*The Secret Daughter* Jackie Merritt, 1999      **The Secret Daughter** Catherine Spencer, 1998      **Secret Daughter** Shilpi Somaya Gowda, 2012-11-06

Somer's life is everything she imagined it would be. She's newly married and has started her career as a physician in San Francisco until she makes the devastating discovery she never will be able to have children. The same year in India a poor mother makes the heartbreaking choice to save her newborn daughter's life by giving her away. It is a decision that will haunt Kavita for the rest of her life and cause a ripple effect that travels across the world and back again. Asha, adopted out of a Mumbai orphanage, is the child that binds the destinies of these two women. We follow both families invisibly connected until Asha's journey of self discovery leads her back to India. Compulsively readable and deeply touching *Secret Daughter* is a story of the unforeseen ways in which our choices and families affect our lives and the indelible power of love in all its many forms.

The baby deception. Soon after rebel Joe Donnelly's sizzling night with debutante Imogen Palmer she had fled. But ten years later she was back just as exquisite as ever. And Joe wanted answers. For he had stumbled upon the secret behind her hasty departure: she'd been pregnant with his child. In search for the truth Joe was about to uncover an astonishing story that would culminate in a heart-rending reunion with the daughter he never knew he had and her beautiful mother Imogen, a woman he should never have allowed to get away.

**Secret Daughter** June Cross, 2006-05-18

June Cross was born in 1954 to Norma Booth, a glamorous aspiring white actress, and James Stump Cross, a well-known black comedian. Sent by her mother to be raised by black friends when she was four years old and could no longer pass as white, June was plunged into the pain and confusion of a family divided by race. *Secret Daughter* tells her story of survival. It traces June's astonishing discoveries about her mother and about her own fierce determination to thrive. This is an inspiring testimony to the endurance of love between mother and daughter, a child and her adoptive parents, and the power of community.
