Proceedings of the Marine Safety Council, 1998    **A Practical Guide to Air Quality Compliance** Russell E. Erbes, 1996-04-23 This easy to read guide links the regulatory and technical aspects of air quality compliance in one self-contained volume. This unique handbook explains air quality compliance in plain language free of legalese. Russell E. Erbes draws on twenty years of industrial air quality compliance experience as he clarifies the complex regulatory and technical issues facing industry in the wake of the 1990 Clean Air Act Amendments. He guides the reader through a labyrinth of demanding regulations, rising costs, and complex procedures. A Practical Guide to Air Quality Compliance, Second Edition sorts through requirements and helps environmental professionals manage compliance effectively and efficiently whatever the needs of their facilities. Filled with real world examples that illustrate both problems and solutions, it features Unwritten applicability guidelines known only by technical experts in air compliance. Tips on obtaining permits and variances and monitoring and ensuring compliance. Appendices that explain terms, list air toxins and potential health risks, and more. Coverage of Title V programs, acid rain provisions, stratospheric ozone protection, atmospheric dispersion modeling, and risk assessment methodologies. A chapter on the new criminal and civil penalties for non-compliance. A survey of the major differences among federal, state, and local requirements. For environmental managers and engineers at industrial facilities, environmental consultants and attorneys and professionals in regulatory agencies, this practical guide removes the guesswork from the air quality compliance process.

Handbook of Emotion Regulation James J. Gross, 2013-12-17 This book has been replaced by Handbook of Emotion Regulation, Third Edition ISBN 978 1 4625 4941 2    **Social and Emotional Development in Infancy and Early Childhood** Janette B. Benson, Marshall M. Haith, 2010-05-21 Research is increasingly showing the effects of family, school, and culture on the social, emotional, and personality development of children. Much of this research concentrates on grade school and above, but the most profound effects may occur much earlier in the 0-3 age range. This volume consists of focused articles from the authoritative Encyclopedia of Infant and Early Childhood Development that specifically address this topic and collates research in this area in a way that isn't readily available in the existing literature covering such areas as adoption, attachment, birth order, effects of day care, discipline, and compliance, divorce, emotion regulation, family influences, preschool routines, separation anxiety, shyness, socialization, effects of television, etc. This one-volume reference provides an essential, affordable reference for researchers, graduate students, and clinicians interested in social psychology and personality, as well as those involved with cultural psychology and developmental psychology. Presents literature on influences of families, school, and culture in one source saving users time searching for relevant related topics in multiple places and literatures in order to fully understand any one area. Focused content on age 0-3 save time searching for and wading through lit on full age range for developmentally relevant info. Concise, understandable, and authoritative for immediate applicability in research.
