Butterworth, 2001-01-01 One of the greatest challenges facing mankind today is the need to find a faith that will serve modern man and his problems The lack of such a faith could explain why so many people are becoming drop outs from Christianity Eric Butterworth's book is a result of the author's personal search for a practical day to day Christianity The greatest discovery of all time he says in *The Power Within* was that made by Jesus of the divine dimension in every human being Christianity says the author has emphasised the divinity of Jesus but Jesus Himself taught the divinity of man His most vital mission on earth was to help man discover this The entire Gospel message deals with techniques for unfolding this divine potential and Eric Butterworth's book in its close relationship to the teaching of Jesus is thus a valuable self help book for modern men and women who are seeking a truly full way of life Like Emmet Fox the author asks What did Jesus really teach and the direct and simple answers he presents should bring great comfort to many who have forgotten even to ask the question *Resurrecting Jesus* Adyashanti, 2014-04-01 The story of Jesus has not waned in its power to change lives Yet today even though the majority of us grew up in a culture suffused by the mythos of Jesus many of us feel disconnected from the essence and vitality of his teachings With *Resurrecting Jesus* Adyashanti invites us to rediscover the life and teachings of Jesus as a direct path to what may be the most radical of transformations spiritual awakening Jesus crossed all of the boundary lines that separated the people of his time because he viewed the world from the perspective of what unites us not what divides us In *Resurrecting Jesus* Adya asks us to consider the man known as Jesus as a model of enlightened engagement with the world He examines the story of Jesus from his birth to the Resurrection to reveal how the central events in Jesus' life parallel the stages of awakening that we may be called to experience ourselves Adya then illuminates five central archetypes of the Jesus story Peter John Mary Magdalene Judas and Pontius Pilate and the key insights they hold about the way we might relate to the spiritual impulse within Our journey concludes with an inspiring call to live the Christ in a way that is unique to each one of us When the eternal and the human meet writes Adya that's where love is born not through escaping our humanity or trying to disappear into transcendence but through finding that place where they come into union *Resurrecting Jesus* is a book for realizing this union in your own life from one moment to the next with heart and mind wide open to the mystery that lives inside us all
