graduate students taking courses on media and religion Religious Commodifications in Asia Pattana Kitiarsa, 2007-11-09 This book addresses the growing academic concerns of the market religion convergences in Asia Bringing together a group of leading scholars from Asia Europe Australia and North America it discusses multiple issues regarding religious commodifications and their consequences across Asia's diverse religious traditions Covering key issues in the anthropology and sociology of contemporary Asian religion it draws theoretical implications for the study of religions in the light of the shift of religious institutions from traditional religious beliefs to material prosperity. The fact that religions compete with each other in a market of faiths is also at the core of the analysis The contributions show how ordinary people and religious institutions in Asia adjusted to and negotiated with the penetrative forces of a global market economy into the region s changing religio cultural landscapes An excellent contribution to the growing demands of ethnographically and theoretically updated interpretations of Asian religious Commodifications in Asia will be of interest to scholars of Asian religion and new religious movements Was Hinduism Invented? Brian K. Pennington, 2005-04-28 Drawing on a large body of previously untapped literature including documents from the Church Missionary Society and Bengali newspapers Brian Pennington offers a fascinating portrait of the process by which Hinduism came into being He argues against the common idea that the modern construction of religion in colonial India was simply a fabrication of Western Orientalists and missionaries Rather he says it involved the active agency and engagement of Indian authors as well who interacted argued and responded to British authors over key religious issues such as image worship sati tolerance and conversion The Passion of the Christ Neal King, 2017-09-16 A study of controversies over The Passion of the Christ that shows how conservative Christians united in support of Mel Gibson and in opposition to liberal secular and Jewish critics King explores how the public battle in the USA over the editing and rating of this film generated more controversy than any other in recent A Democratic Approach to Religion News Ahmed Topkev, 2024-03-26 This book introduces the first cinematic history systematic and unified four dimension democratic approach to newspaper religion reporting It explores the coverage of faith with a particular focus on Christianity and Islam in the British and Turkish national press The results of framing analysis conducted through content analysis of 1 022 news articles reveal that in both countries alongside the contrasting portrayals of the minority religions even the dominant religions had a disproportioned employment of the four dimensions spiritual world life political and conflict It contributes to scholarship not only empirically but also theoretically and methodologically with its theoretical and methodological contribution surpassing its empirical findings As such it will transcend geographical and temporal boundaries making it appealing and relevant to an international audience of academics professionals and students in the fields of journalism religion democracy media communication society and culture as well as individuals from various backgrounds Engaging Technology in Theological Education Mary E. Hess, 2005-04-19 We live in a media culture surrounded by ever evolving digital technologies While state schools and secular organizations have embraced the new

teaching tools and models for learning that technology affords religious institutions have struggled with how and why to do the same All that we can t leave behind Engaging technology in theological education is a breakthrough book that invites religious educators to both engage and adapt their pedagogy to incorporate new media and technology Drawing from her expertise as a seminary professor and consultant to religious institutions on the use of technology in teaching Mary Hess invites professors pastors seminarians and anyone interested in religious education into critical reflection on ways of engaging technology to enhance learning and serve as critical interpreters within communities of faith

Religion And Popular Culture Studies On The Interaction Of Worldviews: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Religion And Popular Culture Studies On The Interaction Of Worldviews: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic: Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
