England's Secret Weapon Amanda Field, 2012-07-19 England's Secret Weapon explores the way Hollywood used Sherlock Holmes in a series of fourteen films spanning the years of World War II in Europe from *The Hound of the Baskervilles* in 1939 to *Dressed to Kill* in 1946 Basil Rathbone's portrayal of Holmes has influenced every actor who has since played him on film TV stage and radio yet the film series has until now been neglected in terms of detailed critical

analysis The book looks at the films themselves in combination with their historical context and examines how the studio updated Holmes and recruited him to fight the Nazis steering a careful course between modernising the detective and making sure he was still recognisable as the old Holmes in clothes locations and behaviour **Stalin's Secret Weapon**

Anthony Rimmington,2018 A chilling reassessment of the Soviet Union s advances in biological warfare and the West s inadvertent contributions The Secret Weapon Against Terrorism Daniel Ogwen,2007-10 In this book Ogwen is not seeking God s best answer for terrorism but God s personal intervention He points out the difference it makes when God Himself shows up in the hearts of both the terrorist and the terrorized God s law for example is perfect His best Psalm 19 7 but some religious people almost executed a woman based on their understanding of this law All this changed when instead of God s best God Himself showed up John 8 3 11 The books that have been written on terrorism are basically descriptive and informative In this book however Ogwen compellingly turns the light on to the prescriptive and transformative Secret Weapon Against Terrorism He maintains Our greatest desire is to bring back civility sanity and security so that we can travel work and gather in social places without fear We don t seek to understand terrorism more than we long to stop it This book therefore doesn t describe the problem it prescribes the solution In the morning hours of January 22nd 1989 Ogwen stumbled on what he had been unknowingly seeking something that would quench the sensual cravings in his life He met Christ and was sensationally saved Since then he has passionately pursued God s pleasure Ogwen believes that God spoke to him saying I am going to give you My best But he answered and said Lord I need more than Your best I need You Personally That was Ogwen s quest The result as he puts it God didn t just give me His best He gave me Himself in the person of Christ Ogwen holds Bachelor of Education Moi University Kenya and M Phil in Mass Communication and Media Studies University of Bergen Norway He is married to Laura Caroline and they are blessed with two boys Victor and Jim Jif and a girl Baraka *Secret Weapons* Brian J Ford,2013-09-20 Deep in the bunkers of Nazi Germany many of the world s top

the continent and changed everything imposing their greed and guns on the inhabitants The dry humid air left many people panting for breath and sweating profusely The women complained bitterly the children suppressed their discomfort but the men simply ignored the weather because they had bigger problems on their minds They d been thinking about the death and the devastation that the Oburoni intruders these uninvited aliens had unleashed on the land

The Secret Weapon Bradley Wright,2020-04-26 The CIA keeps a lot of secrets None more deadly than him After a covert mission became personal the only way elite counterterrorism operative Alexander King could keep his loved ones safe and the eyes of Washington s enemies blind to his existence was to disappear A year after his family buried a body they thought was his King saves a young woman from a car bomb in London and that s when his work in the shadows becomes complicated Because she s not who he thinks she is and

the web that King is pulled into is tangled with enemies that reach the highest levels of the United States government But this web being spun by a sadistic terrorist isn't your average one time explosive attack Saajid Hammoud is aiming higher He isn't trying to cripple the greatest military in the world he's looking to control it And owning the presidential candidate with a clear path to the White House gets him all the way to the top When politics fail and the might of the world's most powerful nation hangs in the balance it's secret weapons like Alexander King who scour the alleys and back avenues that often make the difference Unfortunately King isn't the only secret in this high stakes game of war But for the sake of the free world he's sure as hell better be the best If you couldn't put down Vince Flynn's Mitch Rapp Lee Child's Jack Reacher Tom Clancy's Jack Ryan Brad Thor's Scot Harvath or David Baldacci's Will Robie fans of Bradley Wright believe you won't be able to put down the addictive Alexander King _____

SPECIAL REPORT 2011: Hitler's Secret UFO Weapons Jack Follett, 2010 UFO sightings during and after World War II can be traced back to the German weapons makers and their amazing use of electro gravity to power their own manmade ships Many of the ships appear to bear the sign of the Nazi cross on their outer skin which is shown in several of the more dramatic photos in the same way that an airplane would bear insignia on its wings and fuselage This is further borne out by actual newsclippings from The New York Times in which U.S. soldiers in Europe reported seeing colored spheres flying both singly and in clusters during the war The idea that the Germans were using a secret base in Antarctica to house and maintain their so called UFOs is examined and Admiral Byrd's famous exploratory trip to the frozen south is explained as a military attack on the Nazi stronghold disguised as a scientific mission Apparently the U.S. forces were no match for the Nazi airships which shot down several planes and forced Byrd's troops to retreat

Charles Stephenson draws on previously unseen material from the Dundonald family archive in his account of the earl and his invention and follows the story of the use of poison gas through to its place in modern warfare BOOK JACKET
