and came face to face with his own past as he sailed north along his childhood coastline of east Yorkshire towards the Arctic Circle But there was one major thing missing from this voyage the sight of puffins They are remarkable birds uplifting as a ray of sunshine after a storm To see them and share their waters was also part of Heiney's ambition Imagine then his disappointment when first no puffins appeared off the Farne Islands then none to be seen on puffin hotspots like Orkney When he failed to see puffins on Iceland it was the last straw and he started to become seriously concerned Heiney senses that a new chapter is about to be written and it is one in which we may have to say farewell to the puffin forever This book is rich in travel and sailing narrative natural and social history and with a strong undercurrent of good humour It provides not only an insight into the private life of the puffin but an honest portrait of human life on the ocean waves as well as a reflection on what we might lose if the puffin disappears from our icy northern waters *Whitaker's Cumulative Book List*, 1974

Williams,1970 Poetry for Life Linda Hall,1989 *The Legacy (Secrets of the Shetlands Book #3)* Michael Phillips,2017-07-04 The Dramatic Conclusion to Michael Phillips s Shetland Islands Saga Loni Ford s unexpected inheritance of substantial real estate not to mention a title in the Shetland Islands has caused more than a stir in the quiet fishing hamlet of Whales Reef How is life ever to be the same with an outsider and a woman at that playing such a pivotal role in the life of this conservative community But it isn t just the locals who have deep misgivings about the current situation Loni herself never imagined this in her wildest dreams What Loni is more sure of however is that she is falling in love with Whales Reef with its hardy people with its simple peaceful way of life and with local chieftain David Tulloch whose inheritance she has usurped at least in the eyes of some But life in Whales Reef is not without drama Deep rifts exist between certain lifelong residents and when one local resident turns up dead suspicion is cast in the direction of the island s most prominent family

How Loni and David deal with this challenge will go a long way in determining their future and that of the quaint island community
