Secret War In Shanghai

Bernard Wasserstein

Secret War In Shanghai:

Secret War in Shanghai Bernard Wasserstein, 2017-02-28 In this classic account Bernard Wasserstein draws on the files of the Shanghai Police as well as the intelligence archives of the many countries involved to provide the definitive story of Shanghai's secret war Bernard Wasserstein introduces the British American and Australian individuals who collaborated with the Axis powers as well as subversive warfare operatives battling the Japanese and one another At times both shocking and amusing this book lifts the lid on the bizarre underworld of the sin city of the Orient during its most enthralling period in history

Secret War in Shanghai Bernard Wasserstein, 1999 The story of wartime Shanghai unveils the savage political intrigue diplomatic maneuvering and sometimes deadly espionage that defined this city at the height of World War II as foreign representatives converged on the city with its promise of cheap living and excitement Tour

Secret War in Shanghai Bernard Wasserstein, 1998-06-01 During WW2 Shanghai China's largest and most cosmopolitan city was a killing field of brutal competition ideological struggle and murderous political intrigue Allied and Axis agents criminal gangs and paramilitary units under various flags waged secret savage warfare Espionage lurid vice subversion and crime came together in a lethal concoction This is the first account of the story of Shanghai's underground war Wasserstein has researched it entirely from original sources and uncovered startling new evidence of collaboration and treason by American British and Australian citizens This remarkable depiction of complicity and betrayal is history at its most exciting and surprising Photos

The Secret War for China Panagiotis Dimitrakis, 2017-09-22 In 1927 Chiang Kai shek the head of China's military academy and leader of the Kuomintang KMT began the northern expeditions to bring China's northern territories back under the control of the state It was during this period that the KMT purged communist activities fractured the army and sparked the Chinese Civil War which would rage for over twenty years The communists led by General Mao Tse Tsung were for much of the period forced underground and concentrated in the Chinese countryside As the author argues this resulted in China's war featuring unusually high levels of espionage and sabotage and increased the military importance of information gathering Based on newly declassified material Panagiotis Dimitrakis charts the double crossings secret meetings and bloody assassinations which would come to define China's future Uniquely The Secret War for China gives equal weighting to the role of foreign actors the role of British intelligence in unmasking Communist International Comintern agents in China for example and the allies attempts to turn nationalist China against the Japanese The Secret War for China also documents the clandestine confrontation between Mao and Chiang and the secret negotiations between Chiang and the Axis Powers whose forces he employed against the CCP once the Second World War was over In his turn Mao employed nationalist forces who had defected during the last three years of the civil war about 105 out of 869 KMT generals defected to the CCP This book is an urgent and necessary guide to the intricacies of the Chinese Civil War a war which decisively shaped the modern Asian world

Japan's Secret War Robert K. Wilcox, 2019-12-10 This groundbreaking investigation reveals how a secret atomic

weapons program in WWII Japan led to today's North Korean security crisis Japan's Secret War explores one of the least known yet highly significant episodes of World War II Japan's frantic race to develop its own atomic bomb Journalist and historian Robert Wilcox then shows how Japan's efforts evolved into North Korea's nuclear program and the looming threat it presents to mankind After decades of research into national intelligence archives in the US and abroad Wilcox presents a detailed account of Japan's version of the Manhattan Project He traces its development from inception to the possible detonation of a nuclear device in 1945 Wilcox weaves a fascinating portrait of the secret industrial complex where Japan's atomic research culminated And it is there that North Korea following the Japanese defeat salvaged what remained and fashioned its own nuclear program Japan's Secret War is still spellbinding It is intriguing and disturbing and Robert Wilcox deserves high praise for his meticulous research Historynet.com **Thailand's Secret War** E. Bruce

Reynolds, 2005-01-06 This book is an absorbing account of secret operations and political intrigue in wartime Thailand During World War II Free Thai organisations co-operated with Allied intelligence agencies in an effort to rescue their nation from the consequences of its 1941 alliance with Japan They largely succeeded despite internal differences and the conflicting interests and policies of their would-be allies China Great Britain and the United States London's determination to punish Thailand placed the British Special Operations Executive SOE at a serious disadvantage in its rivalry with the American Office of Strategic Services OSS The US State Department in contrast strongly supported OSS operations in Thailand viewing them as a vehicle for promoting American political and economic influence in mainland Southeast Asia Declassification of the records of the OSS and the SOE permits full revelation of this complex story of heroic action and political intrigue *Madame Fourcade's Secret War* Lynne Olson, 2020-03-03 NEW YORK TIMES BESTSELLER The little known true story of Marie Madeleine Fourcade the woman who headed the largest spy network in occupied France during World War II from the bestselling author of *Citizens of London* and *Last Hope Island* Brava to Lynne Olson for a biography that should challenge any outdated assumptions about who deserves to be called a hero The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE WASHINGTON POST In 1941 a thirty-one year old Frenchwoman a young mother born to privilege and known for her beauty and glamour became the leader of a vast intelligence organization the only woman to serve as a chef de resistance during the war Strong-willed independent and a lifelong rebel against her country's conservative patriarchal society Marie Madeleine Fourcade was temperamentally made for the job Her group's name was Alliance but the Gestapo dubbed it Noah's Ark because its agents used the names of animals as their aliases The name Marie Madeleine chose for herself was Hedgehog a tough little animal unthreatening in appearance that as a colleague of hers put it even a lion would hesitate to bite No other French spy network lasted as long or supplied as much crucial intelligence including providing American and British military commanders with a 55 foot long map of the beaches and roads on which the Allies would land on D Day as Alliance The Gestapo pursued them relentlessly capturing torturing and executing hundreds of its

three thousand agents including Fourcade's own lover and many of her key spies. Although Fourcade, the mother of two young children, moved her headquarters every few weeks, constantly changing her hair color, clothing, and identity, she was captured twice by the Nazis. Both times she managed to escape, once by slipping naked through the bars of her jail cell and continuing to hold her network together even as it repeatedly threatened to crumble around her. Now, in this dramatic account of the war that split France in two and forced its people to live side by side with their hated German occupiers, Lynne Olson tells the fascinating story of a woman who stood up for her nation, her fellow citizens, and herself. Fast-paced and impressively researched, Olson writes with verve and a historian's authority. With this gripping tale, Lynne Olson pays Marie Madeleine Fourcade what history has so far denied her: France's slow to confront the stain of Vichy would do well to finally honor a fighter most of us would want in our foxhole. *The New York Times Book Review* *Far Eastern Economic Review*, 1998

Stalin's Secret War Robert W. Stephan, 2004. An animated adaptation of the story of the same title by Maurice Sendak, in which a small boy makes a visit to the land of the wild things. Tells how he tames the creatures and returns home. For primary grades.

The CIA's Secret War in Tibet Kenneth J. Conboy, James Morrison, 2002. In one of the most remote covert campaigns of the cold war, the CIA harnessed, nurtured, and encouraged the Khampa tribesmen of Tibet in their defiance against Chinese subjugation. This is the first time the story has been told. *Flight and Rescue*, United States Holocaust Memorial Museum, 2001. The story of more than 2,000 Polish Jewish refugees who fled across the Soviet Union to Japan, where they awaited entrance visas to the United States and elsewhere. *Our Secret War Against Red China*, Emile C. Schurmacher, 1962.

A Secret War, Oliver J. Caldwell, 1972. In 1943, Captain Caldwell, born in China, is given a high OSS commission and shipped off to work with Chiang Kai-shek's secret police chief, Tai Li. He becomes convinced that the corruption and bestiality of Chiang's regime will pull it down. In this extraordinarily direct narrative, Caldwell contrasts the government's unabashed aping of fascist models with the beauty of the countryside and the culture and the ordeal of the people. He recalls that in the Chinese wartime capital, 15,000 could buy a 1942 Buick made in Japan in exchange for such luxury items. The Nationalists were selling food and medicine to the Japanese. The Kuomintang fed so many secrets to the Japanese that Caldwell was assigned to spy on Chiang's men to protect U.S. secrets. He eventually dispatches an anti-Chiang memo to FDR, but nothing is heard, and he champions the cause of a Mr. Chen, officer of a large secret society, as head of a potentially moderate post-Chiang government. Late in the war, he meets John Birch, who he recalls was killed assaulting a Communist border officer. Years later, he hears that FDR had taken a favorable view of his memo, but Admiral Leahy pushed for continued backing of Chiang. This puzzling insistence on the training of secret police and military who never fight the Japanese, and the curious activities of some U.S. units, might be explained by General Donovan's remarks to Caldwell: to the effect that America had won a war but not the peace. That could only come after a greater future war and the defeat of Marxism. Caldwell does not pursue this conclusion but allows the reader to deduce his own from a rich compilation of data.

For its sharp focus of Chiang's regime and its insights into U.S. policy and the effects on Chinese history the book has broad and unmistakable value. *The Nation*, 1919

Captives of Empire Greg Leck, 2006 On the morning of December 8, 1941 thousands of American, British, Dutch, and other civilians of Allied nations living in China awoke to find that their countries were at war with Japan. Thousands of miles away from their home countries they were cut off, isolated, and faced an uncertain future. As the rigors of life under the occupation increased, they were eventually herded into internment camps known as Civilian Assembly Centres. There they experienced starvation rations, horrible sanitary conditions, virtually no medical care apart from what they provided themselves, and an absolute lack of many of the essentials of civilized life. Yet through it all, internees rose to meet the challenges of survival. They placed their hope in the future and educated their children, organized kitchens and hospitals, started libraries, and engaged in subtle forms of resistance.

Blood Brothers Bertil Lintner, 2002 Klappentext All over Asia, bankers, gangsters, government officials, and intelligence agents interact while organised crime networks threaten the rest of the world. Chinese gangs run Chinatowns all over the United States and Europe. Vietnamese mobsters have taken over the heroin trade in Australia. Russian gangsters thrive in cities throughout America, and the Japanese yakuza not only influence government and business at home but chase the yen through Southeast Asia and Hawaii to Australia's Gold Coast. Organised crime is one of the biggest and most complicated issues in the Asia Pacific today. Both Western and Asian pundits assert that shady deals are an Asian way of life. Some argue that corruption and illicit business ventures, gambling, prostitution, drug trafficking, gun running, oil smuggling, are entrenched parts of the Asian value system. Yet many Asian leaders maintain that their cities are safer than Sydney, Amsterdam, New York, and Los Angeles. Bertil Lintner knows this territory well. In *Blood Brothers* he takes the reader inside the criminal fraternities of Asia and the Far East, from Russian gangsters and Japan's yakuza to Taiwan's United Bamboo Gang and the Vietnamese Triad. In examining these networks, Lintner seeks to answer the question: How are civil societies all over the world to be protected from the worst excesses of increasingly globalised mobsters? This is investigative journalism at its best and most relevant.

Points East, 1993

The Secret War Sanche de Gramont, 1962 *Secret Weapons and World War II* Walter E. Gruenden, 2005 Gruenden's analysis of this fundamental flaw in the Japanese war effort seamlessly weaves together science, technology, and military history to provide an entirely unique look at a crucial but understudied aspect of World War II. Comparing the science and weapons programs of all the major combatants, he demonstrates that Japan's failure was nearly inevitable given its paucity of strategic resources, an inadequate industrial base, the absence of effective centralized management to coordinate research, military hostility toward civilian scientists, and bitter interservice rivalries. In the end, Japan could not overcome these obstacles and thus failed to make the transition to the kind of Big Science it needed to ward off its enemies and dominate the Far East.

Secret War In Shanghai Introduction

In the digital age, access to information has become easier than ever before. The ability to download Secret War In Shanghai has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Secret War In Shanghai has opened up a world of possibilities. Downloading Secret War In Shanghai provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Secret War In Shanghai has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Secret War In Shanghai. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Secret War In Shanghai. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Secret War In Shanghai, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Secret War In Shanghai has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Secret War In Shanghai Books

1. Where can I buy Secret War In Shanghai books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Secret War In Shanghai book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
