My First Tractor: Stories of Farmers and Their First Love Foreword by Jerry Apps, 2010 **Secret Commandos** John L. Plaster, 2018-10-16 Major John L. song Read through it give it some thought and may the Lord use it to put a song in your heart Jeff Pepper was born and raised in Sterling Illinois After graduating from high school and going out on his own to earn a living he started attending church He did not attend regularly though because the church he tried did not seem to line up with what he read in his Bible at home While working at his place of employment a man was hired that talked to him about spiritual things This man invited him to visit the church he went to which was Faith Baptist Church in Sterling Illinois This church preached the truth of God s Word Therefore after attending for about a year he realized this was indeed what he had been seeking So in July of 1978 he accepted Christ as his Savior and went on to serve faithfully there He later married and started raising a family He his wife Sheila and daughters Janna and Michelle now reside in Shannon Illinois In April of 2001 the Lord laid on his heart a burden to put together a devotional book using messages from pastors evangelists missionaries Christian educators and others in full time Christian service Now almost ten years later this devotional is here **Forthcoming Books** Rose Arny,2003 **Forty Years of Screen Credits 1929-1969** ,1970 This book is meant to be a handy guide to motion picture credits of the Hollywood parade of stars placing them in perspective for the general reader It is by no means an entire listing of screen data for it s almost impossible to aim at completeness over a forty year period regardless of the sources on which research has been based and against which it has been checked **Bowker's Guide to Characters in Fiction** ,2003 **Fraser's Magazine for Town and Country** ,1844 **The Publishers' Trade List Annual** ,1904 **Legitimacy and Illegitimacy in Nineteenth-Century Law, Literature and History** M. Finn,M. Lobban,J. Bourne Taylor,2010-06-30 This innovative book draws together literature law and economic and social history to investigate the meanings and uses of legitimacy in nineteenth century Britain This broad range of essays highlights the ways in which contested narratives and interested performances shaped the idea of legitimate authority during this period Northwestern Christian Advocate ,1903
