Yes, he's been busy trying to get his family's lingerie business off the ground, but no woman has ever complained about his groove. Thank you very much! He'll just stay in his cabin and work on his marketing campaign for the next week. Well, until he sees her. Dancer Valerie Shaw is working at the camp to save money for her new business venture. ClownFellas Carlton Mellick, III, 2015-07-14 Carlton Mellick III goes past silly through weird detours around dumb blasts through bizarre and gets to a place where the normal physics of narrative no longer apply. You will never be the same. Cory Doctorow, author of *Little Brother* and *Homeland*. In a topsy-turvy world where clowns are killers and crooks, *Little Bigtop* is a three-ring circus of crime and no syndicate is more dangerous than the Binzo family. From the wildly original mind of Carlton Mellick III comes the short story collection *ClownFellas*, an epic mob saga where life is cheap and the gags will slay you. For years the hard-boiled capos of the Binzo family have run all of the funny business in *Little Bigtop*, from the clown brothels to the illegal comedy trade. But hard times have befallen the Binzos now that *Le Mystère*, the French clown Mafia, has started moving in and trying to take over the city. If that weren't enough, they've got to deal with the cops, the Feds, the snitches, the carnies, the mysterious hit man Mr. Pogo and the mutant clowns over in the Sideshow district. With the odds stacked against them, the Binzos must fight to survive or die laughing. Praise for *ClownFellas*! Mario Puzo meets Barnum, however Carlton Mellick may well be all of those things behind a canon of books that all irreverently depart from the form and concepts of traditional novels and adventure, the reader into a howling dark fantasyland of the most bizarre over the top and mind warping inventiveness. In my opinion, *ClownFellas* is his best work to date. Edward Lee, author of *City Infernal* and *Header*. I rarely enjoy clowns, which is

ironic since I've been one for over four decades but ClownFellas is great on so many levels irony being one of them What can I say besides I love it Great read and funny as hell I have been accused of being unfunny before and after the trial I had to enter the Witless Protection Program This is funny Barry Lubin aka Grandma longtime Big Apple Circus clown If Martin Scorsese and Ronald McDonald had a baby this would be it Each story is clever multi layered and filled with witty dialogue A must read This Is Horror Mellick's writing is wonderfully descriptive and wildly imaginative I was utterly delighted amused and engrossed ClownFellas is a gem The Qwillery A rollercoaster ride through a strange world that borders on our own reality a story that is just as difficult to define as it is to put down Examiner.com Mellick has created another amazing read Highly recommended Kitty Horror [The Rise of Tommy Boy](#) Breanna Cone,2006-04 For eighteen years it had been just Tommy Murphy and his mother His father was out of the picture When his mother died she left two letters one telling him the name of his father and another explaining the son to his father The young man travels to New York City to meet his father the famed heavy weight boxer Bruiser Hunter but an unforeseen accident prevented that meeting The boxer's brother disappeared without a trace and was presumed dead Overcome by grief Bruiser dropped out of sight without telling anyone Paddy O Shay his great uncle took the young man under his wing and began training him to be a boxer like his father He knew Bruiser would contact him eventually Six months later they were still waiting when fate stepped in and the whole family was reunited in the small town of Spencer City Connecticut Can two strangers have a normal father and son relationship Breanna Cone credits her Irish ancestry with the gift of gab that helps her spin this tale of the special relationship between a father and child Regardless of your age the love of a parent is a priceless gift indeed Coming in Fall 2006 Romancing Delilah **Past Perfect** Judith P. Stelbourn,2000 This exciting story illustrates the difficulties of letting go learning about yourself and moving on Past Perfect is about shaping memory to fit our illusions and it is about the journeys of erotic discovery and self expression that lead each of the characters to newfound freedoms and passions **His Loving Caress** Candace Shaw,2016-06-01 Hearts in harmony Instead of falling apart when her childhood sweetheart chose his music career over marriage Elle Lauren fled to Paris to study fashion design Her stunning wedding gowns now give other brides the happily ever after she didn't have Ignoring Braxton Chase's long distance apologies has been easy But meeting him once more stirs the deep longings and desires that a decade has not erased Braxton walked away from the pressure to marry at a young age and he's regretted breaking Elle's heart ever since From the moment he sees her again at his Atlanta jazz club he knows he wants more than forgiveness he wants a second chance at the body and soul connection that they once had Can he convince her to trust the sweet seductive melody of their lost love *NYC Angels* Carol Marinelli,2013 Head pediatrician Jack Carter may be the king of emotional detachment but working with psychologist Nina Wilson tests his iron control to the limit When a heart wrenching case throws them together legendary bachelor Jack soon finds that he's getting closer to his colleague than his cool detached persona would like Page 4 of cover **The MAC Flyer** ,1967 *Cottage Lake Soliloquy*
