masterful storytelling and authentic portrayal of pirate life make this book a must read for anyone interested in the golden age of piracy *Dead Men's Money* J. S. Fletcher, 2015-10-29 The very beginning of this affair which involved me before I was aware of it in as much villainy and wickedness as ever man heard of was of course that spring evening now ten years ago whereon I looked out of my mother's front parlour window in the main street of Berwick upon Tweed and saw standing right before the house a man who had a black patch over his left eye an old plaid thrown loosely round his shoulders and in his right hand a stout stick and an old fashioned carpet bag He caught sight of me as I caught sight of him and he stirred and made at once for our door If I had possessed the power of seeing more than the obvious I should have seen robbery and murder and the very devil himself coming in close attendance upon him as he crossed the pavement But as it was I saw nothing but a stranger and I threw open the window and asked the man what he might be wanting Lodgings he answered jerking a thickly made thumb at a paper which my mother had that day set in the transom above the door Lodgings You've lodgings to let for a single gentleman I'm a single gentleman and I want lodgings For a month maybe more Money no object Thorough respectability on my part Few needs and modest requirements Not likely to give trouble Open the door I went into the passage and opened the door to him He strode in without as much as a word and not waiting for my invitation lurched heavily he was a big heavy moving fellow into the parlour where he set down his bag his plaid and his stick and dropping into an easy chair gave a sort of groan as he looked at me **Dead Men's Money** J. S. Fletcher, 2020-07-17 Reproduction of the original *Dead Men's Money* by J. S. work reporter travels back to the 1970s where he has a chance to stop a murder in this hard boiled science fiction mystery Fashioning an unholy mash up of Back to the Future The Time Machine and Twelve Monkeys Swierczynski shows once again that when it comes to pulp velocity pop culture savoir faire and storyteller bravado he s settling all the standards Megan Abbott author of The Song Is You and Bury Me Deep Winner 2011 Anthony Award Mickey Wade is out of work out of time and quite possibly out of his mind Mickey Wade is a recently unemployed journalist who lucked into a rent free apartment his sick grandfather s place The only problem it s in a lousy neighborhood the one where Mickey grew up in fact The one he was so desperate to escape But now he s back Dead broke And just when he thinks he s reached rock bottom Mickey wakes up in the past Literally At first he thinks it s a dream All of the stores he remembered from his childhood the cars the rumble of the elevated train But as he digs deeper into the past searching for answers about the grandfather he hardly knows Mickey meets the twelve year old kid who lives in the apartment below The kid who will grow up to someday murder Mickey s father Swierczynski cleverly melds the thriller and fantasy elements especially the notion of nonlinear time producing a thoroughly readable suspenseful romp that evokes John D MacDonald s pulp classic The Girl the Gold Watch Everything Booklist Duane Swierczynski is one of the best thriller writers in America and probably my favorite I blazed through Expiration Date in one sitting and I loved it James Frey New York Times bestselling author of Bright Shiny Morning and A Million Little Pieces
