Lesbian Communities

Esther D Rothblum, Penny Sablove, 2014-06-11 I had just witnessed women who shingled their own roofs drove eighteen wheeler trucks and built their own houses as well as kept them clean and cooked a damn good meal On women s land I am a first class citizen I m treated as an equal I now see the world with righteous anger and hope Living in womyn s community has provided that lens for me Elizabeth Sturru third wave feminist One of the driving forces in the lives of many lesbians is the search for community in a society that favors heterosexuality and often turns a cold shoulder toward women who love women Lesbian Communities Festivals RVs and the Internet takes you inside flourishing lesbian communities physical spiritual and virtual online that provide practical help emotional support and much needed outlets for creative expression Exploring communities functioning in harmony with general American society as well as separatist groups festival communities which form for short times annually and informal online groups offering meaningful communication to physically isolated lesbians this book offers a ray of light to those whose search is still ongoing It also provides much needed analysis of the current state of lesbian communities some decades old now for educators researchers and social scientists In Lesbian Communities Festivals RVs and the Internet Susan Krieger revisits the vibrant community she first explored in The Mirror Dance An African American member of Old Lesbians Organizing for Change shares the details of her search for a cooperative caring space for aging lesbians and what led to her eventual decision to create this space herself And one of the founders of Hallomas a back to the land community that has survived in northern California since the late 1970s reflects on that unique community s birth and life with 13 photographs and illustrations The book also bears witness to a life changing encounter and dialogue between second wave feminists from the woman s land collective of Arcadia and third wave feminists You ll also learn about the birth joys and tribulations of an online community that becomes physical each year at the Michigan Womyn s Music Festival the accidental birth of a lesbian community in isolated and fundamentalist dominated West Texas the international online lesbian parenting community called MOMS affectionately known as Dykes and Tykes how it began what belonging to this community provides for its members and a look toward the future the debate on inclusiveness versus exclusiveness of bisexual women transgender people and the male children of lesbians in lesbian communities the

current decline of availability and dilution of the purity of lesbian only space and the rise of segregation by social class and financial status and oppression within the lesbian community the current plight of lesbian bookstores which since the 1970s have served not only as gateways to a multitude of lesbian communities but as the centers of lesbian communities themselves the online experience of lesbians searching for community in Japan the issues facing Jewish lesbians and the formation of Nice Jewish Girls a Montreal group for anyone who identifies as a lesbian bisexual or queer woman and their non Jewish partners and friends the power of myth and mythmaking to help women regain lost strength and reclaim lost history From the efforts of back to the land groups creating wimmin's space to life in modern residential retirement settings this book explores the places created by and for lesbians Photos and illustrations bring these women and their communities to life Lesbian Communities Festivals RVs and the Internet w

Lesbians in East Asia Diana Khor, Saori Kamano, 2013-01-11 Discover the courageous vibrant similarities and differences of lesbians in East Asia How are same sex relationships similar or different in the cultures of East Asia *Lesbians in East Asia Diversity Identities and Resistance* is a unique examination of research and vital issues involving lesbians and lesbianism in East Asia using perspectives by academics and activists who typically are rarely published in English Contributing experts from Hong Kong mainland China Japan and Korea discuss a variety of topics including solidarity and conflicts between lesbians and feminists identities and identity politics lesbian lives and families and representation in mainstream culture Asia because of its inherent language and cultural differences from Western society is a location of a vast unrealized fount of knowledge about same sex relationships and the societies in which they interact *Lesbians in East Asia Diversity Identities and Resistance* begins to fill this gap in knowledge going beyond East West divisions by gathering in one volume studies in Asia lesbian queer studies of both the West and Asia The text's emphasis is on points of connection and cooperation across the cultures within Asia and between this region and other areas of the world Diverse viewpoints and research on lesbians in China Hong Kong South Korea and Japan are presented showing issues and concerns that may be different and often are very similar to regions beyond those borders Topics in *Lesbians in East Asia Diversity Identities and Resistance* include lesbian rights and feminism in Korea emotional damage suffered in family work and school contexts including self denial analysis of Internet exchanges in China highlighting those feeling that they should maintain a low profile and others showing disdain toward the lesbian lifestyle gender inequality and discrimination and their effects on self sufficiency the effects of expectations of marriage or remaining single on economics legal standpoints and in school ignorance and intolerance in Korean and Japanese societies identity politics conflicts of ideas between lesbians and feminists and much more *Lesbians in East Asia Diversity Identities and Resistance* is important illuminating reading for academics and students in women's studies gender studies queer sexuality studies East Asian studies and activists in feminist movements

Activism and LGBT Psychology Judith M. Glassgold, Jack Drescher, 2014-01-02 Go beyond traditional approaches to therapy research and teaching Psychotherapy works toward change but has traditionally focused solely on the

individual Today it is understood that discrimination and other adverse social conditions adversely affect the mental health of minority groups Activism and LGBT Psychology takes note of the influence of social factors and offers examples of how mental health professionals can use their professional skills to empower the LGBT community Respected leaders in the field of psychotherapy describe theoretical clinical community interventions and personal approaches to changing attitudes toward LGBT people and within LGBT communities Prejudice against a minority has an undeniable impact on mental health treatment Recognizing and understanding this dynamic Activism and LGBT Psychology reveals strategies to lessen societal discrimination work for positive change and reinforce LGBT affirmative mental health practices This valuable guide shows how to integrate the mental health professional s unique skills into activism for lesbian gay bisexual and transgender issues Topics in Activism and LGBT Psychology include integrating activism into clinical practice theoretical alternatives for clinical practice mental health issues as the consequences of social injustice strategies for using liberation psychology in psychotherapy with LGBT clients practical strategies to bring an integrated clinical approach which encourages client empowerment and self definition how research can be social activism providing training and support to make educational professionals agents of change personal accounts of integrating professional work with an activist role and more Activism and LGBT Psychology is a positive insightful guide for change that is valuable for community psychiatrists psychologists sociologists educators students and professionals in the mental health field

Making Lesbians Visible in the Substance Use Field Elizabeth Ettorre,2005 Making Lesbians Visible in the Substance Use Field marks an important step in the creation of an environment to heal the hurt of invisibility felt by lesbian substance users This unique book works to develop an understanding of the complex relationship between sexual orientation and substance use by challenging the traditional stereotypes about the behavior identity and culture of sexual minority women Contributors draw on ethnographic work grounded theory and personal accounts to present quantitative and qualitative data on depression race ethnicity social identity self esteem recovery addiction counselors and treatment programs and HIV risk and infection

Modern Feminisms Maggie Humm,1992 Contributors include Simone de Beauvoir Catharine A MacKinnon Audre Lorde Adrienne Rich Betty Friedan Gayle Rubin Laura Mulvey Elaine Showalter and Julia Kristeva

Feminisms Maggie Humm,2014-06-11 This major textbook for women s studies provides an excellent and wide ranging introduction to feminist ideas and perspectives on issues such as the family sexuality work education patriarchy race language culture and representation It brings together over seventy key excerpts

Ex-Gay Research Jack Drescher,Kenneth J Zucker,2013-04-03 Defenders and critics of the controversial Spitzer study analyze its methodologies and findings In 2001 Robert L Spitzer MD presented his study on sexual conversion therapy with its controversial findings that some homosexuals can change their sexual orientation The resulting media sensation and political firestorm enraged the study s critics and emboldened its supporters Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture presents leading experts examining

Spitzer's research methodology and findings to discern whether the study itself deserves deeper consideration or outright dismissal. Every facet of the study is reviewed to discuss the positive or negative aspects of the results, its significance in political and social terms, and the implications for the future. Dr. Spitzer himself was an instrumental figure in the American Psychiatric Association's decision in 1973 to remove homosexuality as a mental illness listing from the Diagnostic and Statistical Manual III. His later study that states that in some individuals homosexuality may be more fluid than previously thought stirred controversy in the psychiatric community and society at large. His study is presented here to allow the reader to evaluate and consider it for themselves. Leading experts then voice their own pro or con views on the methodology and findings.

Ex Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture fearlessly illustrates the sometimes fuzzy boundary between science and politics, courageously spotlighting the culture wars now dividing our society. *Ex Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture* discusses the ex-gay movement, the nature of scientific inquiry, the relationship between science and politics, the results of sexual conversion therapies, gay and lesbian rights. *Ex Gay Research: Analyzing the Spitzer Study and Its Relation to Science, Religion, Politics, and Culture* is essential reading for sex researchers, mental health professionals, pastoral counselors, political activists, and any person asking if one can truly change his or her homosexuality.

American Psychiatry and Homosexuality Jack Drescher, Joseph P. Merlino, 2012-10-12 Interviews and first-hand accounts of an historic decision that affected the mental health profession and American society and culture. Through the personal accounts of those who were there, *American Psychiatry and Homosexuality: An Oral History* examines the 1973 decision by the American Psychiatric Association (APA) to remove homosexuality from its diagnostic and statistical manual of mental disorders (DSM). This unique book includes candid one-on-one interviews with key mental health professionals who played a role in the APA's decision, those who helped organize gay, lesbian, and bisexual psychiatrists after the decision, and others who have made significant contributions in this area within the mental health field. *American Psychiatry and Homosexuality* presents an insider's view of how homosexuality was removed from the DSM, the gradual organization of gay and lesbian psychiatrists within the APA, and the eventual formation of the APA's allied Association of Gay, Lesbian, and Bisexual Psychiatrists.

A Reader's Guide to Contemporary Feminist Literary Criticism Maggie Humm, 2015-07-17 This introduction to feminist literary criticism in its international contexts discusses a broad range of complex critical writings and then identifies and explains the main developments and debates within each approach. Each chapter has an easy-to-use format comprising an introductory overview, an explanation of key themes and techniques, a detailed account of the work of specific critics, and a summary which includes critiques of the approach. Each chapter is accompanied by a guide to the primary texts and further reading.

So Famous and So Gay Jeff Solomon, 2017-05-23 Gertrude Stein 1874-1946 and Truman Capote 1924-1984 should not have been famous. They made

their names between the Oscar Wilde trial and Stonewall when homosexuality meant criminality and perversion And yet both Stein and Capote openly and exclusively gay built their outsize reputations on works that directly featured homosexuality and a queer aesthetic How did these writers become mass market celebrities while other gay public figures were closeted or censored And what did their fame mean for queer writers and readers and for the culture in general Jeff Solomon explores these questions in *So Famous and So Gay* Celebrating lesbian partnership The Autobiography of Alice B Toklas was published in 1933 and rocketed Stein the Jewish lesbian intellectual avant garde American expatriate to international stardom and a mass market readership Fifteen years later when Capote published *Other Voices Other Rooms* a novel of explicit homosexual sex and love his fame itself became famous Through original archival research Solomon traces the construction and impact of the writers public personae from a gay affirmative perspective He historically situates author photos celebrity gossip and other ephemera to explain how Stein and Capote expressed homosexuality and negotiated homophobia through the fleeting depiction of what could not be directly written maneuvers that other gay writers such as Gore Vidal Tennessee Williams and James Baldwin could not manage at the time Finally *So Famous and So Gay* reveals what Capote's and Stein's debuts *Other Voices Other Rooms* and *Three Lives* held for queer readers in terms of gay identity and psychology and for gay authors who wrote in their wake

Trans Bodies, Trans Selves Laura Erickson-Schroth, 2014-05-12 There is no one way to be transgender Transgender and gender non conforming people have many different ways of understanding their gender identities Only recently have sex and gender been thought of as separate concepts and we have learned that sex traditionally thought of as physical or biological is as variable as gender traditionally thought of as social While trans people share many common experiences there is immense diversity within trans communities There are an estimated 700 000 transgendered individuals in the US and 15 million worldwide Even still there's been a notable lack of organized information for this sizable group *Trans Bodies Trans Selves* is a revolutionary resource a comprehensive reader friendly guide for transgender people with each chapter written by transgender or genderqueer authors Inspired by *Our Bodies Ourselves* the classic and powerful compendium written for and by women *Trans Bodies Trans Selves* is widely accessible to the transgender population providing authoritative information in an inclusive and respectful way and representing the collective knowledge base of dozens of influential experts Each chapter takes the reader through an important transgender issue such as race religion employment medical and surgical transition mental health topics relationships sexuality parenthood arts and culture and many more Anonymous quotes and testimonials from transgender people who have been surveyed about their experiences are woven throughout adding compelling personal voices to every page In this unique way hundreds of viewpoints from throughout the community have united to create this strong and pioneering book It is a welcoming place for transgender and gender questioning people their partners and families students professors guidance counselors and others to look for up to date information on transgender life

and Support Office,2009 *Multiple Minority Identities* Reginald Nettles,Rochelle Balter,2012 V ery few texts cover such a broad range of diversity and intersecting identities PsycCRITIQUES This important volume chronicles a shift from the old multicultural paradigm that depicts members of a minority group as being limited to racial and ethnic categories to a modern definition of minorities Moreover many of these stigmatized individuals belong to more than one minority group resulting in stigmatization not only outside of their identified primary group but also within it Seeking to address the complex problems of individuals who claim more than one minority identification the volume culls the accumulated wisdom of leaders in the field of minority research and practice and integrates the three major areas of multicultural and diversity studies in a single volume It addresses social identity power and privilege AIDS multiculturalism as it relates to gender as well as ethnicity It also discusses therapeutic approaches supervisory issues and interpersonal issues for practitioners It provides self administered inventories to help clinicians assess their need for additional supervision or training Key Features Integrates ethnic and racial minority issues gender and sexual orientation studies and disability studies all in one volume Addresses diversity within and between cultural and minority groups Presents the latest findings from experts in minority research and practice Establishes a new paradigm for understanding the impact of membership in a minority group Offers practical advice bolstered by case studies **Lesbian Potentiality and Feminist Media in the 1970s** Jed Samer,2022-02-04 In Lesbian

Potentiality and Feminist Media in the 1970s Jed Samer explores how 1970s feminists took up the figure of the lesbian in broad attempts to reimagine gender and sexuality Samer turns to feminist film video and science fiction literature offering a historiographical concept called lesbian potentiality a way of thinking beyond what the lesbian was in favor of how the lesbian signified what could have come to be Samer shows how the labor of feminist media workers and fans put lesbian potentiality into movement They see lesbian potentiality in feminist prison documentaries that theorize the prison industrial complex s racialized and gendered violence and give image to Black feminist love politics and freedom dreaming Lesbian potentiality also circulates through the alternative spaces created by feminist science fiction and fantasy fanzines like The Witch and the Chameleon and Janus It was here that author James Tiptree Jr Alice B Sheldon felt free to do gender differently and inspired many others to do so in turn Throughout Samer embraces the perpetual reimagination of lesbian and the lesbian s former futures for the sake of continued radical world building [A Reader's Guide to Contemporary Literary Theory](#)

Raman Selden,Peter Widdowson,Peter Brooker,2016-12-19 A Reader s Guide to Contemporary Literary Theory is a classic introduction to the complex yet crucial area of literary theory This book is known for its clear accessible style and its thorough logical approach guiding the reader through the essentials of literary theory It includes two new chapters New Materialisms which incorporates ecocriticism animal studies posthumanism and thing theory 21st Century and Future Developments which includes technology digital humanities ethics and affect [The Anthem Handbook of Screen Theory](#)

Hunter Vaughan,Tom Conley,2018-07-30 The Anthem Handbook of Screen Theory offers a unique and progressive survey of

screen theory and how it can be applied to a range of moving image texts and sociocultural contexts Focusing on the handbook angle the book includes only original essays from established authors in the field and new scholars on the cutting edge of helping screen theory evolve for the twenty first century vistas of new media social shifts and geopolitical change This method guarantees a strong foundation and clarity for the canon of film theory while also situating it as part of a larger genealogy of art theories and critical thought and reveals the relevance and utility of film theories and concepts to a wide array of expressive practices and specified arguments The Anthem Handbook of Screen Theory is at once inclusive applicable and a chance for writers to innovate and really play with where they think the field is can and should be heading

Social Movements in Global Politics David West, 2013-11-04 In the face of impending global crises and stubborn conflicts a conventional view of politics risks leaving us confused and fatalistic feeling powerless because we are unaware of all that can be achieved by political means David West highlights the many ways in which national and global institutions depend on a broader context of extra institutional action or what is in effect the formative dimension of politics
