People Toward the Journey's End D. E. Young, 2020-05-18

The Christian life is a journey as John Bunyan put it in Pilgrim's Progress from the City of Destruction to the Celestial City The Christian's experiences are many and varied along the way Sometimes the Christian seems to be in green pastures and sometimes in the valley of the shadow of death yet the Shepherd is with him all the time and all the way We have many blessings but also many trials in this already but not yet life Already we taste something of the joy of heaven and the powers of the age to come but we are still beset with sin and weakness and must keep on keeping on It is hoped that this volume will bring encouragement to God's people to do just that

**The Real Deal: Making the Case for the One True God** Rev. Peter Hendriks Okello, 2018-08-08

This book explains differences between the content of the Bible and the Quran and between the God of the Bible and Allah of the Quran The resulting identity of Allah serves as a wake up call for many Christians especially for those who think that the God of the Bible and Islam's Allah are identical

Despite growing militant Muslim behavior throughout the world especially against Christians and Jews many Christian leaders in churches and politics seem to be ignorant of the growing threat of Islam to their communities

Many examples of explicit Muslim's inhuman behavior substantiate the global Muslim threat to completely destroy Jewish and Christian communities throughout the world

This book helps readers understand that there is a significant and most strenuous spiritual battle going on in the heavenly spheres between demons fallen angels and angels as ministers of God

This spiritual battle is reflected in the hearts and minds of men and women today

This book suggests how Christians need to be united in a biblical response to the growing threat of militant Islam to bring the entire world under the rule of Sharia law and worship of Islam's Allah
