Secret Memories Recuerdos Secretos:

Recuerdos secretos Mallory Kane, 2017-07-20 Después de haber sido brutalmente atacado y dado por muerto Jay Wellcome se había quedado sin memoria Pero ni siquiera la amnesia podía borrar la imagen de aquella belleza sin identidad Aunque Jay nunca pensó que llegar a estar frente a ella Paige Reynolds se presentaría en su vida como una mágica aparición Y a pesar de no recordarla sus dedos ardían de deseo por un cuerpo que parecía conocer a la perfección *American Triptych* Carlos Rubio, 2008-12-01 Expert Latin American satirist Carlos Rubio presents a new tongue in cheek masterpiece that scales new heights of satire even as it follows the life of a young protagonist in his journey through growing up and into manhood Rubio pulls out all the stops on ironic humor in American Triptych Rubio explores the potential of transformation in a young boy as he moves from one experience to the next in three volumes filled with the ironical embellishments of the Neo Baroque writing style In the first part entitled The Neophyte Rubio unfolds the life of a young boy rescued from a flood by a somewhat dysfunctional convent of nuns Instead of the expected moral upbringing instilled he grows up to be virile and brazen with a perspective that is nothing short of hedonistic Bullwhip the second installment continues the adventures of the adolescent young man as he enters high school He brings with him his solidifying philosophies and an I don't care attitude silently reconstructing the strict academic atmosphere according to his whims He gains his own notoriety even as he faces down the local gang and dodges the sexual advances of the vice principal And while the individuals that oppose him get him cornered a delightful twist of events sees him coming out on top California Fever concludes the exciting trilogy exploring a more contemporary theme of events that begin with the young protagonist losing his memory after surviving an earthquake Before long he would venture into the life of a rock star as The Rocker until he would be persuaded to enter politics However all this conceals a most unexpected ending the consummation of what would seem an aborted desire of the hero's soul Absolutely hyperbolic parodical and phallic American Triptych will tickle the brains and funnybones of readers who don't mind the racy overtones and unrestrained sarcasm beneath the funny storyline **She is Cuba** Melissa Blanco Borelli, 2015-11-11 This book traces the history of the Cuban mulata and her association with hips sensuality and popular dance It examines how the mulata choreographs her identity through her hips Combining literary and personal narratives with historical and theoretical accounts of Cuban popular dance history religiosity and culture this work investigates the power of embodied exchanges

Lorca & Jimenez , 2016-08-09 A unique gathering of poems by two great twentieth century poets with the original Spanish versions and powerful English translations on facing pages In a new preface editor and translator Robert Bly explores what the poems reveal today about politics the spirit and the purpose of art **Lorca & Jiménez** , 1997 **Orisha** Carlos Rubio Albet, 2007-05-23 Arraigada en el folklore afrocubano tan bien captado por Fernando Ortiz Lydia Cabrera y Alejo Carpentier Orisha dibuja una elipse que magistralmente enlaza el mbito primigenio de la isla con el contemporáneo Desde el punto de vista anecdótico toda esta nueva novela de Rubio traza el desenlace del vaticinio de un babalao lucum que

anuncia con detalles el nacimiento y futuro de Ignacio Benítez alias Agua Dulce Mulato de ojos azules Ignacio es el elegido sucesor del brujo lucum y el encargado de ratificar la veracidad del pronóstico de los caracoles sobre su propio destino Desplazándose desde la Cuba originaria hasta la revolución fidelista de 1959 y el subsiguiente exilio a tierras floridanás Orisha describe y recoge sensualmente la riqueza del paisaje guajiro el sabor de su tierra tostada y succulenta el mundo alucinante y fogoso de la zafra la decadente vida nocturna de la capital cubana y el Miami comercializado de la emigración El autor se regocija en la confección de barrocas descripciones en las que se injertan a menudo breves e insólitos miles que enriquecen la narración con sensuales y briosas imágenes comparativas Gran parte de la novela se regodea en un extenso retozo intertextual con personajes de otras novelas de Rubiás como de otros provenientes de textos de Severo Sarduy y Lezama Lima sin excluir técnicas y descripciones mágicas o fantásticas muy propias del maestro del Realismo Mágico Gabriel García Márquez Orisha es en su totalidad un lírico experimento artístico que mantiene el interés del lector de principio a fin al mismo tiempo que lo reta a explorar los diversos vínculos que la unen a la polifacética cultura cubana

Adapting Spanish Classics for the New Millennium Linda M. Willem, 2022-08-30 The twenty first century s turn away from fidelity based adaptations toward more innovative approaches has allowed adapters from Spain Argentina and the United States to draw upon Spain s rich body of nineteenth century classics to address contemporary concerns about gender sexuality race class disability celebrity immigration identity social justice and domestic violence This book provides a snapshot of visual adaptations in the first two decades of the new millennium examining how novelistic material from the past has been remediated for today s viewers through film television theater opera and the graphic novel Its theoretical approach refines the binary view of adapters as either honoring or opposing their source texts by positing three types of adaptation strategies salvaging which preserves old stories by giving them renewed life for modern audiences utilizing which draws upon a pre existing text for an alternative purpose building upon the story and creating a shift in emphasis without devaluing the source material and appropriation which involves a critique of the source text often with an attempt to dismantle its authority Special attention is given to how adapters address audiences that are familiar with the source novels and those that are not This examination of the vibrant afterlife of classic literature will be of interest to scholars and educators in the fields of adaptation media Spanish literature cultural studies performance and the graphic arts La

Memory and Identity in the Narratives of Soledad Puértolas Tamara L. Townsend, 2014-09-09 Narratives of contemporary Spanish writer Soledad Puértolas 1947 inducted into the Real Academia Española in 2010 depict the psychological struggles of the individual in postmodern democratic European society Puértolas s realist style emphasizes storytelling and character portrayal and her urban middle class characters seek satisfying interactions with others and a sense of purpose Memory aids characters in their quest for meaning and identity and their use of memory reveals their self perception and outlook on life This book maps four ways in which Puértolas s narratives use memory to approach the fundamental problem of the individual s search for purpose and identity Some characters are burdened by memory in certain texts especially *Das del Arenal* 1992 and *Burdeos* 1986 Reflection upon a painful self defining memory affects their present mood and behavior For some this burden causes them to withdraw or to act irresponsibly others accept and overcome the scars of the past A second type of character takes an escapist approach to memory as seen in *Queda la noche* 1989 Their nostalgic retreat indicates a restless dissatisfaction with the present In a third type of memory a secondary character provides the organizing force behind a protagonist s reminiscences often an extroverted foil to highlight the protagonist s introspective nature Memory of the relationship motivates the protagonist to mentally order his or her own life through the life review process *Una vida inesperada* 1997 and *La se ora Berg* 1998 provide examples Finally in the amnesic mode Puértolas departs from realism to experiment with different forms of amnesia as in *La rosa de plata* 1999 and *Si al atardecer llegara el mensajero* 1995 Memory loss highlights the centrality of memory to personhood and identity while at the same time it draws attention to the inadequacy of memory to explain the totality of existence
