Teaching Singing in the 21st Century Scott D. Harrison, Jessica O'Bryan, 2014-05-14 This volume brings together a group of leading international researchers and practitioners in voice pedagogy alongside emerging academics and practitioners Encompassing research across voice science and pedagogy this innovative collection transcends genre boundaries and provides new knowledge about vocal styles and approaches from classical and musical theatre to contemporary commercial music The work is sure to be valuable in tertiary institutions schools and community music associations suitable for use by private studio teachers and will appeal to choral leaders and music educators interested in vocal pedagogy I thoroughly enjoyed reading this book and I am confident it will help bring all aspects of vocal pedagogy firmly into the 21st century Refreshingly many different areas of pedagogy are included in the text so we can all work together to more fully understand the singing voice Up to the moment research is included along with an exploration of the evolving contemporary styles of singing Further areas regarding teaching and curriculum in higher education are also reviewed All in all this text a crucial addition to a professional's vocal library Jeanne Goffi Fynn Teachers College Columbia University USA

Grow Younger Daily Eric Franklin, 2017-04-28 *Grow Younger Daily* An Insider's Guide to the Life Changing Use of Imagery The phrase Mind over matter takes on new significance when linked to research into the undeniable connection between imagery and physical and mental health In other words if you can imagine it you can become

it Athletes dancers and fitness experts have used sophisticated mental imagery to enhance their performance and now you can too The Franklin Method developed by author Eric Franklin combines movement and Dynamic Neurocognitive Imagery DNI to harness the transforming power of the mind to move efficiently and keep the physical body young and energized With the power to change the body from the inside out imagery can influence and rejuvenate everything from individual cells to the immune system and organs showing that remaining young is largely a question of attitude Grow Younger Daily provides a roadmap to creating lasting positive physical and mental changes by describing how to harness the plasticity and transformative power of the mind thanks to the author s decades of firsthand experience and practice Acknowledging the power of change is the first step to a younger healthier you Are Epidemics and Vaccinations Billion Dollar Scams? Donald A. Dahlin,2010-12 The author asks Can you answer these questions If you cannot you should read this book 1 Where do bacteria fungi and viruses come from 2 Do they cause disease or are they the result of disease 3 Where do superbugs come from and why 4 What are the basic reasons for the increase of epidemics 5 Can epidemics be prevented without vaccines 6 How are vaccines made and what do they actually do 7 Are vaccinations based on science or on a false biology 8 What is the immune system and how can it be enhanced The field of Medicine is under attack here as it has not advanced in this new century with the promise of greater health less sickness lower healthcare costs but is stuck in the past where searching for the etiology of disease was replaced with a treatment of symptoms At a time in our nation s history when healthcare expenses are huge and are being passed on to present and future generations the truth about infection and disease must be revealed The medical profession s false image has been obvious DrugCare IS HealthCare An entire generation has been kept in the dark about sickness and disease and have been at the mercy of a medical profession that has forsaken science for a dream of huge salaries and unlimited patients seeking medical care The medics have long realized that drugs do not cure anything but rather mask symptoms alleviate pain and discomfort and are a lifetime addiction This book will introduce you to a WHOLE NEW BIOLOGY that will show you how your mind and body respond to natural means of living for health healing and an extended life because it will be under your control to a much larger extent Is this your desire Relax Your Neck, Liberate Your Shoulders Eric N.
