Second Bride:

The Second Bride Catherine George, 2011-07-15 PENNINGTON The perfect solution Jo fell for Rufus Grierson the day he married her best friend But Jo kept her feelings to herself for Claire's sake After Claire was so tragically taken from them it seemed that Rufus had no cause to see Jo again until the night of his wedding anniversary when he shared his grief with her and neither could deny their mutual attraction Passion led to pregnancy and Jo was surprised when Rufus asked her to marry him She said yes for one simple reason she loved him But to be a father was what Rufus wanted most of all

PENNINGTON A place where dreams come true **Bartered Brides** Nancy Lindisfarne, Nancy Tapper, 1991-05-23 A detailed study of marriage among the Maduzai a tribal society in Afghan Turkistan **Polygynous Marriages among the Kyrgyz** Michele E. Commercio, 2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives Polygyny did continue under communism though chiefly under concealment In the decades since the fall of the Soviet Union the practice has reemerged Based on extensive fieldwork Polygynous Marriages among the Kyrgyz argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union Michele E Commercio's analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender *Jet*, 2003-06-02

The weekly source of African American political and entertainment news *The Other Side Of Polyandry* Sidney Ruth Schuler, 2019-07-11 This book provides demographic data on polyandry and nonmarriage exploring the social and economic context of nonmarriage and its implications vis a vis the position of women in the Nepal It fills gaps in the literature on Tibetan societies with respect to stratification and the position of women *His Dream Interpreters* Phantom Prophet, 2009-03

Dancing with the Nation Ruth Vanita, 2018-02-22 Indian cinema is the only body of world cinema that depicts courtesans as important characters In early films courtesan characters transmitted Indian classical dance music and aesthetics to large audiences They represent the nation's past tracing their heritage to the fourth century Kamasutra and to nineteenth century courtly cultures but they are also the first group of modern women in Hindi films They are working professionals living on their own or in matrilineal families Like male protagonists they travel widely and develop networks of friends and chosen kin They have relations with men outside marriage and become single mothers Courtesan films are heroine oriented and almost every major female actor has played this role Challenging received wisdom Vanita demonstrates that a larger number of courtesans in Bombay cinema are Hindu and indeterminate than are Muslim and that films depict their culture as hybrid Hindu Muslim not Islamicate Courtesans speak in the ambiguous voice of the modern nation inviting

spectators to seize pleasure here and now but also to search for the meaning of life Vanita s groundbreaking study of courtesans and courtesan imagery in 235 films brings fresh evidence to show that the courtesan figure shapes the modern Indian erotic political and religious imagination

Exploring Black Sexuality Robert Staples,2006 In this pioneering nonobjective study a distinguished Black sexologist tackles one of the most controversial aspects of American race relations The subject of Black sexuality has been widely discussed in every possible popular format for the past four hundred years yet serious scholarship in the area is lacking While Black sexuality has been a pervasive force in American life it has been too sensitive a topic for Black or white authors to write about in a serious non polemical format Robert Staples explores same sex attitudes and behavior interracial sexual relations rape prostitution pornography and the stereotypes of Black sexual superiority in this scholarly yet accessible collection Staples shows how vaunted and feared sexual differences were the *raison d etre* of Southern school segregation race based laws white flight from the inner cities the double sexual standard lynchings and race riots This groundbreaking study concludes with a speculation on the future of Black sexuality in the 21st century based on our knowledge of current demographic and economic forces
