Second Assault Rape And Public Attitudes:

The Second Assault Joyce E. Williams, Karen A. Holmes, 1981-12-23 The first in depth empirical study that goes beyond the initial trauma of rape and considers the interplay between society and the experience of rape the interaction between the victim and her own social world

Public Opinion, Crime, And Criminal Justice Julian Roberts, 2018-10-08 Taking on one of the most popular issues of the day crime and the way we make sense of it Julian Roberts and Loretta Stalans reveal the mismatch between the public perception of crime and the reality of crime statistics Discussing such issues as public knowledge of crime sources of crime information information processing by the public public attitudes about crime and the effectiveness of punishment this book considers the role that public opinion plays in the politics of criminal justice issues Based on extensive data from the United States with comparisons with Canada and the United Kingdom Roberts and Stalans reveal the truth behind how the public perceives crime and how this perception compares to actual criminal activity

Public Opinion and Criminal Justice Jane Wood, Theresa A. Gannon, 2013-05-13 Public opinion is vital to the functioning of the criminal justice system but it is not at all clear how best to establish what this is and what views people have on different aspects of criminal justice and the criminal justice system Politicians and the media often assume that the public wants harsher tougher and longer sentences and policies may be shaped accordingly Detailed research and more specific polling often tells a different story This book is concerned to shed further light on the nature of public views on criminal justice paying particular attention to public opinion towards specific types of offenders such as sex offenders and mentally disordered offenders In doing so it challenges many enduring assumptions regarding people's views on justice and confronts the myths that infect our understanding of what people think about the criminal justice system Penal Populism and Public Opinion Julian V. Roberts, 2003 The five countries examined are the United States the United Kingdom Canada Australia and New Zealand Sexual Assault and the Justice Gap: A Question of Attitude Jennifer Temkin, Barbara Krahé, 2008-04-15 This book is set against the background of the justice gap in sexual assault cases the dramatic gap between the number of offences recorded by the police and the number of convictions It seeks to examine the attitudinal problems which bedevil this area of law and possible strategies for addressing them Written by a professor of law and a professor of psychology it reviews evidence from socio legal and social cognition research and presents new data drawn both from interviews with judges and barristers and from studies with prospective lawyers and members of the public In the final part it considers different ways in which rape trials could be improved and suggests steps that could be taken to change public attitudes about sexual assault **Stress, Social Support, and Women** Stevan E. Hobfoll, 1986 First Published in 1986 Routledge is an imprint of Taylor Francis an informa company **Critical Psychology Praxis** Robert Beshara, 2021-02-25 This collection of chapters advances critical psychology by incorporating praxis theory and practice and decolonial streams of thought They are united around a theme of psychosocial non alignment to modernity coloniality

Bringing together a transdisciplinary range of authors from around the world this edited volume weaves together a spectrum of complex arguments and perspectives to lay the foundations for bridging the Global North South divide in critical psychology through solidarity and dialogue The book's central argument is to emphasize praxis and transdisciplinarity over disciplinary fundamentalism Psychology is only a starting point and not the end goal of critique in this book incidentally some of the authors are not even psychologists Instead the book draws on decolonial theoretical resources such as Chican Studies Black Male Studies and Critical Pedagogy to complement traditional theoretical resources like psychoanalysis Marxism poststructuralism and feminism This groundbreaking text is suitable for scholars and upper level undergraduate and postgraduate students studying critical discourse the psychology and philosophy of post coloniality conceptual and historical issues in psychology as well as anthropology and sociology courses engaging with action research **The Palgrave**

Life Crises and Experiences of Loss in Adulthood Leo Montada, Sigrun-Heide Filipp, Melvin J. Lerner, 2014-01-14 A result of a conference at the University of Trier Germany this volume mirrors its goals to provide an overview of recent advances in research on critical life events and the losses associated with them to collect and stimulate new perspectives for the analysis of these events to compare the psychology of victims experiencing stress and losses with the psychology of observers in their reactions to victims Designed to prevent developmental psychological myths in the area of life crises this collection questions on an empirical basis the adequacy of several widespread generalizations At the same time its contributors attempt to draw paths to conceptualizations and theories in general psychology and social psychology which promise to be helpful in analyzing and interpreting phenomena in the field of life crises

Deconstructing Sexuality in the Middle East Pinar Ilkkaracan, 2016-05-13 Exploring the contemporary dynamics of sexuality in the Middle East this volume offers an in depth and unique insight into this much contested and debated issue It focuses on the role of sexuality in political and social struggles and the politicization of sexuality and gender in the region Contributors illustrate the complexity of discourses debates and issues focusing in particular on the situation in Iran Iraq Jordan Lebanon Pakistan Palestine and Turkey and explain how they cannot be reduced to a single underlying factor such as religion or a simple binary opposition between the religious right and feminists Contributors include renowned academicians researchers psychologists historians human rights and women's rights advocates and political scientists from different countries and backgrounds offering a balanced and

contemporary perspective on this important issue as well as highlighting the implication of these debates in larger socio political contexts

Forensic Management of Sexual Offenders Robert Alan Prentky, Ann Wolbert Burgess, 2012-12-06 Over the past several decades the seeming escalation of crimes involving sexually deviant coercive and aggressive behavior has become an increasingly serious problem manifested in costs to both victims and society at large The long term psychological impact of sexual assault on adult and child victims has been documented numerous times The costs incurred by society include a network of medical and psychological services provided to aid victim recovery the investigation trial and incarceration of offenders often in segregated units or special facilities and the invisible but tangible blanket of fear that forces potential victims to schedule normal daily activities around issues of safety Despite the gravity of the problem there has been a paucity of empirical research directed at the etiology course remediation and management of sexually deviant and coercive behavior In treating these disorders and in making crucial decisions about how to manage these offenders clinicians have been forced to rely on their personal experience Such experience by its nature is unsystematic and lacks the validation that empirical research provides The lack of sound empirical data addressing the problem is certainly noteworthy though not surprising The paucity of research in this area may well be attributable to historical scientific timidity about most aspects of sexual behavior In 1922 Dr Robert L

Social Work with Groups Helen Northen, Roselle Kurland, 2001-08-23 When should someone not be admitted to a group How can a reluctant child be persuaded to participate in a group What is the best way to deal with issues of low self esteem Part of the enduring appeal of this classic work is its vivid depiction of actual group work and the challenges that arise Opening with an instructive survey of the roots and development of group social work from the first YMCA to the establishment of the NASW Northen and Kurland contribute to the integration of theory and research that forms the basis of group social work practice Using an ecosystem approach they set forth a generic framework for practice with diverse groups establishing a common core of values knowledge purposes and interventions that can be applied to different populations and situations With clear step by step guidance this book covers the major issues as well as the ethical challenges that working with groups entails This fully revised and updated edition includes seven new chapters that reflect the most recent developments in group practice

Understanding Victims and Restorative Justice James Dignan, 2004-11-16 Although the topics dealt with are complex the author has been very successful in presenting and exploring them clearly Students may find particularly helpful the summary at the end of each

chapter of the main points covered in that section The Legal Executive the real strength of this book lies in the critical thinking that arises from the juxtaposition of two very much unfinished debates the question of how victims are treated by the justice system and the practices and implications of restorative justice I feel this book is particularly important because it reframes a whole series of debates and practices which otherwise might be in danger of getting stuck That this is also undertaken by someone who is extremely knowledgeable about the subject matter and perceptive in relation to key issues is an added bonus Vista Two of the principal and most influential developments within criminal justice policy taking in a variety of common law jurisdictions during the past thirty years have been the rise of the victim movement and the emergence of a distinctive set of practices that have become associated with the term restorative justice Understanding Victims and Restorative Justice examines the origins of and the relationship between these two sets of developments and seeks to assess their strengths and weaknesses in meeting the needs of victims as part of the overall response to crime Written in a lively and accessible style this book is of benefit to students from a range of disciplines including criminology sociology and the law Also helpful to professionals practitioners and policymakers working in voluntary agencies within the criminal justice system
