Reincarnation And Past Lives:

Reincarnation Paul Roland, 2009-04-01 Do you ever feel a strange affinity to a particular time period or profession or recall flashes of another life that you can't explain Reincarnation the belief that we are all reborn many times lies at the heart of many of the oldest religions philosophies and faiths It is being recognized by more and more people today as the truth behind who we really are If you want evidence of reincarnation you'll find it within these pages Read about the children who identified long dead family members from photographs they had never seen before the sisters who could remember how they died and the man who was a Confederate colonel in the American Civil War and still has the scars to prove it This book also includes A self regression exercise to help you find out who you once were Instructions to identify the physical symptoms of past life trauma Out of body experiences near death experiences and how to heal the past Exclusive interviews with Carol Bowman one of America's foremost past life regression therapists and celebrity regression specialist Lee Everett who reveals some of the past lives of Elton John and Brian May

Past Lives Peter Fenwick, Elizabeth Fenwick, 2001-07-01 For centuries the existence of reincarnation has been a firmly held belief of millions that crosses races religions and cultures In Past Lives Dr Peter Fenwick and Elizabeth Fenwick examine this extraordinary phenomenon by attempting to determine whether people are experiencing actual memories or thoughts and ideas based on imagination Featuring more than 100 firsthand accounts from those who believe they can recall their previous existences this insightful exploration of reincarnation may change the way you think and challenge your views of life itself A World War II veteran relives the moment of his death in the cockpit of a bi plane during the first World War A hypnotized woman starts speaking with an Irish brogue about her life in Ireland although she's never visited there While vacationing in Egypt a woman correctly describes a temple she was once worshipped in without ever having been inside

Children's Past Lives Carol Bowman, 2012-02-01 Has your child lived before In this fascinating controversial and groundbreaking book Carol Bowman reveals overwhelming evidence of past life memories in children Not only are such experiences real they are far more common than most people realize Bowman's extraordinary investigation was sparked when her young son Chase described his own past life death on a Civil War battlefield an account so accurate it was authenticated by an expert historian Even more astonishing Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory Inspired by Chase's dramatic healing Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives spontaneously and naturally In Children's Past Lives she tells how to distinguish between a true past life memory and a fantasy offers practical advice to parents on how to respond to a past life memory and shows how to foster the spiritual and healing benefits of these experiences Perhaps the most moving convincing and best documented evidence yet for life after death Children's Past Lives will stand alongside the classics of Betty J Eadie Raymond Moody and Brian Weiss in its power to comfort uplift and transform our thinking about life after death
