Second Journey Spiritual Awareness And The Midlife Crisis:

The Second Journey Gerald O'Collins, 1978 **The Second Journey Spiritual Awareness and the Mid-Life Crisis**
Gerald G. O'Collins (S.J.), 1978 **The Hero's Journey Guidebook** Ben Pugh, 2016-12-09 Fictional stories speak to us in a way that is truer than real life Even Jesus Christ the greatest teacher of all time regularly tapped into the power of telling completely untrue and yet deeply true stories This book takes as its starting point the truth of the made up and uses one of the most popular story structures of all time the Hero's Journey and invites you to use this as the scaffolding for making meaning out of your own life It is an invitation to storify your life to get your bearings to plot where you are Are you being called to something Are you enduring an ordeal Are you enjoying the hard won gains of a protracted struggle that is now finally over By using this book's twelve part structure you will gain more insight into what the threats and opportunities are at your particular stage of your particular adventure *Rethinking Fundamental Theology* Gerald O'Collins, 2011-05-27 This book identifies the distinguishing features of fundamental theology as distinct from philosophical theology natural theology apologetics and other similar disciplines Addressing the potential for confusion about basic Christian claims and beliefs Gerald O'Collins sets out to relaunch fundamental theology as a discipline by presenting a coherent vision of basic theological questions and positions that lay the ground for work in specific areas of systematic theology *Rethinking Fundamental Theology* examines central theological questions about God human experience and specifically religious experience the divine revelation coming through the history of Israel and through the life death and resurrection of Jesus human faith that responds to revelation the nature of tradition that transmits the record and reality of revelation the structure of biblical inspiration and truth as well as basic issues concerned with the formation of the canon the founding of the Church with some leadership structures the relationship between Christ's revelation and the faith of those who follow other religions O'Collins concludes with some reflections on theological method Written with the scholarship and accessibility for which O'Collins is known and valued this book will relaunch fundamental theology as a distinct and necessary discipline in faculties and departments of theology and religious studies around the world Jesus Wept Philip Shenon, 2025-02-11 From the best selling author and former New York Times investigative reporter an unprecedented look at the defining struggles of the modern Catholic Church told through the lives of the last seven popes When the jolly Italian peasant turned cardinal Angelo Giuseppe Roncalli of Venice was elected Pope John XXIII in 1958 change was in the air The Church many said had refused to enter the twentieth century In response Pope John launched Vatican II an ecumenical council that summoned hundreds of church leaders to Rome It marked one of the most progressive turns the Church had taken in centuries medicine of mercy as Pope John called it Yet not everyone in the Church was prepared to accept this modernization The lines were drawn in a battle that continues to rage into the twenty first century In *Jesus Wept* Philip Shenon takes us inside the Holy See to reveal its intricacies hypocrisies and hidden maneuverings bringing all the

momentous disputes and issues vividly to life priestly celibacy birth control homosexuality restoring ties with other Christians and Jews shameful sex abuse crimes the role of women in the Church In his rich portrayals of the popes from John to Francis Shenon draws on research across four continents including hundreds of interviews and the exhaustive archival material He also brings to light other key figures in the Church such as Cardinal Alfredo Ottaviani the incredibly powerful conservative and staunchly anticommunist director of the Holy Office under Pius XII who lived proudly by the motto semper idem always the same This is a consummate vibrant history of the modern Church The Second Journey Robert P. Vande

Kappelle,2020-07-24 Spirituality is our connection to a greater whole It is a journey from God to God and with God and thus a journey toward Self Through this process we come to differentiate between our temporary self called ego and our permanent self the part of us made for ongoing relationship with God In the end we discover that we know God by being known much like one loves by being loved There are two halves or phases in spirituality sometimes flawed sometimes overlapping and other times distinct While many people experience first half of life spirituality most never get to second half of life thinking and living Designed as a study guide for group or individual use The Second Journey examines the development of Christian spirituality starting with its conception in the biblical and Greek philosophical tradition and continuing in orthodox and heterodox expressions Reading this book is like looking through one s favorite album of photographs each illustrating some aspect or dimension vital to spirituality The range of portraits examined is extensive including groups such as Platonists Stoics Gnostics Quakers Revivalists Neo Orthodox and Eastern Orthodox and individuals such as Philo Valentinus Origen Dionysius Augustine Julian of Norwich John of the Cross Jonathan Edwards John Wesley Schleiermacher Kierkegaard Barth Tillich and Richard Rohr Examining traditional and non traditional thinkers readers will discover that knowing God involves both light and darkness usually in that order Spirituality does not make us otherworldly it renders us more fully alive

Living Water Robert P. Vande Kappelle, 2022-10-27 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Jesus was a master storyteller teaching primarily through a technique we call parables In fact over one third of the gospel material in the New Testament is parabolic in nature Examining the parables of Jesus Living Water views parables as a wisdom genre belonging to mashal the Jewish tradition of sacred poetry stories proverbs riddles and dialogues through which wisdom is conveyed In the Hebrew Bible the Old Testament mashal is often associated with perplexing sayings for its meaning is deliberately obscured in order to force the reader or listener to deeper thought and higher consciousness While examining the parables of Jesus Living Water focuses not so much on traditional explanations and interpretations but on their paradoxical and perplexing nature In addition this book encourages us to take a parabolic approach to all Scripture viewing it as an aid to help us move from egoic existence to unitive existence This Spirit led way of living thinking and being requires a transformation from our False Self to our True Self from dualist self obsession to nondualist consciousness characterized by risk taking compassion generosity availability and joy a path charted by the parables of Jesus Benefitting from recent scholarly research Living Water is unique in content and conception and is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

Der alternde Mann Dirk Fahlenkamp, Kurt J.G. Schmailzl, Severin Lenk, 2013-03-13 Der alternde Mann eine Entwicklung die seit jeher trotz ihrer Allgegenwärtigkeit tabuisiert wurde Von der Entstehung antiker Kulturen an versuchte man den Verlust vegetativer psychischer sexueller und körperlicher Stabilität auf vielfache Weise zu verhindern oder zu kompensieren Die Ursache für diese Entwicklung liegt im sogenannten Hormontief des Mannes ab 50 dessen Entdeckung einen kausalen Lösungsansatz z.B. in Form der Testosteronsubstitutionstherapie ermöglichte Neben Fachrätzen für Urologie bietet das Werk insbesondere hausärztlich tätigen Fachrätzen für Innere und Allgemeinmedizin eine Anregung zu adäquater Aufklärung und Prävention sowie konkrete Optionen für Diagnostik und Therapie des sekundären Hypogonadismus

Women and Depression Iffat Hussain, 2010-04-16 Women and Depression is a multidisciplinary book It is a collection of research papers and essays from authors in the fields of sociology public health psychology and psychiatry It presents further interdisciplinary views on women and depression The authors have communicated their professional experience information and knowledge integrating

the latest information about women and depression The chapters explore different aspects of women and depression for example how the community social and religious aspects play their roles in developing or fighting depression among women In some chapters authors have shared their personal experiences and their friends experiences which caused depression Other chapters include medical points that lead to depression in women whereas some chapters explore the healing power of self help such as yoga and meditation This book offers a comprehensive understanding of depression which is so common among women It provides an insight from a wide variety of professionals and people outside the medical field The essays are not purely medically based the book is also intended to be accessible for those outside the medical field including patients with depression their families and friends and all those who are interested in this condition Heart to Heart—The Journey Inward Robert P. Vande Kappelle,2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself This volume examines the spiritual journey inward and its companion volume the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others **Walking on Water** Robert P. Vande Kappelle,2020-02-03 How did Jesus do it we wonder How did he walk on water To which we can imagine Jesus responding O ye of literal faith Walk with me on the waters of life explore with me the depths of reality Walking on water is not as one might think about staying on the surface of things but rather about going deep into the ordinary aspects of our lives and finding gold It is not about exotic miracles or blind faith but about living into a new way of thinking Most of us experience a continual flow of ideas images and feelings clinging to these as if they were us They are us but not our True Self They represent the atomized self our small imperial ego While this egocentric False Self is necessary its role is temporary a warm up rather than the adventure itself To ascertain our True Self we must lose the false images that no longer serve us images of God that are insufficient and images of ourselves that are similarly inadequate Bringing to life tales about

labyrinths and quests for the Grail Walking on Water encourages us to go with Jesus into death and resurrection encountering the universal Christ there the True Self that gives all humans final meaning and definition Such living saves us from our smaller and untrue selves transforms our consciousness and transports us from limited first half of life living and thinking into second half of life possibilities The dynamic approach to spirituality described in this book a transformational journey nourished by myth metaphor and mystery will promote the wisdom compassion maturity and connectedness we all need and desire *It's NOT a Midlife Crisis It's an Opportunity* Andrew G. Marshall, 2017-04-04 It's good to take stock from time to time but at forty or fifty something you can find that you're dissatisfied and bored The temptation is to take a wrecking ball to your life but that risks alienating your partner and your children without necessarily ending up any happier Just gritting your teeth doesn't work either anyway you've already tried that Fortunately there's another way to become fulfilled and lead the life that's right for you rather than what your parents society or anybody else thinks If you're fed up with life questioning whether you should stay married or thinking you might be better off with someone else marital therapist Andrew G Marshall has a radical idea to help you move from the first half to the second of your life without messing everything up it's not a midlife crisis it's an opportunity He explains in part one The three central questions you need to answer and why everybody else is distracting themselves and avoiding facing them How to put what's happening now into the context of your whole life journey How to avoid the tempting short cuts that cause more heartache in the long term Why if you pass this midlife test everything is up from here Why you're not in the wrong If it's your partner who has turned grumpy critical and blames you for everything you will be feeling alone and full of despair Don't worry in part two of this compassionate book Andrew G Marshall explains A whole new vocabulary for discussing the midlife crisis without putting your partner's back up What's really going on in your partner's head What causes depression and how to help Five killer replies to the blocks that stop you talking properly about your marriage Why you're not in the wrong Together you will learn three new skills that will either change your marriage into the connected fulfilling and loving relationship of which you've always dreamed or help you separate amicably and be great coparents together **THE UNHEARD CRY OF THE IGBO PEOPLE** KENNETH CHIGBO, 2011-03-21 In this book which itself is the outcome of an Award winning research work Fr chigbo utilized the resources in Rabbi Abraham Joshua Heschel's Meta psychology of the Meaning of Human Life to study the Phenomena of the proliferation of prayer and healing ministries in Igboland He states The religious and spiritual world outlooks of Ndi Igbo predisposed them to seek for meaning of life in a religious spiritual setting The double assaults of the invasive colonialism and Christian Missionary exploits as well as these catastrophes slavery and slave trade the Nigerian Biafran war Neo Colonialism the exploitation marginalization and oppression of the Igbo people motivated them to raise questions about the fundamental quality of being human who am I and what is the meaning of my life The economic hardship political instability and the attack on fundamental Igbo cultural heritage also joined forces with the other factors mentioned

above to cause existential frustration and existential vacuum within the Igbo population The author developed and explored what he calls Heschelian Diagnostic Tool as well as the ten psycho pastoral phases in the search for the meaning in Human life He proposed a new vision for prayer and healing ministry which is centered on the empowerment of each individual person to respond responsibly to the demand quality of life to engage in actions that are responses to the questions life poses before each unique individual This is an invaluable resource for all those involved or interested in the diverse field of pastoral care The Jung Reader David John Tacey,2012 The nature of the psyche
