Soul Healing Reiki, 2024-06-30 Soul Healing Reiki **The Theosophical Path** Katherine Augusta Westcott Tingley, 1921 **Plato's Republic: The Myth of ER** George Charalampidis, 2016-12-30 The Myth of Er is the epilogue of Plato's Republic. It could be considered as an independent text that refers to the greatest philosophical question of all times: Where does our soul go when we die and where does it come from when we are born? Socrates, in order to give an answer that would lead to a safe conclusion, connects the journey of our soul to the function of our planetary system and tries to analyze the following sacramental but also scientific issues: What is the difference between a developed soul and a developed mind? Why is the cultivation of virtues necessary? Which are the three roads of Hades and their connection to the Van Allen belts? How are the penalties and rewards to our soul defined? Where is Tartarus? What does the spindle of necessity symbolize? How are space, time, and the Kuiper belt connected? What does the existence of Sirens and the three fates mean? What is the procedure of our incarnation? What contract do we sign before we reincarnate on planet earth? Which is the role of free will? What does the mystery of the Dionysian theatre symbolize? What difference is there between reincarnation and metempsychosis? What is Socrates' genius or our guardian angel? Evolution of Humanity Unveiled: A Primer Ira L. Palmer, 2024-12-09 In the most extraordinary news to embrace schoolyard Earth in 98,000 years, members of the kingdom above the human kingdom, called the Kingdom of Souls, have offered to work alongside humanity, providing incorruptible consultation if allowed to solve perennial problems: tumultuous divisions, violence, and costly wars against our brothers; toxic, pervasive pollution; dehumanizing injustices; massive deceptions and lies that cloud our judgment; as yet again, humanity struggles to find the correct pathway forward. Many await the reappearance of Maitreya, Jesus Christ, Saint Germaine, Koot Humi, Jupiter, and ten other Masters of Life, eventually forty, to openly manifest and show us how sharing, cooperation, justice, and sacrifice will be built bit by bit, leading to an unprecedented era of peace, prosperity, and scientific marvels. Read how their priorities: proper food, water, sanitation, adequate shelter, health care, and education as basic rights, will gradually become our priorities as we realize and assist the role of the soul, the Masters, and God in bringing hope and opportunity to despairing humanity. Worldwide capitalism and socialism will coexist while those willing to help will roll up their sleeves to assist. Humanity anxiously awaits the Day of Declaration when Maitreya will share his credentials, a brief history of the planet, and what lies ahead if we choose to ignore our doubts and fears and forge a glorious future based on unity, free energy, thousands of miraculous cures, and healing at source levels of the invisible etheric body and much beyond description. Read this book and look to your soul and heart for guidance. *The Shape of the Soul* Paul Marshall, 2019-03-18 An essential read for any true seeker. Creation—Path of the Soul John Michael Paul, 2015-10-28 We were never intended to be dominated by all the negation and inharmony that exists in the world We were fashioned equipped and given power for one purpose only and that is to transmute every negative and inharmonious condition which exists in the world Yet we find very few that know this is the reason for which we were created We do not know what our true purpose is because we do not know the real foundation of our being and are not familiar with the laws of creation We do not understand the reasoning behind the things we do in our metaphysical rituals and practices By studying creation we receive all the answers CreationPath of the Soul gives an understanding of creation from the Void to the Cosmic to the Cosmos down to our very soul so we can understand what the will of the Cosmic is and what the meaning of life and our purpose in being are CreationPath of the Soul uses the Kabbala to go through creation step by step making creation easy to understand By understanding the laws of creation more questions are answered than are asked CreationPath of the Soul looks into such topics as astral travel the Akashic records reincarnation cause and effect the conscious subconscious and superconscious minds and other metaphysical areas of interest CreationPath of the Soul has practical exercises for astral travel reading the Akashic records for past life regression coordinating the conscious and subconscious minds to increase intuition and transmuting the darkness

Reincarnation and the Law of Karma William Walker Atkinson, 1908 By Reincarnation we mean the repeated incarnation or embodiment in flesh of the soul or immaterial part of man s nature The term Metempsychosis is frequently employed in the same sense the definition of the latter term being The passage of the soul as an immortal essence at the death of the body into another living body The term Transmigration of Souls is sometimes employed the term being used in the sense of passing from one body into another But the term Transmigration is often used in connection with the belief of certain undeveloped races who held that the soul of men sometimes passed into the bodies of the lower animals as a punishment for their sins committed during the human life But this belief is held in disrepute by the adherents of Reincarnation or Metempsychosis and has no connection with their philosophy or beliefs the ideas having sprung from an entirely different source and having nothing in common There are many forms of belief many degrees of doctrine regarding Reincarnation as we shall see as we proceed but there is a fundamental and basic principle underlying all of the various shades of opinion and divisions of the schools This fundamental belief may be expressed as the doctrine that there is in man an immaterial Something called the soul spirit inner self or many other names which does not perish at the death or disintegration of the body but which persists as an entity and after a shorter or longer interval of rest reincarnates or is re born into a new body that of an unborn infant from whence it proceeds to live a new life in the body more or less unconscious of its past existences but containing within itself the essence or results of its past lives which experiences go to make up its new character or personality It is usually held that the rebirth is governed by the law of attraction under one name or another and which law operates in accordance with strict justice in the direction of attracting the reincarnating soul to a

body and conditions in accordance with the tendencies of the past life the parents also attracting to them a soul bound to them by some ties in the past the law being universal uniform and equitable to all concerned in the matter This is a general statement of the doctrine as it is generally held by the most intelligent of its adherents
