Secret Teachings Of Jesus Four Gnostic Gospels:

The Secret Teachings of Jesus ,1986-05-12 In December 1945 two Egyptian fellahin digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar The jar proved to hold treasure of an unexpected sort a collection of some fifty two ancient manuscripts most of which reflect the teachings of a mystical religious movement we call Gnosticism from the Greek word gnosis knowledge The texts are also with few exceptions Christian documents and thus they provide us with valuable new information about the character of the early church and about the Gnostic Christians within the church In this volume Marvin W Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts the Secret Book of James the Gospel of Thomas the Book of Thomas and the Secret Book of John

Secret Gospels Marvin Meyer,2003-02-01 Marvin Meyer is one of the leading experts on the secret gospels Gospel of Thomas Secret Gospel of Mark and others who has changed forever how we read the canonical gospels and understand early Christianity In this new collection of his work Meyer looks at these revolutionary texts in original and illuminating ways He writes for example about the naked youths in the villa of the Mysteries On the walls of a villa in Pompeii a famous mural depicts a naked male reading from a scroll a look of wonder on his face A naked youth again appears in the Gospel of Mark abandoning his garment and fleeing naked when apprehended during Jesus arrest A similar youth appears in the Secret Gospel of Mark These youths Meyer proposes serve as an image of religious initiation candidates for the mysteries of Dionysus or of Christ This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity Topics range from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature Meyer s spellbinding readings of these materials offer fresh understandings of the canonical gospels Marvin Meyer is Griset Professor of Bible and Christian Studies and Director of the Albert Schweitzer Institute at Chapman University Orange California He is author of *The Secret Teachings of Jesus Four Gnostic Gospels* and *The Gospel of Thomas The Hidden Sayings of Jesus* and co editor of *Jesus Then and Now* Trinity Press International

Hidden Gospels Philip Jenkins,2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and

practice of contemporary Christianity *Secret Gospels* Marvin Meyer, 2003-02-01 Marvin Meyer is one of the leading experts on the secret gospels Gospel of Thomas Secret Gospel of Mark and others who has changed forever how we read the canonical gospels and understand early Christianity In this new collection of his work Meyer looks at these revolutionary texts in original and illuminating ways He writes for example about the naked youths in the villa of the Mysteries On the walls of a villa in Pompeii a famous mural depicts a naked male reading from a scroll a look of wonder on his face A naked youth again appears in the Gospel of Mark abandoning his garment and fleeing naked when apprehended during Jesus arrest A similar youth appears in the Secret Gospel of Mark These youths Meyer proposes serve as an image of religious initiation candidates for the mysteries of Dionysus or of Christ This is one of the many aspects of the secret gospels that Meyer examines with expert insight and creativity Topics range from gender and infancy stories to discipleship and the relationship of the Gospel of Thomas to Islamic literature Meyer s spellbinding readings of these materials offer fresh understandings of the canonical gospels Marvin Meyer is Griset Professor of Bible and Christian Studies and Director of the Albert Schweitzer Institute at Chapman University Orange California He is author of *The Secret Teachings of Jesus Four Gnostic Gospels* and *The Gospel of Thomas The Hidden Sayings of Jesus* and co editor of *Jesus Then and Now* Trinity Press International **The Hunt For Margaret Thatcher's Assassin** Geoffrey Gilson, 2014-05-01 An explosive tale of suspense and drama as the author dodges bullets the CIA and a crazy Israeli Intelligence agent in his real life rollercoaster quest to hunt down the key to the deep dark secret which will rock the governments of both Great Britain and the United States and trigger the political scandal of the century *God: A Biography* Jack Miles, 1996-03-19 WINNER OF THE PULITZER PRIZE What sort of person is God What is his life story Is it possible to approach him not as an object of religious reverence but as the protagonist of the world s greatest book as a character who possesses all the depths contradictions and abiguities of a Hamlet This is the task that Jack Miles a former Jesuit trained in religious studies and Near Eastern languages accomplishes with such brilliance and originality in *God A Biography* Using the Hebrew Bible as his text Miles shows us a God who evolves through his relationship with man the image who in time becomes his rival Here is the Creator who nearly destroys his chief creation the bloodthirsty warrior and the protector of the downtrodden the lawless law giver the scourge and the penitent Profoundly learned stylishly written the resulting work illuminates God and man alike and returns us to the Bible with a sense of discovery and wonder

The Story of Jesus William H. Kautz, 2012-04 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by his tor ical or literary means Some of them had demonstrated their unusual skill by probing deep ly into the personal lives and minds of historical individuals other than

Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history

Perspectives on Cormac McCarthy Edwin T. Arnold,Dianne C. Luce,1999 A revised edition of a volume praised as the best handbook for an understanding of McCarthy's great works Nag Hammadi Texts and the Bible C.A. Evans,Webb,R.A. Wiebe,2019-07-01 This volume places in synoptic form parallel texts from Nag Hammadi and from the Bible This will enable scholars of Coptic Gnosticism as well as scholars concerned with early Christian biblical interpretation to make the comparisons necessary to determine relationships and what dependence if any there may be between these two bodies of material This volume should facilitate the discussion concerning the origin antiquity and relationship of Gnosticism to Christianity The volume also contains an extensive bibliography of materials relevant to this topic Finally a Scripture index will make it possible for the reader to find quickly any desired passage *Thoughts of a Tribal Elder* Roger Goodman,2011-12-07 This book documents Roger's extraordinary life's journey through the sources of his addictions and how they played an integral part in his life experiences These are detailed in his spiritual quest to understand his being in this life His quest takes him through Queer history symbols mythology rituals and spiritualities This spiritual quest is further developed through his experiencing AIDS related illnesses and with returning to life after encounters with the Death Crone These all unfolded through his recovery from these addictions until where he has today peace and serenity as he never achieved previously **Karma and Reincarnation** Elizabeth Clare Prophet,Patricia R. Spadaro,2001 This insightful book helps readers come to grips with the karmic connections from past lives that have helped create the circumstances of their lives today **Alternative Christianities Volume II** Vince Nicolas,2018-12-30 Welcome to Volume II of Alternative Christianities For those that have read Alternative Christianities Volume I Early Christian Sects and the Formation of the Bible Welcome Back and I hope you enjoy Alternative Christianities Volume II The Validity of Today's Christian Teachings and the Lost Gospels of the Other Disciples If you have not read Volume I I do hope you pick it up or order it It is well worth reading For those new readers to whom I have not introduced myself in Volume I I am Vince Nicolas I am a historian not a theologian I am writing these books as a historian not as a theologian I want to make that very clear *Gateway of the Gods* Craig Hines,2007-01-09 This ground breaking and provocative book presents new and astonishing interpretations of ancient history mythology and world religions that will call many established beliefs into question In Gateway of the Gods author Craig Hines invites readers to reconsider preconceived notions concerning Biblical theology in light of recent scientific

discoveries and inquiries concerning the nature of the universe This fascinating exploration reveals a number of ideas that have been suppressed and obscured behind layers of symbolism and misguided propaganda for thousands of years until now Why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid offspring called the Nephilim Is it possible that these beings used gateway technology housed within pyramids and holy temples to travel between the heavenly and earthly realms Do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own Do the recorded voices of the dead known as Electronic Voice Phenomena EVP indicate that we may be able to communicate with these other realms Was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it Does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history Drawing from a variety of historical sources and years of meticulous research the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together formulate a radically new narrative concerning the history and destiny of the human race

The Fly in the Ointment: The Mysteries of Mary Magdalene Jennifer Smith, 2014-08-23 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now
