My Daughter Elinor Frank Lee Benedict, 1869 I See An Angel Rose Mary Luke, 2022-11-03 This book offers the reader a precise and rare opportunity to explore an extraordinary spiritual experience It is an introduction into a heavenly event that began with the appearance of an Angel Most importantly this is a testament to why the Angel appeared to Rose Mary in the hospital on October 7 2011 What is very distinctive about this book is the author endeavors to convey to the reader a detailed chronicle of this glorious event that she personally witnessed It is unlike any other book previously written because of the appearance of the Angel and the profound message conveyed to Rose Mary by the Angel through the power of the Holy Spirit The Angel said to her I bring you a message Tell them it is almost time This message contains only six words but the impact of these words will prove to be of great significance for all Humanity The message while a profound warning in its origin is also a message of hope What will God's children interpret the message to mean What does God truly expect from His children Almighty God loves all His children so much that it is beyond our capacity of understanding God desires all His children to learn how to love one another and to live in peace God is trying to get our attention before evil destroys Humanity and the entire world The message is a severe reminder that God loves every Soul immensely but God's people must return this love by proving to Him we all have the moral convictions to turn our back on evil and love and trust in His mercy It was during the process of writing the book that the author was further inspired by the Holy Spirit through the Angel to persevere and reveal what must be said There are thirty three intense chapters Each chapter is a culmination of issues pertinent to why the Angel appeared with a profound message Our Holy Father who is in Heaven watches over His children with infinite love compassion and mercy The overall responsibility of Rose Mary to write this book has become a mission of love for her I See An Angel is the most vital endeavor of the author's life The amazing account of the event that took place by a visit from an Angel merits only the highest degree of recognition to Almighty God All praise and honor is yours Almighty Father forever and ever

Angels, Mysteries, and Miracles Bruce G Epperly, 2017-08-14 There is a tendency among modern Christians to avoid comment on the idea of miracles or mysterious events that might indicate the direct intervention of God There is an even more pronounced belief that modern liberal or progressive Christians will avoid these ideas A God who is distant the source of everything is acceptable but the idea of supernatural activity is embarrassing at best There is virtually no room for theological discussions of angels demons and paranormal experiences Bruce Epperly is a process theologian and a leading thinker in progressive Christian theology and he believes we need to take another look at God and God's involvement in the

universe in which we live Rather than finding ways to defend the intrusive interventions of a distant supernatural God in the traditional sense of the word miracle Bruce sees God as closer so close in fact that God is part of all events God providentially acts in all things not in terms of outside intervention but through ongoing natural interactions that change our lives and the world Join Dr Bruce Epperly as he explores a world of wonders in which is God uncomfortably and comfortingly subtly and actively present Never Alone Again Heidi McGraw,2014-07-14 Autumn Goldschmidt had everything going for her her dreams where full her family and friends were right by her side nothing was going to stop her she felt on top of the world knowing her whole life was ahead of her but that all changed on that dreadful night when she was left all alone after her parents passed away in a car accident If that wasnt enough she was then ripped away from the only other family and life she knew Autumns aunt and uncle had made the choice to ship her off to a boarding school telling her it was in her best interest Autumn wanted to stay and had begged them to let her stay with them but once the cab door was shut and she was closed off from the only family she knew she allowed the walls to build up around her heart and she vowed never to return to Jackson Montana ever again Autumn started her life over in Homer Nevada where she opened a small little shop where she threw herself into her work She made a point not to make friends or see anyone Her life had become her shop until her best friend Nichole asked her to come back to Jackson Montana where all her dreams had disappeared and her abandonment issues started Once Autumn was back in Jackson Montana she had all her raw emotions she tried to bury dead inside of her seep out and things started to happen to her once more **Unleash** Paige Bevans,2020-09-29 It starts as a quiet rebellion stirring in your bones No matter what age you are if you are woman you know the demands placed upon you to be everything for everyone all the time With all her energy going to family career and endless errands it is no wonder she can t shake the feeling that somehow along the way she left behind a piece of herself It may surprise you to know that it is much easier than you think to get back that spark that your younger self had so naturally The way to her is through the Wild Feminine a fire that burns fierce in the hearts of all women While constraints of everyday life may have dwindled that fire it can never be fully extinguished Unleash will take you on a journey within where you will kick up the ashes and find the embers still glowing In understanding how you have arrived in this place the patterns that keep you here and how to break free of them you will see that living life as a passionate and wild female is exactly how your younger self always dreamed you would live You are made of fire Angels Within Us John Randolph Price,2010-11-24 THE ANGELS WITHIN US shows how to pinpoint your own trouble spots discover which angel waits beyond reach and ask it for guidance In a step by step process that includes meditations practical exercises and examples of angelic conversations experienced by the author and others you will meet the Angel of Unconditional Love and Freedom catalyst of all angels You will then learn about the twenty one other angels whose energies are attuned to such realms as Illusion and Reality Creative Wisdom Abundance Power and Authority and more THE ANGELS WITHIN US guides you to that exalted and natural existence where you can be as cosmically whole
