**Relationship Reprogramming** Elizabeth Fedrick, 2023-11-28      Relationship (Re)programming Elizabeth Fedrick, 2023-11-28 When you start to realize that the person you've been seeing through rose colored glasses isn't the person you thought they were it often feels like it's too late. By that point you're already invested, attached and trapped in a toxic cycle. Even though you're aware of the harm and destruction you catch yourself saying "But when it's good it's so good." Alternatively, maybe you've come to the realization that you're the one not providing the love and compassion your partner needs. But deep down both of you desire a healthy relationship. Dr. Elizabeth knows what it's like to experience these challenges firsthand. She's been divorced, has a strained relationship with her parents and has ridden the rollercoaster of toxic relationships. Yes, she's a therapist and a relationship coach, but that doesn't make her immune to pain and heartache. However, through her own journey of healing and personal growth, she has become an expert in helping others foster better and healthier relationships with themselves and others. Dr. Elizabeth fights every day to be better, to heal and to ensure that her past traumas don't define her. She's committed to showing up as a more compassionate and loving person for her loved ones and herself. You may have picked up this book because you believe something is wrong with you and that's why you struggle in relationships. Dr. Elizabeth is here to challenge that narrative and provide you with reassurance, encouragement and practical tools. She wants to empower you to break free from toxic cycles, embrace self-love and cultivate healthy, fulfilling relationships.
