A Second Look at White Ironstone Jean Wetherbee. 1985 A Second Look at White Ironstone Jean Ceramic Makers' Marks Erica Gibson, 2016-06-16 Erica Gibson's comprehensive guide provides Wetherbee, 1985-08-01 a much needed catalogue of ceramic makers marks of British French German and American origin found in North American archaeological sites Consisting of nearly 350 marks from 112 different manufacturers from the mid 19th through early 20th century this catalog provides full information on both the history of the mark and its variants as well as details about the manufacturer A set of indexes allow for searches by manufacturer location mark elements and common words used This guide will be of interest not only to historical archaeologists but material culture specialists collectors museum professionals students art historians and others interested in ceramics Interdisciplinary Investigations of the Boott Mills, Lowell, Massachusetts Mary Carolyn Beaudry, Stephen A. Mrozowski, 1989 Santeria Enthroned David H. Brown, 2003-10-15 Ever since its emergence in colonial era Cuba Afro Cuban Santer a or Lucum has displayed a complex dynamic of continuity and change in its institutions rituals and iconography In Santer a Enthroned David H Brown combines art history cultural anthropology and ethnohistory to show how Africans and their descendants have developed novel forms of religious practice in the face of relentless oppression Focusing on the royal throne as a potent metaphor in Santer a belief and practice Brown shows how negotiation among ideologically competing interests have shaped the religion s symbols rituals and institutions from the nineteenth century to the present Rich case studies of change in Cuba and the United States including a New Jersey temple and South Carolina's Oyotunji Village reveal patterns of innovation similar to those found among rival Yoruba kingdoms in Nigeria Throughout Brown argues for a theoretical perspective on culture as a field of potential strategies and usable pasts that actors draw upon to craft new forms and identities a perspective that will be invaluable to all students of the African Diaspora American Acemy of Religion Award for Excellence in the Study of Religion Analytical Descriptive Category Unburied Lives Laurie A. Wilkie, 2021-09-01 According to the accounts of two white officers on the evening of November 20 1872 Corporal Daniel Talliafero of the segregated Black 9th cavalry was shot to death by an officer s wife while attempting to break into her sleeping apartment at the military post of Fort Davis Texas Historians writing about Black soldiers serving in the West have long accepted the account without guestion retelling the story of Daniel Talliafero the thwarted rapist In Unburied Lives Wilkie takes a different approach demonstrating how we can listen to stories found in things neglected ignored or disparaged documents not consulted architecture not studied material traces preserved in the dirt With a focus on Fort Davis Wilkie brings attention to the Black enlisted men and non commissioned officers In her archaeological accounting Wilkie explores the complexities of post life racialized relationships Black masculinity and citizenship while also exposing the structures and practices of military life that successfully obscured these men s stories for so long Interdisciplinary Investigations of the Boott Mills, Lowell, Massachusetts: The boarding house system as a way of

<u>life</u> Mary Carolyn Beaudry, Stephen A. Mrozowski, 1987 The Archaeologist's Field Handbook Heather Burke, Claire Smith, Larry J. Zimmerman, Indiana University-Purdue University, Indianapolis, 2008-10-09 This comprehensive handbook provides step by step instructions on how to do archaeological fieldwork in North America The wealth of diagrams photos maps and checklists clearly illustrate how to design fund research map record interpret photograph and present archaeological surveys and excavations U.S. Highway 59 from Lawrence to Ottawa in Douglas and Franklin Santería Enthroned David H. Brown, 2021-10-24 Ever since its Counties, KDOT Project No.59-106 K-6318-01,2002 emergence in colonial era Cuba Afro Cuban Santer a or Lucum has displayed a complex dynamic of continuity and change in its institutions rituals and iconography Originally published in 2003 Santer a Enthroned combines art history cultural anthropology and ethnohistory to show how Africans and their descendants have developed novel forms of religious practice in the face of relentless oppression Focusing on the royal throne as a potent metaphor in Santer a belief and practice it shows how negotiations among ideologically competing interests have shaped the religion s symbols rituals and institutions from the nineteenth century to the present Rich case studies of change in Cuba and the United States including a New Jersey temple and South Carolina's Oyotunji Village reveal patterns of innovation similar to those found among rival Yoruba kingdoms in Nigeria Throughout the book argues for a theoretical perspective on culture as a field of potential strategies and usuable pasts that actors draw upon to craft new forms and identities a perspective that will be invaluable to all students of Advances in Archaeological Method and Theory Michael B Schiffer, 2014-06-30 Advances in the African Diaspora Archaeological Method and Theory Volume 11 is a collection of papers that discusses world systems theory modeling interregional interaction in prehistory and the archaeological analysis of ceramics Some papers review dating and weathering of inorganic materials strategies for paleo environmental reconstruction as well as deposits and depositional events One paper reviews the Old World state formation that occurred in West Asia during the fourth and third millennia B C Another paper examines the role of interactions among societies in the process of local social change and the need for archaeologists to develop a framework in which to analyze intersocietal interaction processes. The presence of items such as ceramics is associated directly to factors of availability functions economic values or ethnic affiliation As an example one paper cites the use and misuse of English and American ceramics in archaeological analysis in identifying cultural patterns and human behavior Another paper notes that each biological or mechanical agent of transport and deposition has its own respective attributes on a deposit where the attributes of sedimentary particles on the deposit can be defined From such definitions the archaeologists can make observations and inferences Sociologists anthropologist ethnographers museum curators professional or amateur archaeologists and academicians studying historical antiquities will find the collection very useful A Refuge of Cure or Care Madeline Kearin Ryan, 2021-05-18 In A Refuge of Cure or Care The Sensory Dimensions of Confinement at the Worcester State Hospital for the Insane Madeline Kearin Ryan analyzes the therapy model

of the nineteenth century asylum Because the five senses were believed to provide a direct conduit into a person s mental condition the curative force of the hospital was thought to reside in its command over sensory experience Ryan examines how the institution was designed to target each of the five senses as a mode of therapy and conversely how that well intentioned design materialized in the haphazard realm of institutional practice In doing so Ryan seeks to reconcile the disjuncture between the benevolent promise of the asylum model and its ultimate failure in a way that captures the complex power dynamics and heterogeneity of actors within the institution Michiaan Archaeoloaist .1992 James A. Delle, Stephen A. Mrozowski, Robert Paynter, 2000 The division of human society by race class and gender has been addressed by scholars in many of the social sciences Now historical archaeologists are demonstrating how material culture can be used to examine the processes that have erected boundaries between people Drawing on case studies from around the world the essays in this volume highlight diverse moments in the rise of capitalist civilization both in Western Europe and its colonies In the first section the contributors address the dynamics of the racial system that emerged from European colonialism They show how archaeological remains shed light on the institution of slavery in the American Southeast on the treatment of Native Americans by Mormon settlers and on the color line in colonial southern Africa The next group of articles considers how gender was negotiated in nineteenth century New York City in colonial Ecuador and on Jamaican coffee plantations A final section focuses on the issue of class division by examining the built environment of eighteenth century Catalonia and material remains and housing from early industrial Massachusetts These essays constitute an archaeology of capitalism and clearly demonstrate the importance of history in shaping cultural consciousness Arguing that material culture is itself an active agent in the negotiation of social difference they reveal the ways in which historical archaeologists can contribute to both the definition and dismantling of the lines that divide The Antique Trader Catherine Murphy, Kyle Husfloen, 1987-09 Mesas luso-brasileiras Carmen Soares, Cilene da Silva Gomes Ribeiro, 2019-02-05 A tend ncia dos estudos do s culo xxi sobre a mesa tem sido de privilegiar as abordagens multi e transdisciplinares Ali s na sua ace o hol stica que usamos o termo mesa universo que engloba bens pessoas e ideias Refletir hoje sobre a mesa constitui um processo de indaga o atento a tr s dos principais pilares da rela o do homem com o alimento ao longo de toda a sua hist ria alimenta o sa de e cultura A presente obra tem por tema as Mesas Luso brasileiras e est organizado em dois volumes contendo cinco partes e um total de 25 cap tulos Os 13 cap tulos que encabe am o primeiro volume focam em dois temas centrais o alimento sob o prisma terap utico e simb lico Na Parte I Mesas Terap uticas quando o alimento medicamento evidencia se o fato de que historicamente os escritos m dicos precederam a literatura culin ria Na Parte II Mesas Sagradas quando o alimento s mbolo remete se mesa como resposta e ve culo de di logo com o transcendente **Kovels' Guide to Selling Your Antiques &** Collectibles Ralph M.
