Bonnie Morris,2025-09-12 Women s History For Beginners offers a lively revealing and provocative overview of this

important and controversial academic field Who are the great women of history and why don t we know more about them You

don t need to be a scholar to notice that men s history dominates everything we learn in school yet a quick tour of the past

reveals dynamic female role models at every turn This is more than an introduction to women s roles and contributions

across time It also examines the ways that women in all societies have been ruled by men according to law and custom

Women s History For Beginners opens with a critical investigation of why so few of us are exposed to women s history in our

years of schooling and why educators and political groups remain leery of bringing fair accurate women s history content

into the classroom even now It concludes with the reminder that women too are divided by race and class and nationality that

there is no one size fits all women s history but many different versions each worthy of investigation and understanding
