Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil

Carol Ann Drogus, Hannah Stewart-Gambino

Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil:

Secret Dialogues Kenneth Serbin, 2000-08-15 *Secret Dialogues* uncovers an unexpected development in modern Latin American history the existence of secret talks between generals and Roman Catholic bishops at the height of Brazil's military dictatorship During the brutal term of Emilio Garrastaz Medici the Catholic Church became famous for its progressivism However new archival sources demonstrate that the church also sought to retain its privileges and influence by exploring a potential alliance with the military From 1970 to 1974 the secret Bipartite Commission worked to resolve church state conflict and to define the boundary between social activism and subversion As the bishops increasingly made defense of human rights their top pastoral and political goal the Bipartite became an important forum of protest against torture and social injustice Based on more than 60 interviews and primary sources from three continents *Secret Dialogues* is a major addition to the historical narrative of the most violent yet ironically the least studied period of the Brazilian military regime Its story is intertwined with the central themes of the era revolutionary warfare repression censorship the fight for democracy and the conflict between Catholic notions of social justice and the anticommunist Doctrine of National Security *Secret Dialogues* is the first book of its kind on the contemporary Catholic Church in any Latin American country for most work in this field is devoid of primary documentary research Serbin questions key assumptions about church state conflict such as the typical conservative progressive dichotomy and the notion of church state rupture during harsh authoritarian periods *Secret Dialogues* is written for undergraduate and graduate students professional scholars and the general reader interested in Brazil Latin America military dictatorship human rights and the relationship between religion and politics

The Throes of Democracy Doctor Bryan McCann, 2013-04-04 In the 1980s Brazil emerged from two decades of military dictatorship and embarked on an experiment in full democracy for the first time in the nation's history Since then Brazilians have sought to live up to the ideals of this experiment while negotiating dramatic economic and cultural transformations In *The Throes of Democracy* Bryan McCann gives a panoramic view of this process exploring the relationships between the rise of the political left the escalation of urban violence the agribusiness boom and the spread of pentecostal evangelization Brazil remains a land marked by deep inequality but in the last two decades the structure of that inequality has changed substantially This is a country which remains an endlessly vital source of popular culture now bubbling forth from different corners of the map In explaining these transformations this book provides a fascinating introduction to one of the 21st century's most significant countries

Hard Times in the Marvelous City Bryan McCann, 2014-01-17 Beginning in the late 1970s activists from the favelas of Rio de Janeiro challenged the conditions such as limited access to security sanitation public education and formal employment that separated favela residents from Rio's other citizens The activists built a movement that helped to push the nation toward redemocratization They joined with political allies in an effort to institute an ambitious slate of municipal reforms Those measures ultimately fell short of aspirations and soon the reformers were

struggling to hold together a fraying coalition Rio was bankrupted by natural disasters and hyperinflation and ravaged by drug wars Well armed drug traffickers had become the new lords of the favelas protecting their turf through violence and patronage By the early 1990s the promise of the favela residents mobilization of the late 1970s and early 1980s seemed out of reach Yet the aspirations that fueled that mobilization have endured and its legacy continues to shape favela politics in Rio de Janeiro

Religion Christian Smith,2019-03-26 A groundbreaking new theory of religion Religion remains an important influence in the world today yet the social sciences are still not adequately equipped to understand and explain it This book advances an innovative theory of religion that goes beyond the problematic theoretical paradigms of the past Drawing on the philosophy of critical realism and personalist social theory Christian Smith explores why humans are religious in the first place uniquely so as a species and offers an account of secularization and religious innovation and persistence that breaks the logjam in which religious scholarship has been stuck for so long Certain to stimulate debate and inspire promising new avenues of scholarship Religion features a wealth of illustrations and examples that help to make its concepts accessible to readers This superbly written book brings sound theoretical thinking to a perennially thorny subject and a new vitality and focus to its study

Dissensual Subjects Andrew C. Rajca,2018-02-15 In Dissensual Subjects Andrew C Rajca combines cultural studies and critical theory to explore how the aftereffects of dictatorship have been used to formulate dominant notions of human rights in the present In so doing he critiques the exclusionary nature of these processes and highlights who and what count and do not count as subjects of human rights as a result Through an engaging exploration of the concept of never again nunca m s nunca mais and close analysis of photography exhibits audiovisual installations and other art forms in spaces of cultural memory the book explores how aesthetic interventions can suggest alternative ways of framing human rights subjectivity beyond the rhetoric of liberal humanitarianism The book visits sites of memory two of which functioned as detention and torture centers during dictatorships to highlight the tensions between the testimonial tenor of permanent exhibits and the aesthetic interventions of temporary installations there Rajca thus introduces perspectives that both undo common understandings of authoritarian violence and its effects as well as reconfigure who or what are made visible as subjects of memory and human rights in postdictatorship countries Dissensual Subjects offers much to those concerned with numerous interlocking fields memory human rights political subjectivity aesthetics cultural studies visual culture Southern Cone studies postdictatorship studies and sites of memory

Historical Dictionary of the Dirty Wars David Kohut,Olga Vilella,2016-11-16 The Historical Dictionary of the Dirty Wars coversthe period 1954 1990 in South America when authoritarian regimes waged war on subversion both real and imagined The term dirty war guerra sucia though originally associated with the military dictatorship in Argentina from 1976 to 1983 has since been applied to neighboring dictatorships in Paraguay 1954 1989 Brazil 1964 1985 Bolivia 1971 1981 Uruguay 1973 1985 and Chile 1973 1990 Although the concept is by no means peculiar to Latin America the term has become a byword for state sponsored repression anywhere in the world

these regimes were among its most notorious practitioners In the mid 1970s they joined forces along with Ecuador and Peru to create Operation Condor a top secret network of military dictatorships that kidnapped tortured and disappeared one another s political opponents Their death squads operated both nationally and internationally sometimes beyond the region This third edition of Historical Dictionary of the Dirty Wars contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 400 cross referenced entries on the countries themselves guerrilla and political movements that provoked though by no means exonerated governmental reaction leading guerrilla human rights military and political figures local regional and international human rights organizations expressions of cultural resistance art film literature music and theater and artistic figures filmmakers novelists and playwrights whose works attempted to represent or resist the period of repression This book is an excellent access point for students researchers and anyone wanting to know more about the dirty wars of South America

Political (In)Justice Anthony W. Pereira,2005-10-23 Why do attempts by authoritarian regimes to legalize their political repression differ so dramatically Why do some dispense with the law altogether while others scrupulously modify constitutions pass new laws and organize political trials Political In Justice answers these questions by comparing the legal aspects of political repression in three recent military regimes Brazil 1964 1985 Chile 1973 1990 and Argentina 1976 1983 By focusing on political trials as a reflection of each regime s overall approach to the law Anthony Pereira argues that the practice of each regime can be explained by examining the long term relationship between the judiciary and the military Brazil was marked by a high degree of judicial military integration and cooperation Chile s military essentially usurped judicial authority and in Argentina the military negated the judiciary altogether Pereira extends the judicial military framework to other authoritarian regimes Salazar s Portugal Hitler s Germany and Franco s Spain and a democracy the United States to illuminate historical and contemporary aspects of state coercion and the rule of law

The Brazil Reader James N. Green,Victoria Langland,Lilia Moritz Schwarcz,2018-12-06 From the first encounters between the Portuguese and indigenous peoples in 1500 to the current political turmoil the history of Brazil is much more complex and dynamic than the usual representations of it as the home of Carnival soccer the Amazon and samba would suggest This extensively revised and expanded second edition of the best selling Brazil Reader dives deep into the past and present of a country marked by its geographical vastness and cultural ethnic and environmental diversity Containing over one hundred selections many of which appear in English for the first time and which range from sermons by Jesuit missionaries and poetry to political speeches and biographical portraits of famous public figures intellectuals and artists this collection presents the lived experience of Brazilians from all social and economic classes racial backgrounds genders and political perspectives over the past half millennium Whether outlining the legacy of slavery the roles of women in Brazilian public life or the importance of political and social movements The Brazil Reader provides an unparalleled look at Brazil s history culture and politics

Hapi, Hispanic American Periodicals Index 2001 ,2002-04 *The Oxford Handbook of*

Latin American Christianity David Thomas Orique, Susan Fitzpatrick-Behrens, Virginia Garrard, 2020-03-23 By 2025 Latin America's population of observant Christians will be the largest in the world. Nonetheless, studies examining the exponential growth of global Christianity tend to overlook this region, focusing instead on Africa and Asia. Research on Christianity in Latin America provides a core point of departure for understanding the growth and development of Christianity in the Global South. In *The Oxford Handbook of Latin American Christianity*, an interdisciplinary contingent of scholars examines Latin American Christianity in all of its manifestations from the colonial to the contemporary period. The essays here provide an accessible background to understanding Christianity in Latin America. Spanning the era from indigenous and African descendant people's conversion to and transformation of Catholicism during the colonial period through the advent of Liberation Theology in the 1960s and conversion to Pentecostalism and Charismatic Catholicism, *The Oxford Handbook of Latin American Christianity* is the most complete introduction to the history and trajectory of this important area of modern Christianity.

The Oxford Handbook of Latin American Social Movements Federico M. Rossi, 2023 Cover Page Half Title Series Page Title Page Copyright Dedication Contents About the Editor About the Contributors Introduction 1 Multiple Paradigms for Understanding a Mobilized Region Part I Theoretical Perspectives 2 Marxist Theories of Latin American Social Movements 3 Resource Mobilization and Political Process Theories in Latin America 4 New Social Movements in Latin America and the Changing Socio-Political Matrix 5 Relational Approaches to Social Movements in and beyond Latin America 6 Network Approaches to Latin American Social Movements 7 Feminist and Queer Perspectives on Latin American Social Movements 8 Decolonizing Approaches to Latin American Social Movements Part II Main Processes and Dynamics 9 Protest Waves in Latin America: Facilitating Conditions and Outcomes 10 Social Movements and Nationalism in Latin America 11 Social Movements and Revolutions in Latin America: A Complex Relationship 12 Social Movements under Authoritarian Regimes in Latin America 13 Social Movements and Democratization Processes in Latin America 14 Social Movements and Capitalist Models of Development in Latin America 15 Social Movements and Globalization in Latin America 16 Movements and Territorial Conflicts in Latin America 17 Demobilization Processes in Latin America Part III Main Social Movements 18 Transformations of Workers' Mobilization in Latin America 19 Peasant Movements in Recent Latin American History 20 Women's Movements in Latin America: From Elite Organizing to Intersectional Mass Mobilization 21 Indigenous Movements in Latin America: Characteristics and Contributions 22 Afro-Social Movements and the Struggle for Racial Equality in Latin America

Reconciliation, Nations and Churches in Latin America Iain S. Maclean, 2016-04-22 This book examines the recent phenomenon in Latin America of national Truth and Reconciliation commissions. Few studies have examined the role of Churches or religion in political processes that proclaim valued theological terms as their agenda: truth, forgiveness, and reconciliation. This book questions the role of religion, specifically of established Churches. The impact of such reconciliation commissions on Indigenous Native Americans is also examined, as is the role of women and how both commissions and

Churches or religions were challenged by their experiences The contributors offer differing perspectives on one or more national truth and reconciliation processes and thus offer a collection that serves as valuable source for the disciplines of Religious Studies Ethics Theology Political Science Social Sciences and Women s Studies **The Churches and Democracy in Brazil** Rudolf von Sinner,2012-05-04 Brazil is a rapidly emerging country Brazilian theology namely the Theology of Liberation has become well known in the 1970s and 1980s The politically active Base Ecclesial Communities and the progressive posture of the Roman Catholic Church contrasted with a steadily growing number of evangelicals mostly aligned with the military regime but attractive precisely to the poor After democratic transition in the mid 1980s the context changed considerably Democracy growing religious pluralism and mobility a vibrant civil society the political ascension of the Worker s Party and growing wealth albeit within a continuously wide social gap are some of the elements that show the need of a new approach to theology It must be a theology that is both critical and constructive resisting and cooperative a theology that is able to give orientation to the churches valuing and encouraging their contribution in society while avoiding attempts of imposition The Churches and Democracy in Brazil the fruit of years of interdisciplinary study of the Brazilian context and its main churches and theology makes its case for an ecumenically articulated public theology It seeks inspiration mainly in Luther and Lutheran theology emphasizing human dignity freedom trust the disposition to serve and the ability to endure the ambiguities of reality as well as a fresh interpretation of the doctrine of the two regiments These are the fundamental elements of what makes human beings full members of the body politic citizenship their right to have rights and to be able to effectively live them together with their corresponding duties in a move of growing political participation conscious of their religious motivation in view of the commonweal *Religion and Brazilian Democracy* Amy Erica Smith,2019-03-28 Evangelical and Catholic groups are transforming Brazilian politics This book asks why and what the consequences are for democracy Unisa Latin American Report ,2005 Before the Flood Jacob Blanc,2019-11-15 In *Before the Flood* Jacob Blanc traces the protest movements of rural Brazilians living in the shadow of the Itaipu dam the largest producer of hydroelectric power in the world In the 1970s and 1980s local communities facing displacement took a stand against the military officials overseeing the dam s construction and in the context of an emerging national fight for democracy they elevated their struggle for land into a referendum on the dictatorship itself Unlike the broader campaign against military rule however the conflict at Itaipu was premised on issues that long predated the official start of dictatorship access to land the defense of rural and indigenous livelihoods and political rights in the countryside In their efforts against Itaipu and through conflicts among themselves title owning farmers landless peasants and the Av Guaraní Indians articulated a rural based vision for democracy Through interviews and archival research including declassified military documents and the first ever access to the Itaipu Binational Corporation *Before the Flood* challenges the primacy of urban focused narratives and unearths the rural experiences of dictatorship and democracy in Brazil How Latin America Saved the Soul of the Catholic

Church Edward L. Cleary, 2009 Tells the remarkable story of the transformation of the Latin American church on every level from professional theologians to the individual in the remotest Latin American village The Oxford Handbook of Latin American History Jose C. Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history

Activist Faith Carol Ann Drogus, Hannah Stewart-Gambino, 2009-03-02 An extensive and powerful literature on religion society and politics in Latin America in recent years has begun with the assumption that most of the movements that surged in the struggle against military rule are dead that most of the activists are scattered and burned out and that the promise of civil society as a source of new values and a new kind of citizenship and political life was illusory Many have assumed that the religiously inspired activism of that period left little lasting impact but hardly anyone has actually looked at the activists themselves to see what remains how they cope in a different more open environment and how they see and act on the present and future Activist Faith addresses these issues with a wealth of empirical detail from two key cases and with a richly interdisciplinary argument that draws on theorizing about social movements The authors strive to understand what sustains activism and movements in radically different circumstances from those in which they arose Their analysis is enriched by systematic attention to the impact of gender and gender related issues on activism and movements In the process they shed much needed light on the fate of the activists and social movements that rose to prominence throughout Latin America during the 1980s This beautifully written book is a major achievement that gives us analytical tools for studying how movements and activists survive in the doldrums and when a cycle of protest peaks and societies move on Daniel H Levine University of Michigan **Fear and Memory in the Brazilian Army and Society, 1889-1954** Shawn C.

Smallman, 2003-04-03 For more than half a century the Brazilian army used fear and censorship to erase aspects of its history from public memory and to create its own political myths Although the military had remarkable success in promoting its version of events recent democratization has allowed scholars access to new materials with which to challenge the official story Drawing on oral histories secret police documents memoirs of dissident officers army records and other sources only recently made available Shawn Smallman crafts a compelling revisionist interpretation of Brazil's political history from 1889 to 1954 Smallman examines the topics the Brazilian military wished to obscure racial politics and terror campaigns institutional corruption and civil military alliances political torture and personal rivalries to understand the army's growing involvement in civilian affairs Among the myths he confronts are the military's idealized rendition of its racial policies and its portrayal of itself as above the corruption associated with politicians His account not only illuminates the origins of the military government's repressive and often brutal actions during the 1960s and 1970s but also carries implications for contemporary Brazil as the armed forces debate their role in a democratic country

Recognizing the exaggeration ways to acquire this ebook **Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil** is additionally useful. You have remained in right site to start getting this info. acquire the Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil member that we offer here and check out the link.

Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the

vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil is one of the best book in our library for free trial. We provide copy of Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil. Where to download Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil online for free? Are you looking for Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Secret Dialogues Church State Relations Torture And Social Justice In Authoritarian Brazil are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
