Altsheler,2017-06-22 CHAPTER I IN THE VALLEY A young officer in dingy Confederate gray rode slowly on a powerful bay horse through a forest of oak It was a noble woodland clear of undergrowth the fine trees standing in rows like those of a park They were bare of leaves but the winter had been mild so far and a carpet of short grass yet green covered the ground To the rider s right flowed a small river of clear water one of the beautiful streams of the great Virginia valleys Harry Kenton threw his head back a little and drew deep breaths of the cool crisp air The light wind had the touch of life in it As the cool puffs blew upon him and filled his lungs his chest expanded and his strong pulses beat more strongly But a boy in years he had already done a man s work and he had been through those deeps of passion and despair which war alone brings A year spent in the open and with few nights under roof had enlarged Harry Kenton s frame and had colored his face a deep red His great ancestor Henry Ware had been very fair and Harry like him became scarlet of cheek under the beat of wind and rain Had anyone with a discerning eye been there to see he would have called this youth one of the finest types of the South that rode forth so boldly to war He sat his saddle with the ease and

grace that come only of long practice and he controlled his horse with the slightest touch of the rein The open frank face showed hate of nobody although the soul behind it was devoted without any reserve to the cause for which he fought Harry was on scout duty Although an officer on the staff of Colonel Talbot commander of the Invincibles originally a South Carolina regiment he had developed so much skill in forest and field he had such acuteness of eye and ear that he was sent often to seek the camps of the enemy or to discover his plans His friends said that these forest powers were inherited that they came from some far away ancestor who had spent his life in the wilderness and Harry knew that what they said was true Despite the peaceful aspect of the forest and the lack of human presence save his own he rode now on an errand that was full of danger The Union camp must lie on the other side of that little river not many miles farther on and he might meet at any moment the pickets of the foe He meant to take the uttermost risk but he had no notion of being captured He would suffer anything any chance rather than that He had lately come into contact with a man who had breathed into him the fire and spirit belonging to legendary heroes To this man short of words and plain of dress nothing was impossible and Harry caught from him not merely the belief but the conviction also Late in the autumn the Invincibles who had suffered severely at Bull Run and afterward had been cut down greatly in several small actions in the mountains had been transferred to the command of Stonewall Jackson in the Shenandoah Valley Disease and the hospital had reduced the regiment to less than three hundred but their spirits were as high as ever

The Scouts of Stonewall Joseph a Altsheler,2021-04-02 Book Excerpt e meant to know what they intended The Northern troop youths also the average of their age not much more than twenty rode briskly along the edge of the little river which was a shining one for them too as well as Harry They knew that no enemy in force was near and they did not suspect that a single horseman followed keeping in the

edge of the woods his eyes missing nothing that they did As for themselves they were in the open now and the brilliant sunshine quickened their blood Some of them had been at Bull Run but the sting of that day was going with time They were now in powerful force at the head of the great Virginia valleys and they would sweep down them with such impact that nothing could stand before them The trumpet sang its mellow triumphant note again and from across a far range of hills came its like a low mellow note faint almost an echo but a certain reply It was the answer from another troop of their men who rode on a parallel line several miles away Read More **The Scouts of Stonewall** Joseph Alexander
