M.Div.,2021-08-31 The Importance Of The Church God s Kingdom Among Men There is no need more urgent on our planet than that apostolic Christianity should be restored Considering the desperate conditions that exist on this planet that is a bold statement indeed Can the establishment of a religious organization really be more important than the resolution of the world s desperate problems Properly understood the answer is a resounding yes You see if the churches were to enter into the Biblical teaching and obedience described in the following chapters she would provide a form of human society within which none of those wretched conditions mentioned above would ever need exist again Hear this Christian Christ in His church is God s solution to all human needs and problems not just its supposedly religious ones The thesis of this book is that within the society of the Church of Christ and only within that divine society there is such a solution a solution that actually used to exist and a solution that God intends to restore When the Kingdom of God is manifested on the earth a visible society is created As created by God the church is that society of regenerated humans who have accepted Jesus as the divinely appointed ruler of the entire race of man Her charter includes a demonstration of how the entire race of humans could function if they yielded to the authority and the Spirit of Jesus His church is the sphere where God s plans for the total man and for every aspect of human society are accomplished Indeed His church is the true form of human society such is her call such is what is necessarily implied in being Christ s body a chosen race a holy nation the people of God **More Than**

Conquerors M. J. Tiry,2019-07-11 More than Conquerors The book of Romans is the foundational book for the Christian life It contains the power for the gospel of the grace of God to change lives and enable believers to be more than conquerors and truly reign in life by Jesus Christ So how do we discover all of the richness and power God freely gives More Than Conquerors digs deep into the book of Romans and is a commentary and reference aid for the serious Bible student Each chapter is based off the corresponding chapter in Romans and author and preacher Michael J Tiry offers rich verse by verse notes and commentary that can help students understand the meanings of Paul s statements and find references to other portions of the Bible But more so these commentaries can help readers mature as Christians and come to know God s Word and his truth The book of Romans contains insight that is found nowhere else it focuses on the ultimate work of Jesus Christ as Creator and Redeemer And by studying Romans Christians can see how it is that God joined us into an eternal spiritual union with Jesus Christ to provide total victory over sin and death **1 Corinthians (Baker Exegetical Commentary on**

the New Testament) David E. Garland,2003-11-01 Paul s first letter to the Corinthians is one of the most important epistles

in the New Testament David Garland's thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be accessible to thoughtful readers as well as students, pastors and scholars. After considering the context of the letter and the social and cultural setting of Corinth, Garland turns to his exegetical work. An introduction to each major unit of thought is followed by the author's own translation of the Greek text. In the course of his verse-by-verse commentary, he incorporates references to other ancient writings that help explain particular aspects of Paul's meaning or provide information on the social and cultural context. He also refers to the work of other commentators and provides extensive notes for further reading and research. Subject Guide to Books in Print, 1971

Life of Peter F. Sherwood Smith, 2000 Imperfect Happiness Terry C. Fleitz, 2025-09-23 Based on true events

IMPERFECT HAPPINESS follows the author's journey dreaming of business success as a teenager from a poor community to securing the American Dream, the pinnacle of leadership achievement, followed by the emptiness of this lifelong goal. Ready to follow Jesus but overwhelmed by what to do, the book details life's failures and dead ends without godly hope, contrasted by living life well and a greater sense of purpose with God. The author illustrates to readers through life events what revering the Bible means. Recognizing that God is always with us, the author's trek is a nontraditional path to building a relationship with Jesus. The narrative will make you smile, think, and hopefully pursue Godly Wisdom, the necessary ingredient for happiness on earth. Imperfect Happiness represents the peaks and valleys in our life as we learn to take the worry out of living by gaining Wisdom and giving God greater control. Perfect Twists are the unexpected miracles in God's plan for our lives. The author's Perfect Twists include two serious health challenges and disappointing life events providing opportunities for him to build a closer relationship with God while discovering greater comfort, happiness, and contentment. The narrative teaches us that God will not fix everything that worries us, but he will carry things for us and will handle them in the best possible way so we can win life's passage pursuing the PERFECT HAPPINESS of heaven. IMPERFECT HAPPINESS is a musical of sorts, combination adventure and love story offering practical advice, authentic prayers, and pause and reflect segments in an engaging way. The book conveys messages making the Word of God and life of Jesus come alive for anyone who chooses to be Brilliant on the Basics, willing to do a few things well. The author also takes the reader behind the scenes of American corporations and institutions to better understand their unwelcome behavior, which too often targets our families, God's family, and today's youth. He contrasts this with the exciting message of living life by the significance of the Bible. The book concludes with steps to achieve the best imperfect you, as well as how to be a force multiplier improving the culture in our communities and country by changing hearts and lives with the commonality of loving God and loving people. IMPERFECT HAPPINESS is designed to entertain and inform while highlighting biblical resources to enjoy life more and make a greater difference in the lives of others. The book was written in a format so that it can be read and reread, particularly for anyone trying to overcome challenges or better understand their purpose and direction in life. *Life*
