experience and everyday values By arguing that the crisis of identity and postwar anomie in Abe's works is inseparable from the need to marshal these different scientific and literary voices Christopher Bolton explores how this reconciliation of ideas and dialects is for Abe part of the process whereby texts and individuals form themselves a search for identity that must take place at the level of the self and society at large **Chronicle of the Horse** ,1990 **Subject Catalog** Library of

Schoenhals,2013-02-18 Since the end of the Cold War the operations of secret police informers have come under the media spotlight and it is now common knowledge that vast internal networks of spies in the Soviet Union and East Germany were directed by the Communist Party By contrast very little historical information has been available on the covert operations of the security services in Mao Zedong's China However as Michael Schoenhals reveals in this intriguing and sometimes sinister account public security was a top priority for the founders of the People's Republic and agents were recruited from all levels of society to ferret out counter revolutionaries On the basis of hitherto classified archival records the book tells the story of a vast surveillance and control apparatus through a detailed examination of the cultivation and recruitment of agents their training and their operational activities across a twenty year period from 1949 to 1967 Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.

A Dangerous Woman Susan Ronald,2018-02-20 A revealing biography of Florence Gould fabulously wealthy socialite and patron of the arts who hid a dark past as a Nazi collaborator in 1940's Paris Born in turn of the century San Francisco to French parents Florence moved to Paris at the age of eleven Believing that only money brought respectability and happiness she became the third wife of Frank Jay Gould son of the railway millionaire Jay Gould She guided Frank's millions into hotels and casinos creating a luxury hotel and casino empire She entertained Zelda and Scott Fitzgerald Pablo Picasso Joseph Kennedy and many Hollywood stars like Charlie Chaplin who became her lover While the party ended for most Americans after the Crash of 1929 Frank and Florence stayed on fearing retribution by the IRS During the Occupation Florence took several German lovers and hosted a controversial Nazi salon As the Allies closed in the unscrupulous Florence became embroiled in a notorious money laundering operation for Hermann Goering's Aerobank Yet after the war not only did she avoid prosecution but her vast fortune bought her respectability as a significant contributor to the Metropolitan Museum and New York University among many others It also earned her friends like Estée Lauder who obligingly looked the other way A seductive and utterly amoral woman who loved to say money doesn't care who owns it Florence's life proved a strong argument that perhaps money can buy happiness after all *The Vietnam War from the Other Side* Cheng Guan Ang,2013-07-04

Existing studies of the Vietnam War have been written mostly from an American perspective using western sources and viewing the conflict through western eyes This book based on extensive original research including Vietnamese Chinese and former Soviet sources presents a history of the war from the perspective of the

Vietnamese communists It charts relations with Moscow and Beijing showing how the involvement of the two major communist powers changed over time and how the Vietnamese despite their huge dependence on the Chinese and the Soviets were most definitely in charge of their own decision making Overall it provides an important corrective to the many one sided studies of the war and presents a very interesting new perspective [The Quartermaster Corps: Operations in the war against Germany](#) ,1965 **A Village Boy** Eric Barton,2005-04 Nayland is a small village on the Essex Suffolk borders of England where Eric Barton was born and lived for many years He describes life in the community from 1920s to 1970s A valuable social history with several interesting photographs
