## **Reinventing Politics Eastern Europe From Stalin To Havel:**

*Reinventing Politics* Vladimir Tismaneanu, 2000-10-06 *Reinventing Politics* gives an account of East European politics from the time of Soviet domination to the 1989 90 revolutions and considers the effect of tyranny on East European culture and politics the chances for successful and harmonious development in the region and its relationship with the rest of Europe Using primary materials from Eastern European democratic movements Tismaneanu shows how dissident enclaves grassroots political groups independent unions and underground initiatives spearheaded the spontaneous outbursts of discontent that led to the nonviolent collapse of communist dictatorships In an illuminating exciting comparative analysis of the breakup of the Soviet Union's outer empire Tismaneanu identifies bureaucratic inertia renascent authoritarian tendencies and the lure of populist adventurers as key obstacles to democracy Publishers Weekly [Eastern Europe in the Twentieth Century - And After](#) R. J. Crampton, 2002-04-12 Covering all key Eastern European states and their history right up to the collapse of communism this second edition of *Eastern Europe in the Twentieth Century And After* is a comprehensive political history of Eastern Europe taking in the whole of the century and the geographical area Focusing on the attempt to create and maintain a functioning democracy this new edition now examines events in Bosnia and Herzegovina includes a new consideration of the evolution of the region since the revolutions of 1989 91 surveys the development of a market economy analyzes the realignment of Eastern Europe towards the West details the emergence of organized crime discusses each state individually includes an up to date bibliography *Eastern Europe in the Twentieth Century And After* provides an accessible introduction to this key area which is invaluable to students of modern and political history **Democratic Consolidation in Eastern Europe: Volume 2: International and Transnational Factors** Jan Zielonka, Alex Pravda, 2001-06-14 This is the second volume in a two volume series of books on democratic consolidation in Eastern Europe The first volume focused on the issue of institutional engineering This second volume analyses the external parameters of democratic consolidation in thirteen Eastern European countries how different international actors and various economic cultural and security types of transnational pressures have shaped democratic politics in the region The aim is to contrast a set of democracy theories with empirical evidence accumulated in Eastern Europe over the last ten years The volume tries to avoid complex debates about definitions methods and the uses and misuses of comparative research Instead it seeks to establish what has really happened in the region and which of the existing theories are helpful in explaining these developments The volume is divided into two parts The first part presents a conceptual and comparative frame of analysis the second consists of detailed studies of individual countries undergoing democratic consolidation Case study chapters deal with the following countries Estonia and Latvia Hungary Poland the Czech Republic Slovakia Romania Bulgaria and Macedonia the states of former Yugoslavia Belarus and Ukraine and finally Russia The concluding chapter identifies a set of variables responsible for the enormous impact of external factors on democratic consolidation in Eastern Europe It conceptualises the

interplay of internal and external factors impinging upon democracy and shows the interplay of different positive and negative types of external pressures It also evaluates the conscious Western effort to craft or engineer democracy in Eastern Europe

**The handbook of political change in Eastern Europe** Frank H. Aarebrot, 2014-05-14 The editors have succeeded in putting together an excellent group of authors who present a well informed and balanced analysis of the formation of political systems in the examined countries The authors of this book are to be congratulated on the structure and clarity of its presentation This volume makes an interesting contribution to knowledge in this field and should be useful reading for students and experts interested in Central and Eastern European politics Dan Marek Journal of European Area Studies This is a very interesting reference book of the political changes in Eastern Europe since the demise of communism It will prove to be of great use for everybody involved in research on Eastern Europe but it can also offer considerable introductory information to those who have not followed the most recent developments in the region Ioannis Armakolas The Ethnic Conflict Research Digest This major new reference book provides an authoritative and thorough analysis of the political changes which have occurred in Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the transition historical legacies and variations between countries in the sequences of the changes

*The Greengrocer and His TV* Paulina Bren, 2011-06-15 The 1968 Soviet invasion of Czechoslovakia brought an end to the Prague Spring and its promise of socialism with a human face Before the invasion Czech reformers had made unexpected use of television to advance political and social change In its aftermath Communist Party leaders employed the medium to achieve normalization pitching television stars against political dissidents in a televised spectacle that defined the times *The Greengrocer and His TV* offers a new cultural history of communism from the Prague Spring to the Velvet Revolution that reveals how state endorsed ideologies were played out on television particularly through soap opera like serials In focusing on the small screen Paulina Bren looks to the normal of normalization to the everyday experience of late communism The figure central to this book is the greengrocer who in a seminal essay by Vclav Havel symbolized the ordinary citizen who acquiesced to the communist regime out of fear Bren challenges simplistic dichotomies of fearful acquiescence and courageous dissent to dramatically reconfigure what we know or think we know about everyday life under communism in the 1970s and 1980s Deftly moving between the small screen the street and the Central Committee and imaginatively drawing on a wide range of sources that include television shows TV viewers letters newspapers radio programs the underground press and the Communist Party archives Bren shows how Havel's greengrocer actually experienced normalization and the ways in which popular television serials framed this experience Now back by popular demand socialist era serials such as *The Woman Behind the Counter* and *The Thirty Adventures of Major Zeman* provide Bren contends a way of seeing literally and figuratively Czechoslovakia's normalization and Eastern Europe's real socialism
