Secret Garden and Other Poems Nitin KAKARLA, 2021-07-16 A treasury of wit and wisdom this book contains poetry and accompanying art depicting many facets of human life and the gamut of experiences and emotions contained within it Tales of struggle joy hope sorrow love addiction chivalry beauty art etc all presented in verse format partnered with striking art that enhances the reader experience In the Author s own words I ve never actually read a poetry book myself or gone past the first few pages at least simply because the most popular poets use highbrow language and their works have deep subtle meanings which I could never totally comprehend What I ve tried to write here is simple mostly straight forward stories with hints of irony and humor I hope you enjoy this book
