Relationship Counseling And Psychotherapy:

Engaging Men in Couples Therapy David Shepard, Michele Harway, 2012-03-15 This book will help practitioners overcome one of the leading challenges in couples therapy working effectively with the male partner Men have unique needs and psychological issues that many clinicians may not recognize or know how to address This volume presents chapters by the leading practitioners associated with current therapeutic models including Emotionally Focused Couple Therapy Imago Relationship Therapy Integrated Behavioral Couple Therapy and more Using in depth case examples they demonstrate how their approaches can be adapted to be male sensitive and respond to the ambivalence so many men experience about couples work Special topics are also addressed including infidelity cultural diversity working with veterans and fathering issues This book will enrich therapists work with couples making treatment a welcoming experience for both partners and the treatment process more gratifying for the therapist

Case Studies in Couples Therapy David K. Carson, Montserrat Casado-Kehoe, 2013-06-19 This up to date highly readable theory based and application oriented book fills a crucial void in literature on couple therapy Few books in the couple therapy market bridge the gap between theory and practice texts tend to lean in one direction or the other either emphasizing theory and research with little practical application or taking a cookbook approach that describes specific techniques and interventions that are divorced from any conceptual or theoretical base However couples therapy requires a high degree of abstract conceptual thinking as well as ingenuity inventiveness and skill on the part of the therapist Case Studies in Couples Therapy blends the best of all worlds clinical applications with challenging and diverse couples that have been derived from the most influential theories and models in couples and family therapy all written by highly experienced and respected voices in the field In Case Studies in Couples Therapy readers will grasp the essentials of major theories and approaches in a few pages and then see how concepts and principles are applied in the work of well known clinicians The case studies incorporate a wide variety of couples from diverse backgrounds in a number of different life situations It is simultaneously narrow including specific processes and interventions applied with real clients and broad clearly outlining a broad array of theories and concepts in scope and the interventions in it are directly linked to theoretical perspectives in a clear and systematic way Students and clinicians alike will find the theoretical overview sections of each chapter clear and easy to follow and each chapter s thorough descriptions of effective practical interventions will give readers a strong sense of the connections between theory and practice

Relationship Counseling and Psychotherapy Cecil Holden Patterson, 1974

Theories and Applications of Counseling and Psychotherapy Earl J. Ginter, Gargi Roysircar, Lawrence H. Gerstein, 2018-03-22 This book provides students with the foundational knowledge they need to understand and implement the various therapeutic approaches used in individual counseling

Behavioral, Humanistic-Existential, and Psychodynamic Approaches to Couples Counseling Michael D. Reiter, Ronald J.

Chenail, 2017-01-27 Couples counseling is distinct from individual and family therapy and while ideas from these other

formats may be overlapping applying theoretical concepts to couples has distinctive challenges Behavioral Humanistic Existential and Psychodynamic Approaches to Couples Counseling is unique in that it addresses how to conceptualize various theories around a single case By discussing only one case the reader is more readily able to compare and contrast the theoretical ideas of each theory as well as the pragmatics of techniques Five theories are discussed around four consistent parts history theory of problem formation theory of problem resolution and case transcript **The Practice of Person-Centred Couple and Family Therapy** Charles O'Leary,2011-11-29 In The Practice of Person Centred Couple and Family Therapy Charles O Leary offers a rich description of relationship therapy that draws on the resources of both person centred psychotherapy and systemic and family therapy to present a skilful respectful and empathic approach to working with couples and families Grounded in detailed descriptions of client goals and predicaments the book takes an inside look at the therapist s options and decision making with both clarity and compassion Written in a refreshing lively and personal style the book Provides an abundance of ideas and techniques relevant to each step of the therapeutic process Addresses the complexity of family and couple therapy including chapters on working with same sex couples and working with children and adolescents Offers humanistic depth and breadth to a challenging area of practice with a strong value base and a philosophy that always privileges the client s viewpoint Clear concise and highly readable this is a vital thought provoking text for students trainees and practitioners of counselling and psychotherapy working with couples and families **Psychotherapy Relationships that Work** John C. Norcross,Michael J. Lambert,2019-06-05 First published in 2002 the landmark Psychotherapy Relationships That Work broke new ground by focusing renewed and corrective attention on the substantial research behind the crucial but often overlooked client therapist relationship This highly cited widely adopted classic is now presented in two volumes Evidence based Therapist Contributions edited by John C Norcross and Michael J Lambert and Evidence based Therapist Responsiveness edited by John C Norcross and Bruce E Wampold Each chapter in the two volumes features a specific therapist behavior that improves treatment outcome or a transdiagnostic patient characteristic by which clinicians can effectively tailor psychotherapy In addition to updates to existing chapters the third edition features new chapters on the real relationship emotional expression immediacy therapist self disclosure promoting treatment credibility and adapting therapy to the patient s gender identity and sexual orientation All chapters provide original meta analyses clinical examples landmark studies diversity considerations training implications and most importantly research infused therapeutic practices by distinguished contributors Featuring expanded coverage and an enhanced practice focus the third edition of the seminal Psychotherapy Relationships That Work offers a compelling synthesis of the best available research clinical expertise and patient characteristics in the tradition of evidence based practice **Therapeutic Psychology** Lawrence M. Brammer,Everett L. Shostrom,1977 **The Heart of Couple Therapy** Ellen F. Wachtel,2016-10-05 Grounded in a deep understanding of what makes intimate relationships succeed this book provides concrete guidelines for addressing

the complexities of real world clinical practice with couples Leading couple therapist Ellen Wachtel describes the principles of therapeutic interventions that motivate couples to alter entrenched patterns build on strengths and navigate the legacy issues that each person brings to the relationship She illuminates the often unrecognized choices that therapists face throughout the session and deftly explicates their implications The epilogue by Paul Wachtel situates the author's pragmatic approach in the broader context of contemporary psychotherapy theory and research *Counseling and Therapy for Couples* Mark E. Young, Lynn L. Long, 1998 With its extensive coverage of virtually every aspect of couples counseling this new book offers a broad view of this developing field COUNSELING AND THERAPY FOR COUPLES is one of the first books to propose a single structure that brings together the major theoretical viewpoints for couples counseling Young and Long offer an integrative model within an atheoretical context in which many types of couples are addressed heterosexual same sex culturally mixed married and unmarried *Equal Partners - Good Friends* Claire Low Rabin, 1996 Examines the connection between inequality in marriage and marital distress Drawing on extensive research the book stresses the role of friendship in establishing a truly equal relationship **Understanding the Counselling Relationship** Colin Feltham, 1999-09-13 This book presents contrasting views of the relationship between the counsellor or therapist and the client as held by practioners from diverse theoretical orientations Each chapter clarifies and considers the elements of the counselling relationship which have the most bearing on therapeutic practice and the strengths of each are highlighted in terms of understanding theory and skills The New Therapist It is now widely accepted that the therapeutic relationship referred to here as the counselling relationship may be the most significant element in effective practice Understanding the Counselling Relationship presents contrasting views of the relationship between the counsellor or therapist Solution Building in Couples Therapy Elliott Connie, 2012-09-14 This brief volume presents the basic premises of solution building liberally enriched with examples This is a remarkable book the first of its kind radical in its message written about couples but also suitable for all manner of referrals Choice Current Reviews for Academic Libraries Elliott Connie has written a remarkable book Read it and you will be taken on a journey If you are new to the world of solution focused brief therapy beware This book could capture your heart As Elliott says from the very beginning solution focused brief therapy is simple so simple it is really hard to learn And from this book if you set out to do so you could teach yourself how to become a competent solution focused brief therapist It is all here laid out clearly packed with examples from the real world of therapy repeated and repeated like onion skins each repetition releasing its own flavour a variation on a theme a new understanding of something already known Chris Iveson MA BRIEF London UK Working with couples presents psychotherapists and counselors with a unique set of challenges such that many therapists prefer not to work with couples or attempt to avoid it entirely In the first book written about solution focused therapy SFT with couples author Elliott Connie describes how his use of SFT made working with couples a pleasure rather than a burden The solution focused approach is one that facilitates

cooperation between partners in the creation of an agreed upon future rather than merely focusing on the problems that have come to define the relationship Beginning with a clear explanation of the assumptions and tenets required for the practice of SFT this book presents a step by step breakdown of exactly how to conduct solution building sessions with couples Each chapter focuses on a different part of the therapeutic process and includes sample dialogues techniques and vignettes drawn from the author s own extensive practice Readers will feel as though they themselves are going through the therapeutic process with the couples and observing the impact of each step of the process Numerous exercises and common solution focused questions help readers integrate this new material into their repertoire for immediate use Key Features Provides a unique view of couples therapy in action using the solution focused approach Includes actual questions to ask clients sample dialogues and sample homework assignments Features examples drawn from actual cases illustrating techniques used in practice with real couples Presents scales to measure progress and supporting research for the application of solution focused therapy to couples counseling

Love and Therapy Divine Charura, Stephen Paul, 2018-03-29 Sigmund Freud noted the importance of love in the healing of the human psyche So many of life s distresses have their origins in lack of love disruption of love or trauma People naturally seek love in their lives to feel complete Is therapy a substitute for love Or is it love by another name This important book looks at the place of love in therapy and whether it is the curative factor The authors continually stress however that within psychotherapy both ethical and professional boundaries should govern this Love at all times in order for it to be experienced as healing and therapeutic This book offers explorations of the complexity of love from different modalities psychoanalytic humanistic person centred psychosexual family and systemic transpersonal existential and transcultural The discussions challenge therapists and other allied professionals to think about their practice ethics and boundaries

Constructivist, Critical, And Integrative Approaches To Couples Counseling Michael D. Reiter, Ronald J. Chenail, 2017-01-20 Couples counseling is distinct from individual and family therapy and while ideas from these other formats may be overlapping applying theoretical concepts to couples has distinctive challenges Constructivist Critical and Integrative Approaches to Couples Counseling is unique in that it addresses how to conceptualize various theories around a single case By discussing only one case the reader is more readily able to compare and contrast the theoretical ideas of each theory as well as the pragmatics of techniques Five theories are discussed around four consistent parts history theory of problem formation theory of problem resolution and case transcript This book follows the same format as its companion Behavioral Humanistic Existential and Psychodynamic Approaches to Couples Counseling

Tandem Couples Counseling Justin E. Levitov, Kevin A. Fall, 2020-12-28 This book introduces the protocol known as Tandem Couples Counseling TCC a ground breaking model that provides sound theoretical explanations and interventions that address the inherent difficulties in traditional forms of couples counseling Tandem Couples Counseling An Innovative Approach to Working with High Conflict Couples synthesizes the research literature from the fields of couples counseling and

group work into a compelling therapeutic approach Extensive case examples illuminate the dynamics and skills of the approach Assessment processes and rich descriptions of the treatment protocols are included enabling integration and understanding of how to implement this approach with clients as well as immediately work to improve the connection in existing co therapy arrangements The text is an essential guide for counseling professionals on how to build maintain and use the co therapy relationship as an agent of change for high conflict couples **Psychotherapy Relationships that Work :**

Therapist Contributions and Responsiveness to Patients John C. Norcross University of Scranton,2002-08-22 This book is the result of the American Psychological Association s Division of Psychotherapy Div 29 Task Force aimed at applying psychological science to the identification and promulgation of effective psychotherapy Many efforts to improve therapy have focused on codifying evidence based treatments but in doing so have left the psychotherapeutic relationship behind Clinical experience and research findings underscore that the therapeutic relationship accounts for as much of the outcome as particular treatments This volume s 25 chapters identify the elements of effective therapy relationships and methods of customizing psychotherapy to each patient **Theories of Counseling and Psychotherapy** Cecil Holden Patterson,1986

The Corsini Encyclopedia of Psychology, Volume 1 Irving B. Weiner,W. Edward Craighead,2010-01-19 Psychologists researchers teachers and students need complete and comprehensive information in the fields of psychology and behavioral science The Corsini Encyclopedia of Psychology Volume One has been the reference of choice for almost three decades This indispensable resource is updated and expanded to include much new material It uniquely and effectively blends psychology and behavioral science The Fourth Edition features over 1 200 entries complete coverage of DSM disorders and a bibliography of over 10 000 citations Readers will benefit from up to date and authoritative coverage of every major area of psychology **The Oxford Handbook of Feminist Counseling Psychology** Carolyn Zerbe Enns,Elizabeth Nutt

Williams,2013 This handbook summarizes the progress current status and future directions relevant to feminist multicultural perspectives in counseling psychology It emphasizes enduring topics within counseling psychology such as human growth and development ethics ecological frameworks and counseling theory and practice Intersectionality social justice and the diverse social identities of women and girls are featured prominently
