This book came from experiences I have gone through in my Christian walk I became a Christian in 1993 and soon enough I came to know that if I were to enjoy my Christian life I had to renew my mind with the Word of God I also came to realize that the environment that I grew up in and the developed mind set over the years were directing how I related to God and His Word To a larger extent this was always in conflict with the Word of God I would get frustrated when my prayers were not answered how and when I wanted them to I would begin to ask myself questions such as Is God punishing me for something Did God really hear my prayers How did so and so receive what I have been asking for months But as I continued to study and mature in the Word of God things became clearer Sometimes a believer will struggle with questions but fear to ask them fearing being judged or presuming they are of little or no faith Throughout my ministry I have dedicated myself to encouraging people to overcome their fears in order to reach their God given potential I believe that all of us are capable of living a full life but misinterpretation of what is a full life creates frustration This book is a compass to the person who is trying to figure out where their Christian life is and where it is heading I present truths in this book in a simple and understandable language without diluting the intended message I am currently the founding Pastor at God Our Rock International Church in Toronto Ontario Canada **Major Bible Prophecies** John F. Walvoord,1999-12 This is a review of 37 crucial prophecies that affect us today Daniel's Difficulties Resolved - Revelation's Secrets Revealed Roderick L. Yip,2004 Daniel s Difficulties Resolved Revelation s Secrets Revealed delves into specific details of the Biblical books of Daniel and Revelation It is not intended as a comprehensive view of these two books but a specific study of certain often misunderstood verses of these books Roderick Yip seeks to clarify these verses by using a comparison and contrast method of Bible study and bring the reader into a better understanding of the information presented Ellen White repeatedly endorses the precept upon precept line upon line approach to Bible study especially as it relates to doctrine This book is divided into two sections each dealing with a particular book The first part of each section focuses on the principles of interpretation and

the format in which the book was written Then over the chapters it discusses a particular chapter s and studies individual issues and misunderstandings The author goes beyond a mere presentation of his interpretations but cites other authors including Uriah Smith in his book The Prophecies of Daniel and The Revelation Particular issues included in this book are the historical information that compliments the visions in Daniel John s often misunderstood writing style and the unique format of both books which is helpful to understanding them *Mysteries and Secrets Revealed* Loren Pankratz,2021-04-01

Mysteries and Secrets Revealed uncovers the reality behind mysteries of nature and secrets of frauds that eluded common understanding The journey begins in the ancient Greek city of Delphi where priests claimed the gift of a priceless gold lion was an acknowledgement of their clairvoyant powers But their concocted story concealed an embarrassing blunder Those sufficiently savvy to catch the lie became aware of even deeper problems Author Loren Pankratz then guides us through the conflicts of Renaissance scholars including Galileo who explained things in ways that enraged philosophers and infuriated priests Galileo s methods of investigation were perpetuated by the meticulous work of the Academy of Experiment and Bernard Fontenelle s enthralling dialogue enabled common people to accept life in the rearranged sun centered universe Clairvoyants in a mesmeric trance claimed they could visit distant planets and endure brutal surgical procedures If any of this was real how was it possible One nineteenth century mesmeric savant Alexis Didier was so convincing that someone claimed no case of clairvoyance could be made for anyone if his accomplishments were not real This unchallenged declaration is now unraveled here for the first time through information gleaned from uncommon documents and rare antiquarian pamphlets The surprising manifestations of modern spiritualism quickly escalated into a psychic arms race that included mysterious tipping and turning of tables Scientist Michael Faraday devised ingenious experiments to show how subtle muscle reactions outside of awareness created these manifestations On the other hand explanations for table levitations and mysterious writing on slates could only be solved by individuals with acute observational skills and acquainted with the methods of trickery Each story in *Mysteries and Secrets Revealed* captures the tension of conflict the thrill of discovery and the strategies of science that unmasked frauds fakes false belief and the enigmas of our natural world
