The Doves Necklace Raja Alem,2016-05-03 When the body of a young woman is discovered in the Lane of Many Heads an alley in modern day Mecca no one will claim it as they are ashamed of her nakedness As Detective Nasser pursues his investigation of the case seemingly all of Mecca chimes in including the Lane of Many Heads itself in this surreal meditative take on a murder mystery The Guardian Best Books of Summer Nasser initially suspects that the dead woman is Aisha one of the residents of the area and searches her emails for clues The world she paints embraces everything from crime and religious extremism to the exploitation of foreign workers by a mafia of building contractors who are destroying the historic areas of the city Another view reveals the city through the eyes of Yusuf Aisha s neighbor increasingly frustrated by the accelerating pace of change As gripping as classic noir nuanced

as a Nabokov novel and labyrinthine as the alleys of Mecca itself this brilliant fever dream of a novel masterfully reveals a city and a civilization in all its contradictions at once beholden to brutal customs and uneasily coming to terms with new traditions *See Under: Love* David Grossman,2002-01-12 One man attempts to come to terms with his family s history with the Holocaust in this dazzling work of imagination Michiko Kakutani New York Times A phantasmagoric novel that successfully merges history personal mythology and literary experiment A tour de force difficult elusive circular and a triumph Kirkus Reviews starred review In this powerful novel by one of Israel s most prominent writers Momik the only child of Holocaust survivors grows up in the shadow of his parents history Determined to exorcise the Nazi beast from their shattered lives and prepare for a second holocaust he knows is coming Momik increasingly shields himself from all feeling and attachment But through the stories his great uncle tells him the same stories he told the commandant of a Nazi concentration camp Momik too becomes infected with humanity David Grossman s masterly fusing of vision thought and emotion make *See Under Love* a luminously imaginative and profoundly affecting work In a few nearly mythic books such as Faulkner s *The Sound and the Fury* G nter Grass s *The Tin Drum* Gabriel Garc a M quez s *One Hundred Years of Solitude* large visions of history get hold in innovative ways *See Under LOVE* may be a worthy successor to this small but awesome canon Edmund White The New York Times Book Review A world class work of fiction one of the most profound compelling and ingenious novels that I have read in years Tom LeClair USA Today An incredibly original and imaginative novel by one of Israel s truly gifted young writers Library Journal *A Forever Love* James Qualls,G.A.Sarna,2026-05-26 Trying to picture my life without you is like trying to imagine the sky without blue Could not be anymore true You have come to be my every thought I wake to you I sleep I dream I live for you I can no longer remember my life without you Every thought and memory of my life now has you in it It used to be that I wanted to show you my life and the things that I got to see and do but now I find you in them all You are so deep within my heart and my mind and soul that I have been rewritten I think it is the soulmate bond It s like everything we are has merged I can t look in a mirror anymore and not see you Your song was absolutely perfect trying to picture my life without you I cannot even picture the past anymore because you have updated my software and it is amazing And not being able to give me a card welcome to my world I learned to take advantage of certain things I have some really pretty loving cards that I gathered for you when Hallmark offered a BOGO deal and that is the only reason I was able to send you one I happened to have some extra cash and found a dozen cards that spoke to me about you I knew then that we would be together forever and took advantage of the moment I left a Jolly Roger green apple stix next to my bed and have it in my mouth as I write this I was organizing things the other day and came across a comic Neil Gaiman wrote 20 years ago I hadn t read *Stardust* since then and I wanted to revisit his writing So essentially this Valentine s you have given me my third grade again I have a favorite candy in my mouth there is the song you sent still playing in my head I am reading a comic book in bed and dreaming of the little girl I am in love with So thank you for the best Valentine s Day

ever **Recycled** Michael Giltner,2011 Nietzsche's Writing Against Religion and the Crisis of Faith Paul Bishop,2024-09-06 This book offers an exercise in reception theory and investigates the key figures in the reception of Nietzsche's critique of Judeo Christianity in the course of the twentieth century It has often been remarked upon but rarely if ever explained why Nietzsche the author of the famous parable in The Gay Science in which a madman announces the death of God and a self proclaimed opponent of organised religion should have been a figure of such profound interest to writers thinkers and theologians who were of a Christian persuasion In order better to understand the attractiveness of Nietzsche to practitioners of faith this book undertakes an analytical study of the reception of Nietzsche by around a dozen writers and thinkers working within the discourse of twentieth century theology in the European tradition French Italian German Polish and Swiss See Under: Shoah Marc De Kesel,Bettine Siertsema,Katarzyna Szurmiak,2014-08-28 Did the first generation Holocaust writers not warn us against the risks of imagination Does it not create an illusion that the unimaginable can be imagined the unrepresentable represented Clearly this warning has not been taken up by David Grossman Fully embracing imagination's power his novel See under Love offers a profound reflection on how the twenty first century can assume the heritage of the Shoah and remember the unmemorable in a proper way The essays in this volume reflect on this one novel though each from its own angle Focusing on one single novel shows the surplus value of a multispectral reflection on one central problem in this case the allegedly inconceivable and unspeakable nature of the Shoah
