for English dependencies this is the most detailed account of a group of small monasteries yet written Although daughter houses are in many ways unrepresentative of other lesser monasteries their experience sheds a great deal of light on the world of the small religious house and suggests that these shadowy institutions were far more central to medieval religion and society than has been appreciated BOOK JACKET

A Supplementary Guide to the Archive Collections in the Borthwick Institute of Historical Research Borthwick Institute of Historical Research, David Michael Smith, 1980 **Kingship, Society, and the Church in Anglo-Saxon Yorkshire** Thomas Pickles, 2018-11-08 Inspired by studies of Carolingian Europe *Kingship Society and the Church in Anglo Saxon Yorkshire* argues that the social strategies of local kin groups drove conversion to Christianity and church building in Yorkshire from 400 1066 AD It challenges the emphasis that has been placed on the role and agency of Anglo Saxon kings in conversion and church building and moves forward the debate surrounding the minster hypothesis through an inter disciplinary case study Members of Deiran kin groups faced uncertainties that predisposed them to consider conversion as a social strategy in their rule between 600 and 867 Their decision to convert produced a new social fraction the ecclesiastical aristocracy with a distinctive but fragile identity The ecclesiastical aristocracy transformed kingship established a network of religious communities and engaged in the conversion of the laity The social and political instabilities

produced by conversion along with the fragility of ecclesiastical identity resulted in the expropriation and re organization of many religious communities Nevertheless the Scandinavian and West Saxon kings and their nobles allied with wealthy and influential archbishops of York and there is evidence for the survival revival or foundation of religious communities as well as the establishment of local churches **The Publications of the Pipe Roll Society** ,2018 Some vols include Report of the Society

Register Of Thomas Rotherham Archbishop Of York 14801500 I Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has be much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Register Of Thomas Rotherham Archbishop Of York 14801500 I**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Register Of Thomas Rotherham Archbishop Of York 14801500 I Introduction

Register Of Thomas Rotherham Archbishop Of York 14801500 I Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Register Of Thomas Rotherham Archbishop Of York 14801500 I Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Register Of Thomas Rotherham Archbishop Of York 14801500 I : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Register Of Thomas Rotherham Archbishop Of York 14801500 I : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Register Of Thomas Rotherham Archbishop Of York 14801500 I Offers a diverse range of free eBooks across various genres. Register Of Thomas Rotherham Archbishop Of York 14801500 I Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Register Of Thomas Rotherham Archbishop Of York 14801500 I Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Register Of Thomas Rotherham Archbishop Of York 14801500 I, especially related to Register Of Thomas Rotherham Archbishop Of York 14801500 I, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Register Of Thomas Rotherham Archbishop Of York 14801500 I, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Register Of Thomas Rotherham Archbishop Of York 14801500 I books or magazines might include. Look for these in online stores or libraries. Remember that while Register Of Thomas Rotherham Archbishop Of York 14801500 I, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Register Of Thomas Rotherham Archbishop Of York 14801500 I eBooks for free, including popular titles. Online

Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Register Of Thomas Rotherham Archbishop Of York 14801500 I full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Register Of Thomas Rotherham Archbishop Of York 14801500 I eBooks, including some popular titles.

FAQs About Register Of Thomas Rotherham Archbishop Of York 14801500 I Books

1. Where can I buy Register Of Thomas Rotherham Archbishop Of York 14801500 I books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Register Of Thomas Rotherham Archbishop Of York 14801500 I book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Register Of Thomas Rotherham Archbishop Of York 14801500 I books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Register Of Thomas Rotherham Archbishop Of York 14801500 I audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Register Of Thomas Rotherham Archbishop Of York 14801500 I books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
