Secrecy And Power The Life Of J Edgar Hoover:

Secrecy and Power Richard Gid Powers, 1989-07 **Secrecy and Power** Richard Gid Powers, 2020-02-08 A well researched biography about the public and private life of J Edgar Hoover former FBI director and America's most controversial law enforcer that draws on previously unknown personal documents a study of FBI files and the presidential papers of nine administrations **Secrecy and Power** is a full biography of former FBI director covering all aspects of Hoover's controversial career from the Red Scare following World War I to the 1960s and his personal vendettas against Martin Luther King and the civil rights and antiwar movements **J. Edgar Hoover: The Man and the Secrets** Curt Gentry, 2001-02-17 The cumulative effect is overwhelming Eleanor Roosevelt was right Hoover's FBI was an American gestapo Newsweek Shocking grim frightening Curt Gentry's masterful portrait of America's top policeman is a unique political biography From more than 300 interviews and over 100 000 pages of previously classified documents Gentry reveals exactly how a paranoid director created the fraudulent myth of an invincible incorruptible FBI For almost fifty years Hoover held virtually unchecked public power manipulating every president from Franklin D Roosevelt to Richard Nixon He kept extensive blackmail files and used illegal wiretaps and hidden microphones to destroy anyone who opposed him The book reveals how Hoover helped create McCarthyism blackmailed the Kennedy brothers and influenced the Supreme Court how he retarded the civil rights movement and forged connections with mobsters as well as insight into the Watergate scandal and what part he played in the investigations of President John F Kennedy and Martin Luther King Jr *The Gospel of J. Edgar Hoover* Lerone A. Martin, 2024-11-05 The shocking untold story of how the FBI partnered with white evangelicals to champion a vision of America as a white Christian nation On a Sunday morning in 1966 a group of white evangelicals dedicated a stained glass window to J Edgar Hoover The FBI director was not an evangelical but his Christian admirers anointed him as their political champion believing he would lead America back to God The Gospel of J Edgar Hoover reveals how Hoover and his FBI teamed up with leading white evangelicals and Catholics to bring about a white Christian America by any means necessary Lerone Martin draws on thousands of newly declassified FBI documents and memos to describe how under Hoover's leadership FBI agents attended spiritual retreats and worship services creating an FBI religious culture that fashioned G men into soldiers and ministers of Christian America Martin shows how prominent figures such as Billy Graham Fulton Sheen and countless other ministers from across the country partnered with the FBI and laundered bureau intel in their sermons while the faithful crowned Hoover the adjudicator of true evangelical faith and allegiance These partnerships not only solidified the political norms of modern white evangelicalism they also contributed to the political rise of white Christian nationalism establishing religion and race as the bedrock of the modern national security state and setting the terms for today's domestic terrorism debates Taking readers from the pulpits and pews of small town America to the Oval Office and from the grassroots to denominational boardrooms *The Gospel of J Edgar Hoover* completely transforms how we understand the FBI white

evangelicalism and our nation's entangled history of religion and politics The Biography Book Daniel S. Burt, 2001-02-28

From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **The Day Wall Street Exploded** Beverly Gage, 2009 Just after noon on September 16 1920 as hundreds of workers poured onto Wall Street for their lunchtime break a horse drawn cart packed with dynamite exploded in a spray of metal and fire turning the busiest corner of the financial center into a war zone Thirty nine people died and hundreds more lay wounded making the Wall Street explosion the worst terrorist attack in U S history until the Oklahoma City bombing In *The Day Wall Street Exploded* Beverly Gage tells the story of that once infamous but now largely forgotten event Based on thousands of pages of Bureau of Investigation reports this historical detective saga traces the four year hunt for the perpetrators a worldwide effort that spread as far as Italy and the new Soviet nation It also gives readers the decades long but little known history of homegrown terrorism that helped to shape American society a century ago The book delves into the lives of victims suspects and investigators world banking power J P Morgan Jr labor radical Big Bill Haywood anarchist firebrands Emma Goldman and Luigi Galleani America's Sherlock Holmes William J Burns even a young J Edgar Hoover It grapples as well with some of the most controversial events of its day including the rise of the Bureau of Investigation the federal campaign against immigrant terrorists the grassroots effort to define and protect civil liberties and the establishment of anti communism as the sine qua non of American politics Many Americans saw the destruction of the World Trade Center as the first major terrorist attack on American soil an act of evil without precedent *The Day Wall Street Exploded* reminds us that terror too has a history Praise for the hardcover Outstanding New York Times Book Review Ms Gage is a storyteller she leaves it to her readers to draw their own connections as they digest her engaging narrative The New York Times Brisk suspenseful and richly documented The Chicago Tribune An uncommonly intelligent witty and vibrant account She has performed a real service in presenting such a complicated case in such a fair and balanced way San Francisco Chronicle *Red Scare* Regin Schmidt, 2000 The anticommunist crusade of the Federal Bureau of Investigation did not start with the Cold War Based on research in the early files of the FBI's predecessor the Bureau of Investigation the author describes how the federal security officials played a decisive role in bringing about the first anticommunist hysteria in the US the Red Scare in 1919 to 1920 The Bureau's political role it is argued originated in the attempt by the modern federal state during the early decades of the 20th century

to regulate and control any organised opposition to the political economic and social order **JFK and His Enemies**

Thomas J. Whalen, 2014-05-23 The famed 19th century humorist Finely Peter Dunne once commented that life would not be worth living if we didn't keep our enemies Certainly John F Kennedy could appreciate the wisdom behind this observation At nearly every stage of his noteworthy political career which stretched from the dank run down tenement houses of Charlestown Massachusetts in 1946 to the gleaming downtown skyscrapers of Dallas Texas in 1963 Kennedy had collected his fair share of enemies Some like Henry Cabot Lodge Jr in 1952 and Lyndon Johnson in 1960 presented formidable political obstacles to his attaining higher office Others like Nikita Khrushchev during the Cuban Missile Crisis of 1962 threatened the very survival of the human race itself Regardless of the stakes Kennedy always seemed to rise to the level of the domestic or international challenge presented Our problems are man made therefore they may be solved by man he said To those who knew him best this single mindedness was not surprising He clearly wanted to establish a place in history insisted Robert McNamara Kennedy's Secretary of Defense But being an historian himself Kennedy realized that political success did not come easily or cheaply It required individual strength of character clarity of thought and the ability to act decisively There are risks and costs to action he allowed But they are far less than the long range risks of comfortable inaction **One**

Nation Under Sex Larry Flynt, David Eisenbach, 2024-03-26 Presidential hanky panky is as old as the nation itself But no one can bring it to life quite like Larry Flynt Steven E Levingston Washington Post Ben Franklin saved the American Revolution by seducing French Women A gay love affair between President James Buchanan and Senator William King aided the secession movement Woodrow Wilson's girlfriend dictated his letters to the German Kaiser And lesbian relationships inspired Eleanor Roosevelt to become a crusader for equal rights The colorful sex lives of America's most powerful leaders have influenced social movements government policies elections and even wars yet they are whitewashed by historians In **One Nation Under Sex** free speech activist and notorious Hustler magazine publisher Larry Flynt teams up with Columbia University history professor David Eisenbach to peek behind the White House bedroom curtains and document how hidden passions have shaped public life They unpack salacious rumors and outright scandals showing how private affairs have driven pivotal decisions often with horrific consequences Along the way they explore the origins of America's fascination with sex scandals and explain how we can put aside our political moralism and begin focusing on the real problems that threaten our nation You don't have to agree with all of Larry Flynt's and David Eisenbach's readings of history to enjoy this sex filled tour through more than 200 years of scandal David Greenberg author of *Republic of Spin* An Inside History of the American Presidency Well reasoned well written and well documented Booklist Those looking for salacious details will find them but Flynt and Eisenbach favor analysis over sensationalism providing a new perspective of the men and women who have shaped our nation Publishers Weekly *A ^ATime for Choosing* Jonathan Schoenwald, 2001-08-16 How did American conservatism little more than a collection of loosely related beliefs in the late 1940s and early 1950s become a coherent political and social

force in the 1960s What political strategies originating during the decade enabled the modern conservative movement to flourish And how did mainstream and extremist conservatives frequently at odds over tactics and ideology each play a role in reshaping the Republican Party In the 1960s conservatives did nothing less than engineer their own revolution A Time for Choosing tells the remarkable story behind this transformation Where previous accounts of conservatism s rise tend to speed from 1964 through the start of the Reagan era in 1980 A Time for Choosing explores in dramatic detail how conservatives took immediate action following the Goldwater debacle William F Buckley Jr s 1965 bid for Mayor of New York City and Reagan s 1966 California governor s campaign helped turn the tide for electoral conservatism By decade s end independent splinter groups vied for the right to bear the conservative standard into the next decade demonstrating the movement s strength and vitality Although conservative ideology was not created during the 1960s its political components were Here then is the story of the rise of the modern conservative movement Provocative and beautifully written A Time for Choosing is a book for anyone interested in politics and history in the postwar era

The Black Panther Party and Transformative Pedagogy Omari L. Dyson,2013-11-14 The Black Panther Party and Transformative Pedagogy Place Based Education in Philadelphia by Omari L Dyson is the first scholarly text to detail the social relief efforts of the Philadelphia Pennsylvania Branch of the Black Panther Party Through a postcolonial lens this story captures the lived resistances highlights the socio historical context and examines the discourse of former members of the Black Panther Party and local residents of Philadelphia from 1968 1974 Overall this book provides insight from a multiplicity of sources to better capture the identity

ies and complexity of the organization Not only does this text resolve a dearth in the literature that highlights the multiple facets of the Black Panther Party especially at the local level but it serves as a template on effective strategies for researchers educators and policymakers to implement on their quest for social and educational transformation

Crime and Criminal Justice in American Society Randall G. Sheldon,William B. Brown,Karen S. Miller,Randal B. Fritzler,2015-06-22

Today s headlines vividly illustrate the importance of understanding aspects of the criminal justice system too often ignored While the second edition of Crime and Criminal Justice in American Society includes the most recent statistics on the police courts and corrections its provocative current examples also spur critical thinking about justice in the United States The authors offer an alternative interpretation of criminal justice rarely presented in traditional textbooks or by the media They encourage readers to examine their beliefs about crime punishment and the law Discussions in the chapters about how African Americans Hispanics whites women juveniles the rich and the poor experience crime and the criminal justice system contribute context for understanding different viewpoints The poor and minorities are the most likely to be caught in the net of criminal justice but inequities have consequences for everyone Reflection on various perspectives provides helpful input for assessing attitudes and for becoming actively involved with issues that have significant consequences Eighteen thoroughly revised chapters present historical backgrounds theories and emerging issues New to the second edition is a

chapter on veterans involved in the criminal justice system Affordable succinct and engaging this textbook presents the key concepts of the criminal justice system at less than half the cost of many competing textbooks

The Eagle Has Eyes José Angel Gutiérrez, 2019-03-01 This book is the first of its kind to bring transparency to the FBI's attempts to destroy the incipient Chicano Movement of the 1960s While the activities of the deep state are current research topics this has not always been the case The role of the U S government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers This book utilizes declassified files from the FBI to investigate the agency's role in thwarting Cesar E Chavez's efforts to build a labor union for farm workers and documents the roles of the FBI California state police and local police in assisting those who opposed Chavez Ultimately The Eagle Has Eyes is a must read for academics and activists alike

The Money Trail Robert G. Folsom, 2010 The untold story of the man who followed the money to bust Al Capone and clean up America's first great crime wave

Cold War James R. Arnold, Roberta Wiener, 2012-01-16 The impact of the Cold War is still being felt around the world today This insightful single volume reference captures the events and personalities of the era while also inspiring critical thinking about this still controversial period Cold War The Essential Reference Guide is intended to introduce students to the tensions between the Soviet Union and the United States that dominated international affairs in the second half of the 20th century A comprehensive overview essay plus separate essays on the causes and consequences of the conflict will provide readers with the necessary context to understand the many facets of this complex era The guide's expert contributors cover all of the influential people and pivotal events of the period encompassing the United States the Soviet Union Europe Southeast Asia China the Middle East Latin America and Africa from political military and cultural perspectives Reference entries offer valuable insight into the leaders and conflicts that defined the Cold War while other essays promote critical thinking about controversial and significant Cold War topics including whether Ronald Reagan was responsible for ending the Cold War the impact of Sputnik on the Cold War and the significance of the Prague Spring

LBJ Randall Bennett Woods, 2007 This dramatic reappraisal of one of the most significant and least understood presidents in American history is based on extraordinary interviews and documents revealing a Lyndon Baines Johnson as never seen before

Machine Gun Kelly's Last Stand Stanley Hamilton, 2003 This story of a 1933 kidnapping gone terribly wrong recreates the lawlessness of the era and discusses how this case followed breathlessly by the media and a fascinated public became the first high profile success of a fledgling FBI

Mobsters, Unions, and Feds James B Jacobs, 2006-01-01 This worthy successor to *Gotham Unbound* is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions Publishers Weekly Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States Yet the government the AFL CIO and the civil liberties community all but ignored the situation for most of the twentieth century Since 1975 however the FBI Department of Justice and the federal judiciary have

relentlessly battled against labor racketeering even in some of the nation's most powerful unions. Mobsters, Unions, and Feds is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort. A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia, James B. Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement, then consolidated their power through patronage, fraud, and violence, and finally used this power to become part of the political and economic power structure of twentieth-century urban America. Since FBI Director J. Edgar Hoover's death in 1972, federal law enforcement has aggressively investigated and prosecuted labor racketeers as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization (RICO) statute to impose long-term court-supervised remedial trusteeships on mobbed-up unions. There have been some impressive victories, including substantial progress toward liberating the four most racketeer-ridden national unions from the grip of organized crime, but victory cannot yet be claimed. A must-read book for anyone interested in the problem of union corruption and what to do about it.

Industrial and Labor Relations Review Little 'Red Scares' Robert Justin Goldstein, 2016-05-13. Anti-communism has long been a potent force in American politics, capable of gripping both government and popular attention. Nowhere is this more evident than in the two great red scares of 1919-20 and 1946-54, the latter generally if somewhat inaccurately termed McCarthyism. The interlude between these two major scares has tended to garner less attention, but as this volume makes clear, the lingering effects of 1919-20 and the gathering storm clouds of McCarthyism were clearly visible throughout the 20s and 30s, even if in a more low-key way. Indeed, the period between the two great red scares was marked by frequent instances of political repression, often justified on anti-communist grounds at local, state, and federal levels. Yet these events have been curiously neglected in the history of American political repression and anti-communism, perhaps because much of the material deals with events scattered in time and space which never reached the intensity of the two great scares. By focusing on this twenty-five year interim period, the essays in this collection bridge the gap between the two high-profile red scares, thus offering a much more contextualized and fluid narrative for American anti-communism. In so doing, the rationale and motivations for the red scares can be seen as part of an evolving political landscape rather than as isolated bouts of hysteria exploding onto and then vanishing from the political scene. Instead, a much more nuanced appreciation of the conflicting interests and fears of government politicians, organized labor, free speech advocates, employers, and the press is offered, which will be of interest to anyone wishing to better understand the political history of modern America.

Year of the Heroic Guerrilla Robert Vincent Daniels, 1996. From Paris to Peking, from Saigon to Washington, the pillars of the postwar world tottered on the brink of collapse in 1968. This book is the first global analysis of that universal upheaval, from the Tet offensive and the abdication of Lyndon Johnson to the cultural revolution in China and the convention and riots in Mayor Daley's Chicago.
