Second Book of Kings a book whose very title seems to assert the prerogative of male rule is in fact filled with fascinating female characters as well as issues related to gender In this commentary Song Mi Suzie Park argues that an interrogation of the masculinity of YHWH Israel s deity functions as the driving force behind the narrative in 2 Kings While the sufficiency of YHWH s masculinity is affirmed by his military and reproductive prowess it is also challenged and deconstructed through the painful defeats that end the book Through a series of close readings Park elucidates how the story of Israel s monarchic past in 2 Kings unfolds through a process of continual reformulation of masculinity and femininity in relation to YHWH and Israel
